VOICE OF THE PULPIT
REV. GEORGE S. CLENDINEN
BEGINS PASTORATE

Of Brock Street Methodist Church—
Two Flower Services—News Of Other Churches.
Rev. George S. Clendinnen, the new pastor of Brock Street Methodist church, took over his duties on Sunday morning and before a good sized congregation he delivered an appealing sermon based upon St. John IV: 28. "I sent you to reap that whereon ye bestowed no labor: other men laboured, and ye are entered into their labours."
No man can deny that he is indebted to the past, said the preacher. He should then do his best to pay back to humanity what has been done in creating a start for his future life. We often hear of a self-made man, continued Mr. Clendinnen, but it is a mistake. A self-made man is not a self-made man because he had a start to do what he has accomplished.
It is God that has to be reckoned with in creating good memories, strong bodies and clear eyes. Every one of us has had an opportunity of making use of these gifts in some respects while some rise to greatness through Divine power.
Some persons are discontented with these powers and think that it is better to live for the present than the future and eternity. They might be classed as a boy who planted mushrooms that spring up in a short time, instead of acorns that require a number of years to reach maturity.
It is much better to take time and make things perfectly.
Each generation of men should carry matters a little higher and promote the glory of God, declared Mr. Clendinnen.
The speaker also spoke about the national heritage which we enjoy, but asserted that we too often make light of the hardships which our early pioneers had to undergo. We really should thank God for what they have created for us. The last point dealt with by the new pastor was our religious heritage.
Mr. Clendinnen born in Pembroke the son of the late Dr. John D. Clendinnen. He was educated in Ottawa schools, McGill University and Wesleyan Theological college, Montreal, and ordained in Brockville in 1891. He married Miss Katie E. Annard, formerly of Ottawa. Mr. Clendinnen has been stationed three times in Ottawa, also in Brockville, Stanstead, Newboro, Elgin and Kemptville, where he has just closed a very successful term.
Mr. Clendinnen's specialty in his entire ministry has been the young people's work. He has been president of the Ontario Christian Endeavor Union, president of the Epworth League of Montreal Conference, of which he is at present treasurer, and has been for years a member of the General Board of Sunday schools and Young People's Societies, to which he was re-elected for the next three years by the recent conference in Gananoque.

SATURDAY'S BASEBALL
VICTORIAS DEFEATED PONIES BY 6 TO 4.

In a Splendid Game Of Baseball—
Regiopolls Won From Sapollos By 6 to 4.
It took exactly two hours to decide the better team in the Senior City League baseball game between the Ponies and Victorias on Saturday afternoon, the Victorias winning by 6 to 4. The game was undoubtedly one of the best exhibitions of baseball that has been seen in the city for some time, and although there was little spectacular work, every man on the field played baseball all of the time. There was one of the largest crowds at the season at the game.
This is the first game of the year for the well-known Evans brothers, William, who has always been one of the leaders in local sports, leaves on Monday with the reinforcements from the 26th Battery of which he is a member. "Jack", who has played behind the bat in almost every game since the Ponies team was organized, goes to Military Bay, Quebec, to take a summer position. Both are strong men on the team and it will be hard to find capable substitutes.
Laird in the game Saturday did a lot of experimenting in trying to find the most advantageous place to distinguish between strikes and balls. He began the game behind the pitcher and later tried standing behind the catcher. He seemed at all times to catch almost everything at either place.
The first run was registered by Bennett who reached the plate in the last of the third. Bennett is a new man in the league, being a soldier at the camp. He proved a splendid addition in the third innings he pounded out a two-bagger as his introduction to the fans.
The Ponies came back strong and both of the Stewart brothers got home in this inning, doubling the score of their opponents. Three of the four errors made by the Victorias were made in this inning but they settled down for what proved for them to be a winning fight. The fact that McKay was caught out by Laird in left field when the bases were fully populated and two men down, gave the Vics the needed inspiration for harder work.
In rapid succession in the last of the fourth, Pound, Laird and G. Dick all scored, and doubled the score in the opposite direction. After this stance there was not much danger, although the Ponies put up a splendid game.

Regiopolls 8, Sapollos 3

The junior game on Saturday was won by Regiopolls from Sapollos by 8 to 3. It was a splendid exhibition of the honors being pretty well divided. Kelly in the box for the winners proved his value to the team by striking out the record number of sixteen players, and allowing only two to reach first base.

Picked Team Selected.
Kingston baseball fans will be happy on Dominion Day. The City League has arranged a tournament for that day when two games, one in the morning, at 10 o'clock, the Athletics will line-up against the Victorias and in the afternoon at 2.30 o'clock the Havans Red Sox, a celebrated team of colored men, who

played here a year ago, will meet a picked team from the city league. A big game is looked for.
For the afternoon the picked team will be selected from the following: Cotman, Pound, Gillespie, Gallagher, Walsh, Smith, Somerville, Saunders, Dick, Nicholson, Coyne, J. Stewart, Toland, H. Dick, Fenning, Fenning, E. Hartwick will handle the morning game and George Sullivan the afternoon one.
Likely His Home Destroyed
Frank O. MacLean, visiting his parents, Mr. and Mrs. Daniel MacLean, Pitshanger township, was much concerned over the report of a tornado sweeping over North Alberta and doing much damage. He expects that his little home there has been swept a'nd his furniture and belongings scattered to the four corners of the earth. He is very anxiously awaiting tidings. Those reported killed were known to him.

To Look and Feel Bright in Hot Weather
This is the season when she who would have a lily-white complexion should turn her thoughts to mercialized wax, the firm friend of the summer girl. Nothing so effectively overcomes the soiling effects of sun, wind, dust and dirt. The wax literally absorbs the scorched, discolored, freckled, withered or coarsened cuticle, bringing forth a brand new skin, clear, soft and girlishly beautiful. It also unclogs the pores, removing blackheads and increasing the skin's breathing capacity. An ounce of mercialized wax, obtainable at any drugstore, applied nightly like cold cream, and washed off mornings, will gradually improve the worst complexion.
When depressed by the heat and you want to freshen up for the afternoon or evening, bathe the face in a lotion made by dissolving an ounce of powdered soap in a half pint which hazel. You'll find this more refreshing than an hour's rest. It is fine for smoothing out wrinkles, even the deeper ones.
