BOSPORUS, LIKE DARDANELLES, IS RICH IN ANCIENT MYTHS

The Word Itself Means Passage For Cattle-Ancient Lore Says Io, When Turned Into A Heifer, Swam Strait To Escape The Gad-Youth's Companion.

The Bosporus, no less than the Dardanelles, is rich in classic myth and ancient deeds of valor.

The name that the Greeks gave to the strait means a passage or crossing for cattle-Oxford % the exact English equivalent for Bosporus. Did ance, Elmer Conley, Marion Black, they so name it because agricultural knowledge there crossed from Asia into Europe, or because the Phrygians crossed there when the oracle told them to follow a route that one of their oxen would take if driven to the water? Or was it because the Phrygians first crossed in a vessel that had an ox for a figurehead? Or Howard Gough, Alex. McMahon, because Io, when Zeus had transformed her into a white helfer, swam the strait to escape the tormenting gadfly? You may take your choice, for ancient writers give all these exlam, Minnie Botting, Marguerite planations. They also tell us that other straits bore the same name, notably the passage that connects the Sea of Azov with the Black Sea. The strait that now has the exclusive use of the name Bosporus was

> conquest have ebbed and flowed for siderable criticism of late.) five hundred years before the birth of Christ, the great Darius led his Persian hosts across the Bosporus on Scythia, as, a generation later, his son Xerxes, led his armies across the Hellespont. German Morale Weakened By Terrible Slaughter.

Paris, June 17 .- It is certain the morale of the German troops has been seriously affected by the French attacks north of Arras, from the incgessant pressure rather than actual attempts to break the line. The latest copy of the Army Bulletin contains extracts from a German prisoner's note-book, saying: "Our regiment has been almost annihilated by the continued assaults day and night. On Saturday, June 11th, the Twentysecond Regiment had terrible losses In a single day over three thousand men were put out of action. doubt if I shall get out alive. our Ninth Company, of a hundred and sixty that made the assault,

are not relieved we shall all be lost. Everyone knows it.' A recent letter from an officer on this front states: "German morale greatly changed. Only yesterday one battalion that was brought in motor cars as reinforcements killed its officers and surrendered en happened before."
