EVERYTHING IS COMING TO THE 59TH BATTALION

It Will Have a Very Complete Equipment.

RUSSIAN RESERVISTS

FORM A PLATOON OF "D" COMPANY, 59TH

About 100 Will Take the Machine-Gun Course—Another Provisional Infantry Course Opens On Monday At the Camp.

Friday was a very warm day in Barriefield camp but there was a cool wind blowing off the lake, and the soldiers on the parade ground did not suffer. The officer or N.C.O., in charge of any of the number of squads that daily work on the parade grounds is at liberty when he

LIEUT. R. H. WADDELL, Of Kingston, with the 59th Overseas Battalion at Barriefield Camp.

sees fit to parade the men to the shower baths. This is a decided relief and the opportunity of getting under the cold water is not lost by any of the men.

One of the platoons of "D" Company, 59th Battalion, is made up of Russian reservists, who are taking this method of getting to the front. Q.M.S., Hunter, who was through the South Africa war with the Gordon Highlanders, and who has been for the last few years with the head-

quarters staff clerks at the Armouries has a number in his charge. The Russians know the Russian drill perfectly, but due to their natural characteristics are slow in picking up the British drill. It is claimed, however, that once a Russian understands his work there is no better soldier anywhere and the men in the 59th will in a short while be a credit to the battalion. They are clean, fine-built fellows, and should make good on any battle-field.

Lieut. H. Stethem, O.C., Machine-Gun School at Barriefield camp will give instruction on the Maxim gun as well as the Colt. Two guns of the Maxim type are being secured in the Division for the purpose and are expected to arrive in a few days. About 100 officers, N.C.O.'s and men will take the course.

The officers of the 38th Battalion are getting very enthusiastic over baseball as a sport and some good players are among the men on Lieut. Col. C. M. Edwards' staff. The first game of the series was played on the parade ground on Friday evening the teams and results being:

Lieut. McDowell, C; Capt. McPherson, P; Lieut. K. A. Greene, 2b; Lieut. Armstrong, C.F; Capt. Parkinson 1b; Lieut. Watson, R.F; Capt. Byrne, S.S.; Lieut. J. G. Wallace, C.F; Lieut. Wilby, R.F; Lieut. Morris, L.F;—13.

Capt. Stewart umpired very satisfactorily.

"If the civilians in the division were as anxious to go overseas as the officers who tried their examinations on Friday are, there would be no need for recruiting campaigns," said an officer on Friday. In the marquee near the Administration building a group of officers sat around a table all afternoon, trying to think over the answers to the questions on the papers. The lieutenants in attendance at the first course of the Barriefield camp Provisional School of Infantry were trying their examinations for captains. All the examinations for the course are finished and the officers who do not live in the city left for the officers of the various parts of the division on Friday evening.

Capt. G. G. Membrey, Medical Officer of the 8th Regiment, C.M.R., underwent a minor operation at the Kingston General Hospital on Friday afternoon and will be confined in the hospital for a few days.

Now along comes Pembroke, which wants to outfit the 59th Kingston Battalion. The Council of that town has donated a machine gun and will confer with the officers of the corps to see if they want other equipment, such as field kitchen. Kingston got into the equipment game just in time, or Pembroke might have got the whole honor. However, the 59th officers can find use for all the people who wish to give.

Besides the four machine guns which will be given the 59th by the Government, seven additional ones are already provided for. It would appear that the 59th would be the best equipped machine gun Battalion from Canada.

The officers who will take the course in the Provisional School of Infantry which opens on Monday are:

- Lieutenants, G. W. Gilroy, J. Bates and Purvis, 42nd Regiment, Lanark; R. H. Waddell, E. Mallock, J. W. Stagg, P. L. Barker, J. Downey, D. F. Reiffenstein, 59th Battalion, C. E. B. Marshall, 46th Regiment, Durham; Jones, Fairbairn, 41st Regiment, Brockville; Gaston, Orimet, Dupin, and Capt. Mercer 70th Regiment, Hull, Que; Provisional Lieutenants, L. S. Reeves, 49th Regiment; Hastings; Watson, 42nd Regiment, Lanark; J. L. Stuart, 46th Regiment, Durham; M. C. Porobenshire, 45th Regiment, Lindsay; H. Mason, 46th Regiment, Durham; V. Eastwood, 57th Regiment, Peterboro; V. A. Lano, 14th Regiment, Kingston; G. C. Pickford, 49th Regiment, Belleville; W. W. Shattler, 57th Regiment, Peterboro; P. C. Gonno, D. R. McNeil, J. R. Penning, W. W. Fair, F. Jamieson, 46th Regiment, Durham; M. A. Newton, 47th Regiment, Kingston; C. E. Schingh, 70th Regiment, Hull; C. E. Oakes, 56th Regiment, Grenville; L. J. Stuart, 46th Regiment; N. S. Caldwell, 56th Regiment; J. R. Munro, 57th Regiment; A. R. Stevenson, 57th Regiment.

Major G. L. Starr, one of the staff chaplains, at the camp, will address a patriotic meeting to stimulate recruiting to be held at Marmoras on Friday evening next.

Lieut. Ben-Olell, 46th Regiment, Port Hope, reported for duty on Friday with the 59th Battalion.

Capt. Nelson, 8th C.M.R., returned to duty on Friday afternoon.

Ptes. Radborn and Flowers, 28th Battalion, were admitted to the Field Hospital on Friday.

There are now forty-one cases in the Segregation Hospital at Barriefield camp.

Every man in the 38th Battalion has had his teeth examined at the Dental headquarters. For the next few days the dentists, Capt. A. W. Winnett, C.A.D.C., and Capt. S. H. Simpson, 14th Regiment, will be engaged in doing the necessary work to put the men's teeth into the best of condition.

Lieut. Col. Macpherson, Ottawa;

was a visitor at the camp on Friday. Pte. Gaskell, 38th Battalion, is in the Field Hospital with rheumatism.

The request made in the Whig on Thursday for magazines has been answered by a number of citizens who offered their old magazines for the use of the soldiers who are suffering from minor ailments and have to remain in the hospital which undergoes treatment. The officers would also very much appreciate donations of flowers or plants to brighten the interior of the sombre hospital tents.

George Lawrence, William H. Parry, J. Gardner, K. Nicholson and S. Norris have been recruited by the 14th Regiment for the 59th Battalion.

A. J. Rushlow, Frank Monderville, Charles Van Norman, Edwards Cousins and Joseph Hart have been accepted from the 47th Regiment for the 59th Battalion.

Not one patient from the camp was removed to the City Hospital on Friday.

LIEUT. J. W. STAGG, Of Kingston, with the 59th Overseas Battalion at Barriefield Camp.

day and as only one was taken in on Thursday this shows that there are few serious cases among the soldiers.

A board of medical officers examined the recruits of the 59th Battalion on Friday.

Tpr. Vandayance, 8th C. M. R., is in the field hospital for treatment.

Lieut. W. E. Swaine, 14th Regiment, who vacated the position of musketry instructor on May 17th, has been promoted to the rank of captain. Capt. Swaine is now Barriefield Camp musketry instructor.

J. C. Bell, a farmer living in Sydney, near Cobourg, has given his two sons to the service, one with the 39th, and the other with the 59th Battalion. The call, however, became so strong that he, himself, enlisted, and has arrived at Barriefield. Mr. Bell was orderly for fifteen years for General Sir Peter Lumsden, the officer who invented khaki.

LET PULPIT SPEAK IN HOUR OF PERIL

Ministerial Association Denounces Huns and Calls on Canadian Preachers.

Following is the text of the recruiting appeal which the Ministerial Association of Toronto has addressed to all church ministers of the Dominion:

"Therefore will not we fear, though the earth be removed; The God of hosts is with us, the God of Jacob is our refuge. The very hour which we sought to avert is upon us. Our Empire is engaged in the greatest struggle of the age. The most sacred possessions that have been won only through the travail and pain of the centuries are at stake. The priceless gift of liberty, with all that it means to a free citizen, is in the balance. These are the conditions, by armed invaders, who are possessed of the very spirit of Satan. The foe has thrown off every pretence of fairness, and is using all his scientific skill to perpetrate the 'cruelest and most horrible atrocities, not only on our soldiers, but on the weakest and most defenceless citizens. As a nation we must see the thing through to victory. Whatever the cost, whatever the strain, whatever the sacrifice, the way must be travelled. To that end everyone must do his part. Our prayer is that we, as Lord's prophets, may not be found wanting in the hour of national peril.

We are told that the people are looking to us to-day for leadership. The trust leadership is that which can so impress the people with the solemn significance of the task that every soul will feel it the highest privilege to have some part and every eligible man will seek to bear the arms of his nation and the colors of his King. We believe it is the solemn duty of every Christian pulpit in Canada to create an atmosphere in which recruiting will be easy.

The appeal is signed by Rev. Byron H. Stauffer of Bond street Congregational Church. Rev. W. H. Hincks of Broadway Methodist Tabernacle, Rev. Daniel Strachan of Rosedale Presbyterian Church, and Rev. Andrew Robertson of St. James Presbyterian Church, representing the association.

Will Avenge His Father's Death "I will avenge my father's death," said John George, a strapping young Russian, who for the past few months had been confined in the Hotel Dieu Hospital. The Whig had an article a month or so ago telling of the killing of this young man's father in action during the fighting in the Carpathian mountains. The young Slav declared he will enlist as soon as he is well—He left Russia a year ago.
