The Hundred Ways Which Don't End Corns

Perhaps you say-"I've tried and tried, but found nothing that ends a corn.

You might keep trying for years, Madam. There are a hundred ways which don't. Most of them are very much alike.

But remember this: There is one way which has removed 70 million corns. It is now removing half the corns that

It's a plaster which contains bit of wondrous wax. It ends the corn pain in a jiffy. It ends the corn itself in two days. It gently cosens the corn until it comes out without any pain or soreness.

When you merely pare corns-When you use some folderololks all around you—users of Slue-jay-who never suffer corns You are wronging yourself when you fail to do what they o
