WALDRON'S

SATURDAY'S BASEBALL

VICTORIAS DEFEATED ATHLETICS BY 8 TO 3.

Kelly was Spiked and Had to Retire—Park Nine Took Junior Game From Sapolios by 12 to 5.

The Victorias are still leading the City Baseball League. They scored another victory on Saturday, against the Athletics. That the Victorias would defeat the Athletics was rather a foregone conclusion, but nevertheless great credit must be given to Manager Palmer's nine for their work. At times the excitement was high and the veteran Victorias had hard work in keeping their opponents in check. In the third innings the Athletics made three three-baggers in as many times up at bat, and it looked like a victory for them at that stage, but they broke. The score of 8 to 3 was not an indication of the game as both sides played good ball. The lineup:

Victorias—Laird, lf; Pound, c; Davidson, cf; Somerville, 2b; Dick, ss; Schultz, 1b; Dick, 3b; Kendall, rf; Gillespie, p.

Athletics—S. Toland, 2b; Spoor, ss; Cotman, c; Kelly, 1b; Coyne, lf; Horn, p; Falton, 2b; H. Toland, cf. Truckle replaced Cumming who took the place of Kelly who was spiked in the sixth and had to be taken to a doctor. George Sullivan was umpire.

Park-Nine, 12; Sapolios, 5.

The junior baseball game on Saturday afternoon between Park Nine and Sapolios resulted in a victory for the former team by a score of 12 to 5. The game was a decidedly interesting exhibition and a large crowd of spectators was present. The lineup:

Park Nine—Hammond, cf; Paul, 1b; Smith, p; Hall, c; Stewart, ss; Cleary, lf; Downey, 2b; Shaw, rf; Somerville, 3b.

Sapolios—Smith, c; Abrams, lf; Cherry, 1b; Saunders, p; Thompson, ss; Jacobs, 3b; Baker, 2b; Clark, rf; Twigg, cf.

C. Stewart, Ponies, umpire.

The Standard For Recruits Is Reduced

At last the militia authorities have decided to make minor changes in the physical standard for recruits in the Canadian Expeditionary Force, which will not keep desirable men from enlisting because of being slightly below the original standard. The Government has been criticised for not having lowered the standard some time ago. The age will remain as at present, from 18 to 45 years. The height will be reduced from 5 feet 3 inches to 5 feet 2 inches for all corps except artillery, for which the standard is 5 feet 4 inches. The chest measurement will be 33 inches as a minimum for men between the ages of 18 and 30, and 34 inches for men between the ages of 30 and 45 years.

UNSATISFACTORY RESULTS

That Have Followed the Appeals Made For Recruits.

During his sermon in St. George's Cathedral on Sunday morning, Dean Starr referred to the recruiting question, and intimated that the results of the appeal made in Kingston were very discouraging. The people, he said, did not seem to realize the serious side of the situation in Europe, ignorance of the real conditions, indifference and cowardice were the only things that would keep the young men of the country from enlisting and going to the front.

TORONTO OLD BOYS

Placed Wreath On Grave Of Late Past President Gaden.

Following the usual custom, members of the Toronto Old Boys' Association paid a visit to Cataract Cemetery, on Sunday afternoon, and made a tour of inspection of the graves of departed members. A wreath was placed on the grave of the late W. Gaden, a past president of the association, and a resident of Kingston for many years.

Those who visited Cataract Cemetery officially were: Lieut.-Col. Galloway, president of the association; Thomas Gillen, J. J. Donnell and Redchab Tandy.

Only Bonner Now Confined.

The penitentiary has as boarders four very distinguished guests who have been the source of a great amount of worry to the authorities. Some time ago one of the four men, Kelly, Jones and Bonner, tried to make an escape at the Central station, Toronto, when being brought down from Stoney Mountain, Manitoba, to the Portsmouth institution. Later they were particularly successful in making an escape from the prison by assaulting the guards.

Although this happened some three years ago, the three desperadoes have been constantly kept in the dungeon cells. Two weeks ago Kelly was allowed to take a regular cell and now only Bonner remains in confinement.

Dean Starr's Tribute.

In St. George's Cathedral on Sunday morning Dean Starr extended the sympathy of St. George's congregation to the family of the late Sir Sandford Fleming, Ottawa. The Dean referred to the link with pioneer days of the past that was severed by Sir Sandford's death last week. Sir Sandford Fleming, he said, was an inspiration to the younger generation. His footprints were worthy to be followed.

MONDAY WAS A HOLIDAY IN BARRIEFIELD CAMP.

(Continued from Page 5.)

A despatch has been received from the Secretary of State for the Colonies stating that Canadian soldiers interned in camp at Giesmen, Germany, had been directed to place themselves in communication with Miss Arnoldi, Canadian Field Comports, care of Capt. Dowling, paymaster, No. 7 Millbank, London, S. W., England, in order that their wants may be supplied as soon as possible.

A court-martial will be held in the near future on a private in the 38th Battalion. This private was selected as one of the last draft for overseas service but at the last minute he got "cold feet" and departed for home. The officers are highly indignant that such a thing should happen and bring disgrace on the battalion. It is the first case that has occurred, and came as a surprise as every other man was anxious to go overseas while this man proved what all soldiers defeat the most, a coward. He will likely be given a good sentence and then be discharged.

Capt. Pequegnat, the representative of the Militia Y. M. C. A. with the 1st Battalion, 1st Canadian Contingent, arrived in Canada a week ago and gave an address in the Y. M. C. A. tent on Sunday evening.

The speaker gave a resume of his work since the war broke out. He was at Valcartier when the 1st Contingent was formed and he did the regular Y. M. C. A. work there. At Salisbury Plain he went through the mud and the hardships and gave a glowing account of the material of the Canadian Contingent.

When his battalion went to France he also went across and was in the battle of Neuve Chapelle and at Langemarck. One branch of his work was looking up soldiers at the request of friends at home. He usually received about fifty letters a day with such requests, and this took up a great deal of his time. At Langemarck he assisted the ambulance corps and was affected by the poisonous gases. He contracted appendicitis a short time later, and still shows the effects of his operation.

Capt. Pequegnat left at noon on Tuesday for Toronto, and after remaining a few days there and at Valcartier he will return to the front and continue his work.

Pte. Cattanaach, 59th Battalion, was presented on Saturday with a handsome silver cup donated by Lieut.-Col. H. J. Dawson for being the winner of the highest number of points in the competition held on that day.

The semi-weekly sports under the auspices of the Y. M. C. A. will be held next Monday evening. The events are the 20 yard dash and the running broad jump.

An assault-at-arms will be held on Monday evening next in the Y. M. C. A. tent.

The champion soccer game for the Major Starr trophy will be played on Wednesday evening next between the 8th C. M. R. and the 38th Battalion teams.

At Tete De Pont Barracks.

The examinations for N. C. O's will be held on Wednesday and Thursday.

The next Royal School of Artillery course will open on Monday next.

Patrol Boat Went Ashore.

The Government patrol boat Thyra went aground on Saturday night near Rockport. She left Kingston at seven o'clock and the captain, who was at the wheel, made a mistake at one of the buoys—instead of going to the port side he went to the starboard side. The boat was not damaged, but some of the fixtures were injured by water. It is claimed that a gas buoy has been moved from its former position, which led the captain to believe that the channel ran between the two buoys. The Bonnelly Wrecking Company, Kingston, floated the Thyra, which reached here Tuesday morning for repairs. It only left Kingston Foundry ways last week.

The Late Henry McCutcheon

The funeral of the late Henry McCutcheon drowned at Rome, N.Y., last Thursday and whose remains were brought to his parents' residence, corner of Princess and Alfred streets, was held on Saturday morning. A large number of the deceased's friends were present. At St. Mary's Cemetery the remains were buried. A large collection of choice flowers were placed upon the casket.

The "kiddies" had a great time at the Cricket Field on Monday morning, when the sports arranged for the coming of the old boys were carried out. There was a big attendance of children to compete in the various races, and the little ones enjoyed the event very much. The races were all keenly contested, and the orange and candy scramble was a very amusing feature. There was also a baseball game between boys from the north and south sides of Princess street. The Cubs, representing the south side, won the game.

The committee having in charge the arrangements was composed as follows: Deputy Chief Elmer, T. Timms, J. Hipson, W. Twigg, O. Boyd, Robert Bushell and Peter Devlin.
