### DID UP BANK AND HOTEL

A FORMER KINGSTONIAN IS IN  
PERTH JAIL.

He Secured Money At a City Bank  
And Got Accommodation At An  
Hotel Which He Did Not Pay For.

As the result of forging a note at  
a local bank as well as doing up an  
hotel proprietor of a sum of money,  
a well-known former Kingstonian is  
locked up in Perth to stand a trial  
or make good.

The guilty party going to a local  
bank drew out a sum of money and  
handed back a small amount to his  
creditor. Later he went on a fishing  
trip to the north of Kingston, mak-  
ing Perth his headquarters. At this  
point another bank was done up for  
a sum of money. The latter place  
got into communication with the  
local bank, and the Kingstonian, real-  
izing that matters were becoming  
warm, made his way to Smith's  
Falls. He had not been absent long  
when the chief of police of Perth  
boarded a train and secured the of-  
fender at Smith's Falls. He brought  
him back to Perth; he is now in jail.

### OGDENSBURG FAIR.

A Successful Exhibition For 1915  
Now Fully Insured.

Preparatory work in connection  
with the Ogdensburg Fair, to be held  
September 20th to 24th, is now un-  
der good headway, and most of the  
necessary bookings that will insure  
success in the way of enjoyment and  
instruction have been completed.

There will be given daily a collec-  
tion of high-class acts. Trotting  
and pacing events will be given daily,  
including four \$1,000 stake races  
and eight events in the class races.

There are other attractions under  
consideration that will appeal to the  
grandstand patron. The Midway  
will be all that can be looked for,  
including three rides on first-class up-  
to-date machines. There have been  
added a number of new classes in the  
cattle department.

In order to create additional local  
interest and support, the Ogdens-  
burg Fair will sell a season ticket  
giving an individual admission on  
each of the five days of the fair for  
\$1. The tickets are transferable,  
and will be honored at gate on pre-  
sentation by any one.

A sheltered pavilion for dancing  
will be on the grounds. Daily mo-  
tor-cycle races will be given during  
the fair on the race track. These  
races will be run for blood and good  
purposes, winding up the last day with  
a special long-distance cycle race.

### TROUBLE OVER HORSE TRADE.

Glenvale Brothers Not Guilty Of  
Stealing a Horse.

Justice of the Peace George Hun-  
ter untangled a complicated case on  
Friday morning and gave the decision  
that Roy and Frank Emmons, Glen-  
vale, are not guilty of horse-  
stealing. The case arose over a  
horse deal between the Emmons  
brothers and James McGraw, of the  
same address. The two parties  
traded horses some time ago and  
later because of dissatisfaction, the  
animals were traded back. In the  
mix-up that resulted, the case be-  
came a legal tangle. It will likely  
be tried in Division Court to de-  
termine the ownership of one of the  
animals.

T. J. Rigney acted for the plain-  
tiff and C. R. Webster for the de-  
fendant.

### POLICE WERE CALLED.

Citizen Claimed That Man Was Try-  
ing to Cheat Her.

The police receive all sorts of com-  
plaints. On Thursday they re-  
ceived a telephone call from a wo-  
man living on Queen street. Con-  
stantine Nicholson and Jenkins hur-  
ried to the scene, expecting to meet  
with a row of some character, but  
when they arrived they found every-  
thing peaceful. The lady of the  
house complained that a man had  
called at her place selling goods, and  
that he had attempted to "pull the  
wool over her eyes" by selling her  
something altogether different than  
what he had claimed in the first  
place to have to offer. The wo-  
man refused to be "stung." The  
man in the case had made good his  
escape by the time the constable ar-  
rived.

Men of Sedentary Habits find Rex-  
all Orderlies the ideal laxative —  
their action being gentle and natu-  
ral. Sold only by Geo. W. Mahood,  
The Rexall Store, 196, 25c & 50c  
boxes.

Lieut. Col. Stewart's 84th Bat-  
talion will be made up of "quotas"  
from the Governor-General's Body  
Guard, the 10th Regiment, the 2nd  
Dragoons of St. Catharines, and the  
25th Brant Rifles.

Recommended by all physicians.

stack for the civic incinerator which  
has been turned out at William  
Cochran's blacksmith shop, Ontario  
street, will be ready to be raised

dred feet high and goes on a ten-  
foot base.

### Soldiers on Vacation.

A special train over the Canadian  
Northern Railway left Kingston at  
3 o'clock on Thursday afternoon,  
with four hundred soldiers going to  
Ottawa and Smith's Falls, to visit  
their parents before leaving for Ber-  
muda. The company provided first  
class coaches. They will return on  
Saturday, leaving Ottawa at noon.

### Beautiful New Stock To Choose.

Prevost, Brock street, has this  
year an extra fine assortment of  
tweeds, chevots and serges for his  
order clothing department. His  
ready-made clothing and gents' fur-  
nishing departments are well assort-  
ed with new goods.

### Want to See England.

A brief letter has been received  
from Corp. R. J. Gimblett, with the  
5th Field Battery detachment at the  
front. He says: "Things are very  
quiet here, and our daily routine is  
getting monotonous. We are all  
looking forward to a pass to Eng-  
land, seven days, but my turn will  
not be for over three months."

### Secured The Men.

Major J. Hamilton, assistant Di-  
rector of transports and supplies for  
the 3rd Division, on Thursday, sent  
word to Peterboro asking for three  
motor-transport drivers for overseas  
service. Major Eastwood received  
the order and almost immediately  
Martin Kennelly, Edward Collins  
and Herbert Routley, three well-  
known young citizens of Peterboro  
had enlisted. They will go overseas  
immediately.

### Recalls the Whig Daily.

Private Eden Warren, son of W.  
H. Warren, of the firm of McKelvey  
& Birch, attached to the 2nd Cana-  
dian Battalion in France, writes that  
he saw in the Whig that both his  
brothers passed their examinations  
into the Collegiate Institute. Pie.  
Warren subscribed for the Whig  
about two months ago. A large  
number of Kingstonians who are  
overseas are having the Whig sent  
to them.

### Invalided Soldier Here.

Early Friday morning there came  
to the city R. Temple one of Cana-  
da's brave soldiers who had been  
seriously wounded in the great bat-  
tle of Langemarck. He has  
been invalided home and while in  
the city he dined at the British  
American Hotel where it was impos-  
sible to obtain an interview as he re-  
tired to his bed shortly afterwards.  
He was injured to such an extent that  
he will be unfit for any further ac-  
tive service.

Canadian Channel and returning via  
the American coast. No other

er leaves at 2.15 p.m. Sharp. Home

### Coming Baseball Games.

The baseball games at the Cricket  
Field on Saturday will be contested  
by the Athletic and Ponies for the  
senior game and Regtopols and  
Park Nine for the junior match. For  
the past two or three games the  
Athletics have been deprived of a  
good twirler, but now the manage-  
ment has secured a well-known spit-  
ball pitcher who is attached to one  
of the battalions at Barrieffield. The  
Athletics expect to spring a surprise  
by making use of this newly found

### THE BENEFITS SECURED

TO THE CONVICTS IN THE PORTS-  
MOUTH PENITENTIARY.

The Officers See a Better Spirit As a  
Result of the Changes as Proposed  
By the Prison Commission.

The penitentiary authorities have  
been steadily carrying out the recom-  
mendations made at the Commission  
some time ago and great improve-  
ments have resulted.

In a little colony like the peniten-  
tiary which is so shut away from the  
world new brains are necessary to  
suggest improvements, and for this  
reason suggestions from outside  
sources are carried out to the great  
benefit to the institution. The pub-  
lic do not realize the changes but a  
prisoner and the officers do. A  
small matter, which means a great  
deal to the convicts, has been the re-  
suing of a tooth-brush to every man.  
A few years ago this idea was un-  
heard of. Another improvement is  
the discarding of tin plates and cups  
and use of enamel ware. This has  
been found much more sanitary and  
although there was little expense in  
the change it has brought about a  
great improvement in the spirit of  
the convicts.

The taking away of the insane  
prisoners to Guelph was not to the  
satisfaction of some of the officials  
who received extra remuneration for  
the work.

### CAME TO "PEN" IN AUTO.

Spent Thursday Night in the Police  
Cells.

To be brought to the penitentiary  
in an automobile was the experience  
of William Johnston, who was found  
guilty at Barrie of assault, and sen-  
tenced to two years and six months  
in the penitentiary. Deputy Sheriff  
B. W. Smith arrived in the city on  
Thursday evening, having made the  
trip from Barrie to Kingston in an  
automobile with his prisoner. Ar-  
riving in the city, he placed his pris-  
oner in the police cells over night,  
and on Friday morning called for  
him and handed him over to the  
penitentiary authorities.

### ARRESTED AS DESERTERS.

Police Gathered in Two Men For  
Barrieffield Camp.

Charged with deserting after  
they had volunteered for overseas  
service, two able-bodied young men  
were arrested by Constables Bate-  
son and Naylor on Friday morning,  
and will be handed over to the mili-  
tary authorities.

It appears that the young men  
signed papers to go to the front,  
but that they never turned up at  
camp headquarters afterwards. The  
police were asked to keep a watch  
for them, with the result that they  
were reported absent twenty-one  
days.

### SNEAK THIEF AT WORK.

Robbed a Child's Bank at Home on  
Centre Street.

Sneak thieves are always on the  
rounds looking to see what they can  
get. From time to time complaints  
are received about them, and a warm  
time is in store for the guilty par-  
ties when they are caught.

Thursday afternoon, while Mrs. R.  
Bell, of No. 4 Centre street, was out  
visiting a sick friend, a sneak thief  
paid a visit to her home and robbed  
a child's bank of its contents,  
amounting to eighty-five cents.

the only offenders to take another  
drink if you let me go this time"  
declared Maxam Gamlin.

"That is what you said when you  
were here the last time," remarked  
the Magistrate, as he imposed a fine  
of \$2 and costs.

A youth, who came here from
