BASEBALL ON HOLIDAY

HAVANA RED SOX DEFEATED LOCAL TEAM, 4 TO 3.

At the Cricket Field Thursday Afternoon—Victorias Won From Athletics in the Morning By 8 to 4.

The Havana Red Sox baseball team was a great drawing card at the Cricket Field on Thursday afternoon and the players comprising it were both good entertainers as well as first-class base ballers. The picked City League team was defeated by the visitors by 4 to 3. Had it not been for the nervousness of Gallagher, the twirler for the home aggregation, in the first innings it would have been all up with the Red Sox. At this period of the game three runs were scored by the colored visitors and to this limit they were held until Dandridge managed to bring in another run in the first of the eighth innings.

In the second innings the local team obtained two tallies and again in the last of the eighth C. Stewart scored another, having two out of the three to his credit.

The ninth innings promised good for the home team. Gallagher got first base on a hit and D. Pound was placed on first to run for him. In the meantime Laird was struck by the ball and advanced Pound to second base. H. Dick and Walsh were retired on fly balls while Coyne knocked one to the first baseman's mitt.

The best hit of the day was a three-bagger by Geary, left fielder for Red Sox, in the eighth innings. The visitors also pulled off a double play twice, in the fifth and the seventh innings. Gallagher for the locals had the better of the pitching. Better batting was also accomplished by the Limestone City team. Ten hits were made by the latter against four by the visitors.

Before starting to bat in each inning the visitors sang songs, one of them being "Lead Kindly Light."

The team were: Red Sox—McClary, p; Dixon, c; Allen, 1b; Griffin, 2b; Dandridge, 3b; Thomas, ss; Geary, Jr., McDonnald, cf; Barney, rf.

Picked City League team—Gallagher, p; Cotman, c; J. Walsh, 1b; Saunders, 2b; G. Dick, 3b; Laird, lf; C. Stewart, cf; Coyne, rf.

Victorias, 8; Athletics, 4.

The baseball match played at the Cricket Field on Thursday morning between Victorias and Athletics was a very good exhibition and resulted in a win for Victorias 8 to 4.

Teams Lose Players.

During the past few days the Athletic baseball team has been hard hit by the loss of four of its players who have gone overseas with the recent reinforcements. These players are Smith, Gorman, Tait and Galloway. Gorman and Tait were two excellent pitchers.

Ponies are also minus its short stop, W. Evans, who went overseas with the 26th Battery. J. Evans, their catcher went to Murray Bay on Wednesday to spend the remainder of the summer. As yet Victorias are still intact.

At Lake Ontario Park.

On Dominion Day there was a big time at Lake Ontario Park. In the evening the attendance from the city was immense. The pavilion was crowded, as well as the grounds. The new programme presented was excellent. Miss Wood, in her skipping stunt and singing, won applause. Doyne and Doyne scored a hit with their juggling and their imitation of Charles Chaplin on the screen. Miss Dovey sang "It's Nighttime Down in Dixie" and "My Chain of Memories Dream."

The program was excellent, especially "A Double Winning," "The Captivation of the Major," and "An Arizona Wedding."

The same bill will be presented for the rest of the week.

The W. C. T. U. Meeting.

The regular meeting of the Women's Christian Temperance Union was held in the Y. W. C. A. parlors on Tuesday afternoon. In the absence of the president, the chair was occupied by Mrs. (Rev.) W. Craig. Great satisfaction was expressed over the cable which announced a dry canteen for the 21st Battalion.

A picnic will be given to the Mothers' Club on the lawn of the Y. W. C. A. on July 15th, to which members of the Union are invited.

The Recital To-night.

The W. C. T. U. song recital in Queen's Convocation Hall to-night and Saturday night is well worth patronizing. Wilnot Goodwin, baritone, Lee Cronican, pianist and Maurice Warner violinist, are men of high professional standing and artists in their parts. They give a recital of high class music. Mr. Goodwin was with the Aborn Opera Company for some years.

Leaving For England.

Lieut.-Col. C. N. Porreau, Commandant of the Royal Military College, leaves on Friday to sail for England, where he will take a command in the Imperial Army.

Holiday Band Concert.

Macdonald park was filled with people on Thursday night for the band concert, which was given by the 14th Regiment band. The weather was ideal, and combined with the fine selections made it a most enjoyable treat for all who were present.

Home-made advice is just as satisfactory as any of the other brands.

VAUDEVILLE AT THE GRAND.

An Especially Good Bill For the Week-end.

An excellent programme of vaudeville and pictures was presented at the Grand Opera House last night before a fair-sized audience, and was thoroughly enjoyed. The feature picture for the last three days of this week, "The Girl of the Golden West," proves to be one of the best seen here in some time. The other pictures were a two-reel Mutual photoplay, "Reader of Minds," a Keystone comedy, "Love and Business." The Pathe News pictures of the leading events in the present war was shown, and also the Famous Pathe colored pictures, which were very pleasing.

The vaudeville consisted of The Naggy's, "The Human Salamanders," in a very clever act, which consisted of several tricks of fire-eating and proved to be quite a novelty, being entirely different from anything heretofore seen in this city. The whole bill presented in excellent, and will be shown every afternoon and evening for the balance of the week.

A FANTASTIC STORY

There Seems To Be No Grounds For It.

A fantastic story is floating about the city as to Canadian prisoners in Germany. The Whig heard it regarding three families. In effect the story was that the parents of prisoners had received letters, and under the stamps, which had been steamed off were instructions that the prisoner had had his ears cut off and also one leg. It was said to give the families a chance to know their condition the letters suggested that the stamps would be very valuable in the future and the writers would like to have them saved and a good way to get them off was to steam them. With the stamps removed the horrid butchery of the Canadians was disclosed.

The story was fairly plausible but when the families were interviewed all very positively denied that they had ever received such news though they had heard it regarding others. The whole thing seems to have been a hoax.

FRONTENAC CHEESE BOARD

Two Factories Sold For 1-4 Cents On Thursday.

On Dominion Day, the Frontenac Cheese Board met at 11.30 a.m. with the president, Richard Moore, presiding. There was a total of 105 boxes of white cheese and 317 boxes of colored. L. W. Murphy secured the offering of two factories, Arigan and Silver Springs at 16 1/4 cents, and there were no other sales. A week ago cheese sold at 17 cents. The following factories boarded: White—Silver Springs, 75; Arigan, 30. Colored—Elm Grove, 40; Glenvale 65; Gilt Edge, 45; Ontario, 27; Elginburg, 35; Wolfe Island, 60; Col-lin's Bay, 45.

Belongs To Kingston.

E. R. Peacock, son of the late Rev. Mr. Peacock, the first pastor of Bethel Congregational church, has been made president of the Barontona Tractor, Light & Power Company. For some time Mr. Peacock has represented the Dominion Securities Corporation of Toronto, in London, Eng.

Mr. Peacock is a graduate of Queen's University, Kingston, and for some years taught in Upper Canada College. He joined the staff of E. R. Wood's financial companies, in Toronto and rose rapidly. He is still a comparatively young man, and this is the greatest honour which has yet come to him. Besides being a man of untiring energy and possessing a keen analytic mind, he is an enthusiastic student of public affairs. In the Canadian circle in London, England, he has become an intellectual leader.

A KINGSTONIAN MARRIED

He Took a Brockville Lady For His Bride.

At 11.30 o'clock on Wednesday morning at St. Francis Xavier church presbytery, says the Brockville Times, Dean Murray united in marriage two well known young Brockvillians, Miss Anna Bove, youngest daughter of Mr. and Mrs. Martin Bove, 272 King street west, and Robert Graham, Kingston, who for some time past has been employed at G. T. R. yardman here.

Mr. and Mrs. Graham were attended by Miss Mayme Bove and Martin Bove, sister and brother of the bride.

Following the ceremony, Mr. and Mrs. Graham repaired to the bride's home where a dainty wedding breakfast was served to the immediate relatives of the contracting parties, after which the young couple left on a honeymoon trip to Old Orchard, Me., Boston, Mass., and New Britain, Conn. On their return they will reside with the bride's parents.

The popularity of Mr. and Mrs. Graham was amply attested to by the many beautiful and valuable gifts which they received.

Among the out-of-town guests who witnessed the ceremony were Mrs. Thomas Graham, Miss Vera Leslie, and Miss Katie Tweedell Kingston.

The Human War Material.

It is very interesting, if true, that Lord Kitchener, while pretending to encounter great difficulty in raising a million men, has really put an army of two millions into the field.

This is recruiting at a tremendous rate and yet figures published on the loss of human material since the war began suggest that the end may be forced at last by the literal exhaustion of the supplies of men.

Figures said to have been given out by the German consul at Denver and to represent Red Cross information are appalling. The war's dead in the first six months of the struggle are stated 2,146,000, the seriously wounded 1,150,000, prisoners, 1,764,000, slightly wounded, 2,781,000.

Leave out the slightly wounded, and there still remains a total of 5,660,000 men killed, seriously wounded or prisoners.

These figures purport to represent only the first six months of the war—that is, to the early days of January. They must be increased at least a third to bring them to date, and this means a total of 12,000,000 men killed, wounded or prisoners.

At this rate of destruction, even with 2,000,000 men thrown into the field at a time, the war cannot continue for a long period.

Mrs. J. T. Bouchard and children, Quebec, are the guests of Mrs. Bouchard's parents, Mr. and Mrs. Henry Johnson, Sydenham, Ont. "Buttermilk Cold Cream" at Gib-son's Red Cross Drug Store.

Hon. W. T. White and Senator Derbyshire are among the speakers selected to address the Orangemen at Gananoque on July 12th.
