## APPOINTMENT IS MADE OF MISS BERTHA WILLOUGHBY AS MATRON.

Of the Queen's Stationary Hospital—  
The Four Additional Officers For  
The Corps Have Been Appointed.

Dean Connell has received notice-  
cation from Lieut. Col. P. E. Rivington,  
that Miss Bertha Willoughby,  
formerly superintendent of nurses in  
Kingston General Hospital, has been  
appointed matron of the Queen's Sta-  
tionary Hospital to be established  
shortly in France. The War  
reported some time ago that Miss Wil-  
loughby would receive the appoint-  
ment, which has now been made. It  
is learned that Miss Willoughby, who  
is also a graduate of the Kingston  
General Hospital Training School for  
Nurses, was specially recommended  
for the post by Surgeon-General  
Jones and Miss Macdonald, who is  
head of the British Nursing Service.  
Miss Willoughby has had six months'  
experience already in a Canadian  
hospital in France, and is splendidly  
qualified.

The four additional officers appointed  
to the Queen's Stationary Hospital,  
and who will leave in a few  
days, are Lieut. Col. H. R. Duff,  
Kingston; Major Edward Kidd, Trenton;  
Lieut. Carl Hollis, Bermuda, now  
at Barfield Camp, and Lieut. P.  
X. O'Connor, Kingston, at present in  
England with the first contingent of  
the hospital. Dean Connell has  
more volunteers for the reinforce-  
ments than he can accept.

All the officers of the Queen's Hospi-  
tal now in England, and who had  
been divided among various hospitals  
through the country, have been re-  
called, and are now near Folkestone,  
where they have a large hospital un-  
der canvas, with about 250 patients.  
Lieut. Col. Eberington expects to  
take his corps to France within a  
fortnight.

## PRISONERS AT FORT DIAMOND AND GREEN ARE ORGANIZED TO IMPROVE WEARY CONFINEMENT

They Have Sports and Marches —  
They Have Made a Flower and  
Vegetable Garden in the Centre  
of the Court Yard.

Baron Polanz is one of the Ger-  
man prisoners confined at Fort Hen-  
ry and he is doing a good work in  
organizing the prisoners so that the  
confinement will not bring on in-  
jurious effects. He is the moving  
spirit in the athletic work at the  
fort. A short time ago a march in  
"Ready marching order" was held  
in the court. Each man was dressed  
in his ordinary suit but carried  
thirty pounds of baggage including  
his blankets and four or five bricks  
on his back. There were twelve  
men at the beginning of the march  
and eight finished the 31 1-2 kilo-  
metres.

A gymnastic exhibition was given  
on Sunday last with the following  
results: Highest jump, 1 metre, 53  
centimetres; furthest jump, 5 met-  
res, 60 centimetres; hammer throw-  
ing (twenty-five pounds), 8 metres,  
90 centimetres. There were also the  
usual stunts on the horizontal and  
parallel bars.

At the fort there is a singing so-  
ciety of forty voices and there is also  
an orchestra of fifteen pieces.

In the athletic work the men are  
divided into companies which com-  
pete against each other. In the  
singing society the musicians are  
chosen from all the prisoners.

To improve the long hours of con-  
finement, a garden has been made  
in the centre of the court and any-  
one who has visited the fort will  
realize the strenuous time the pris-  
oners have in finding enough earth  
for the purpose. In the garden are  
flowers and vegetables. There is also  
a stone grotto which is a decided  
addition to the appearance of the  
court-yard.

There are now 245 Germans, 35  
Austrians and 12 in Fort Henry.  
There are about 1,000 Germans, 400  
Austrians and 120 Turks pris-  
oners-of-war in Canada at the present  
time, the camps being at Nanaimo  
and Vernon, B.C., Brandon, Leth-  
bridge, Amherst, Halifax, Hearst,  
Ont., Spirit Lake, Que., and Peta-  
wawa. There are about 1,000 Aus-  
trians at Spirit Lake, 600 at Peta-  
wawa and 800 at Hearst.

### ASKS ALL APPLICANTS For Work Why They Do Not Join the Militia.

Lieut. Col. George Hunter, immi-  
gration agent, is true to his old in-  
stincts as a soldier, and every man  
who comes into his office for work on  
a farm is questioned as to why he  
does not join the militia. On Wed-  
nesday morning, a well-built man,  
dressed in rather shabby clothes,  
came into the colonel's office. The  
conversation was started by Col.  
Hunter, who said: "What do you  
want? Work?"

The answer was in the affirmative,  
and the next question was: "Have  
you any money?" which brought out  
a negative answer.

"You ought to be ashamed of your-  
self. You are an able-bodied man;  
why don't you enlist?"

The fellow explained that he had  
tried three times to enlist, but  
has been rejected as his heart was  
weak, the colonel passed the remark  
that his heart was in the right place  
anyway.

There are only a few men applying  
to Col. Hunter for positions, and  
these are instantly rejected. The  
farmers cannot be supplied with all  
the help that is required.

### WOMEN ROUNDED UP.

Had "Frame-Up" Of Their Own To  
Solicit Funds.

On Tuesday afternoon Constable  
James Bateson rounded up two wo-  
men, one of whom was colored, for  
going around the city streets beg-  
ging money, which they claimed was  
to be devoted towards carrying on  
the work at the Orphan Home in  
Toronto. There is a by-law in the  
city against begging on the street.

It is alleged that the women had  
no credentials with them to show  
that they had permission to collect  
for a charitable institution and af-  
ter taken to the Police Station they  
promised to leave the city on the  
first west bound train, and were  
given a chance to go.

## KINGSTON BASEBALL FANS MO- TOR TO TRENTON

To See Local Team Play There—Ath-  
letics and Ponies Meet Saturday—  
With the Bowlers.

A number of fans from Kingston  
motored and went by train to Tren-  
ton on Wednesday morning to see  
the baseball match between a City  
League team and a Rochester nine at  
the Oddfellows' demonstration there.  
The teams are playing for a cup val-  
ued at \$75, and President Trotter is  
of the opinion that the local team  
is strong enough to defeat any team  
from the American city.

**Athletics vs. Ponies.**

The game between Athletics and  
Ponies on Saturday afternoon pro-  
mises to be one of the best in the  
league this season. Both teams are  
so determined to win that new play-  
ers who have proved strong on other  
teams are being drafted, and a big  
change in each line-up is billed. The  
Junior game between the Sapolites  
and Regiopolis will be a close con-  
test, as the result will have a big  
bearing on the league championship.  
Joseph Daley, manager of Ath-  
letics, has secured four new players  
from the 8th C. M. R. Regiment at  
Barrieffield. Every one of them is  
said to be an excellent baseballer.

Athletics were crippled last Satur-  
day through the lack of a good  
pitcher. The management has se-  
cured a new twirler by the name of  
Wilson.

**With the Bowlers.**

The results of the bowling games  
on Tuesday evening were as follows:  
T. W. Richards, F. Crozier, J. P.  
Fleming, W. Johnson—17.  
D. A. Givens, N. Munsie, A. B. Wil-  
liams, W. H. Montgomery—16.

W. H. Dyde, R. J. Stevenson, L.  
Sleeth, R. J. McKelvey—15.  
F. Day, T. Lambert, Prof. Math-  
eson, H. W. Newman—14.

### LUTHERAN PASTOR SPEAKS.

About Fort Henry—The Prisoners  
Should Be Given Work.

Rev. B. E. Rutsky, Lutheran pas-  
tor, Ottawa, has been visiting at Fort  
Henry since Monday and left Wed-  
nesday for his home. When inter-  
viewed, he said that he was highly  
pleased with the new commandant,  
Lieut. Col. J. H. Fee. The former  
commandant, Lieut. Col. Dawson,  
was also a splendid man.

He expressed the opinion that  
work should be given to the pris-  
oners, but would not state what steps  
were contemplated by the authori-  
ties. He conducted divine service  
in the fort on Tuesday.

**Beautiful New Stock To Choose.**

Prevost, Brock street, has this  
year an extra fine assortment of  
tweeds, chevots and serges for his  
order clothing department. His  
ready-made clothing and gents' fur-  
nishing departments are well assort-  
ed with new goods.

### Vital Statistics.

For the six months ending June  
30th, the vital statistics registered in  
the City Clerk's office were: Births,  
252; marriages, 119; deaths, 245.  
The difference between deaths and  
births is really much greater, as  
many of the deaths recorded are of  
outsiders who died in hospitals.

**Will Soon Go To Front.**

Letters received from England  
state that the 21st Battalion is now  
being busily engaged in trench-dig-  
ging, and it is thought that this is  
an indication that the battalion will  
soon go to the front.

**Str. Rideau Queen.**

### MAY ISSUE BUTTONS

To Volunteers Who are Found Medi-  
cally Unfit.

There is a movement on foot to  
have a small button issued by the  
militia authorities to every man who  
volunteers for overseas service, but  
is rejected when found medically un-  
fit. There are large numbers of  
men who when they apply for work  
are refused, or at least questioned  
because they are not with the militia.  
If the men who have really volun-  
teered could be distinguished in  
some way so that their story could be  
verified, it would stop any person  
using the story that he is medically  
unfit as an excuse. The medical  
standard for overseas soldiers is  
very high, so much so that the au-  
thorities are considering the ques-  
tion of reducing some of the stand-  
ards. Only the very best men will  
be accepted. At present there are  
some points which, according to regu-  
lations, make the rejection of a man  
necessary, but yet would not in the  
least hinder him from being the  
equal of any in the field.
