CANADIAN RIFLES MAY HAVE A MARCH

Belleville is the Point to Be Visited.

MEN TO BE MOUNTED

THE 38TH BATTALION TO LEAVE MEN IN HOSPITAL

Good Scores Made By a Machine Gun Section.—A Campaign To Raise Funds For the 59th Battalion.—The 59th Had a Twenty Mile Jaunt On Friday.

The 8th Regiment, Canadian Mounted Rifles, is planning a route march to Belleville in about two weeks time, the hundred mile trip to be made in five days. The officers are making the necessary plans and it will be one of the most pleasant rides that the regiment has yet taken. The ride will be in very easy stages so that neither the men or the horses will be tired.

It is planned to leave the camp on Friday afternoon and ride about twenty miles on that day. Transports will accompany the regiment and supper will be served at night. An early morning start will be made on the Saturday morning following and it is expected that Belleville will be reached Saturday afternoon or evening. Sunday will be a holiday for the men and they will be given an opportunity of seeing the sights of Belleville. The return trip will also be made in two days with about twenty-five miles covered each day. It is expected that all of the horses necessary for the complete regiment of 500 men to be mounted will be received in a week or two and the ride will be made shortly afterwards.

The Salvation Army choir gave a concert in the Y.M.C.A. tent on Friday evening.

Pte. Howard Cassidy, 59th Battalion, who has been in the Kingston General Hospital with measles has been discharged.

Pte. A. Murgatroyd, 38th Battalion, a Belgian who has been in the Kingston General Hospital, has been discharged.

The 38th Battalion is leaving fourteen men in hospital here.

Harry Davidson, Guelph, who has been in the camp opened on the refreshment booth of the Y.M.C.A., has been accepted as a trooper in the 8th C.M.R.

The machine-gun section of the 8th C.M.R., were on the ranges on Friday afternoon and some remarkably good scores were made.

Pte. Clerebux, and Pte. C. F. Smith, 38th Battalion, were removed to the Hotel Dieu on Friday.

There are now about forty-five signallers taking the course at the camp. Lieut. G. K. Racham, signalling officer of the 59th Battalion, is in Peterboro on recruiting duty.

Capt. A. W. Gray, 59th Battalion, who has been attending the officers' musketry course at Rockcliffe has returned to the camp.

Four Brockville and four Belleville recruits arrived for the 59th Battalion.

Lieut.-Col. H. J. Dawson, is organizing a campaign for the collection throughout the district of battalion funds.

Capt. W. A. Blue, adjutant, 8th C.M.R., is in Ottawa.

Pay-day for the 8th C.M.R., was on Friday.

Pte. F. Tougas, 38th Battalion, has been discharged from the Kingston General Hospital.

The 8th C.M.R., were engaged in mounted drill on Friday morning and dismounted work in the afternoon. The recruits are showing up

wonderfully and Lieut.-Col. J. R. Munro is highly pleased with the success of the recruiting officers.

Pte. Bell, 59th Battalion, has been discharged from the Military Hospital, Queen street, where he was confined as a result of a mild attack of influenza.

Lieut.-Col. H. J. Dawson, O.C., 59th Battalion, has accepted the second offer for colors for the battalion. The first offer was from Joseph Nash and the second from Richard Waldron.

Lieut. H. Hill, who was such a strength on Queen's rugby team last year, will go to Bermuda with the 38th Battalion on Sunday.

Lieut. J. H. Wallace, 43rd Regiment, is attached to the 38th Battalion.

Lieut.-Col. Thompson, R.M.C., gave a lecture to the officers on Friday afternoon.

The 59th Battalion took a twenty mile route march on Friday. Despite the exceedingly warm weather only a small percentage of the men had to be carried back to the camp. The afternoon drill was not commenced until 3 p.m.

Capt. G. G. Mobery, 8th C.M.R., has fully recovered from a slight operation performed this week at the General Hospital where he was confined for a few days.

GOVERNMENT CONTROL

OF ALL THE-FISH IN DOMINION WATERS

Cold Storage Plants Might Be Distributed Over the Country.—The Desire Is To Provide Fish At Reasonable Prices.

A well thought out scheme is now under careful consideration at Ottawa for the Government to take over full control of the fish output along the great lakes and River St. Lawrence thereby putting out of commission the Fish Trust which, at present, holds the fishery. This trust has secured the services of different fishermen along the shores according to the statement given out by Capt. Alfred Hunter, the inspector for the Provincial Game and Fisheries Department, to a Whig representative who interviewed him on Friday afternoon. These fishermen fit out with nets and all necessary accoutrements. The fish they catch are obtained at a low figure, but the value soars after the fish get within cold storage. Before the war broke out the Government had intended building cold storage plants and compelling the fishermen to sell to it so that the prices could be kept down and have no individual concern corner the market. The war has upset the plan said Capt. Hunter but very soon the Government is going to carry out its plans.

Another matter of much interest was told the Whig by Capt. Hunter, pertaining to the new fish hatchery to be installed by the Provincial Game and Fisheries Department at a point between Gananoque and Brockville. Capt. Hunter is passing over the various districts of fishermen the fishery overseers as to the new license fee of two dollars to be charged non-resident fishermen. The regular two dollar license fee has not been enforced among the non-resident fishermen along the St. Lawrence, but in view of the new hatchery to stock the waters between the points mentioned, the Department has arrived at the conclusion that the fishing license for non-residents should be enforced to help meet the expense.

The license will have to be taken out by non-resident fishermen, Americans, and non-residents of the Province of Ontario, with the exception of cottage owners on the Canadian side, who may be residents of another province but classed as residents for fishing purposes.

Capt. Hunter told the Whig that some opposition has arisen to the license fee especially from residents of summer resorts on the Canadian side who fear that this may have a tendency to keep Americans away from visiting the former's summer resorts. Inspector Hunter told the interviewer that he had discussed the matter with several American fishermen but none offered any objection to the fee as the funds raised will make the resorts all the better for fishing.

Capt. Hunter was very angry, on Friday afternoon, when he saw a crew load of refuse dumped close to the Kingston Foundry wharf. This he asserted polluted the water and destroyed the fish. Not enough care is manifested in the matter declared the inspector.

On Friday afternoon there were two patrol boats tied to the wharf at Kingston. These were the Athene in charge of Capt. Fleming and engineer W. Livingston, and the Thra in command of Capt. J. Brown and engineer George Fleming. The former patrol was between Belleville and Cornwall and the latter between Sault Ste. Marie and Fort William. An interesting story was told by Capt. Hunter about Capt. Fleming who is in charge of the Athene. The sum and substance of it was that the captain never goes out but that he makes a big haul of nets and is dreaded worse than any other patrolman along the waters. The Whig representative was shown some 2,000 feet of nets that Capt. Fleming rounded up on Thursday. There are now twenty-five miles of nets in the Government detention rooms at Belleville captured from illegal fishermen. In due course the Government officials sell these. The Ontario Government has this year made a revenue of \$160,000 from the Fisheries Department.

A FINE COMPANY

Irish Division Commanded By General From Erin.

One of the new branches of Kitchener's army in training now in a camp south of London, is an Irish army, commanded by an Irish general. This is the first time in British history that such a force has been assembled. There have always been Irish troops in the British army, and sometimes they have even been in the majority, but hitherto the largest purely Irish unit has been the regiment. This is the first time that an entire division of Irish troops has been up.

The "Irish Division," as it is technically known, received its first training on the soil of its native isle, and has only recently been brought to England. Soon after its arrival it was inspected by the King and Lord Kitchener, and the latter set his seal of approval by declaring it "one of the finest divisions in the new army."

Obituary Notice.

There passed away at Regina General Hospital, on July 17th, Walter James Stark, eldest son of Mr. and Mrs. James Stark, for years residents of Napanee, but now of Michellon, Sask., Walter, born and brought up in Napanee, was a general favorite, and it was with the deepest regret they learned of his sudden death, after but a two weeks' illness. He was in his twenty-seventh year and his death was caused by rheumatism, which finally resulted in heart failure. After leaving Napanee, about four years ago, he entered the employ of the C.P.R., Railway at Regina. The remains were brought to Napanee by his father, James Stark, on Monday, and after a short service at the residence of Miss Allen, burial took place at Riverside cemetery. Besides the parents, there are left to mourn two brothers, William and Robert.

The Substitute For Vodka.

Elimination of vodka from Russia has evidently started that immense nation tea-drinking. In February last the New York "Journal of Commerce" stated that the quotations were 8c to 10c a pound higher than they were a year previously, and that the Russians were buying all the India-Ceylons available. The price has been advancing ever since.

For Collecting Tolls.

A special meeting of the Civic Property Committee was held on Friday afternoon, for the purpose of receiving and awarding the tender for the collection of tolls at the hay market. The tender of James Grimshaw, at \$285, was accepted. There were two tenders, that of Mr. Grimshaw being over \$40 in advance of the other.

No Longer Will Men On List Say To Magistrate "I Got My Liquor In Portsmouth"—One License Off on Wolf Island.

No longer will members of the "prohibited list" say to the magistrate, "I got my liquor in Portsmouth," for the reason that to-night the license at the two hotels in the village will expire, and they will not be renewed.

W. S. Dingman, vice-president of the Provincial License Board, who spent a couple of days in the city, this week making an inspection, stated definitely that both the hotels would be deprived of their license on July 31, and that there would be no renewal in either case.

The majority of the members of the "prohibited list" in the city are not on the list in the county, and as a result it was a very easy matter for them to go out to Portsmouth and quench their thirst.

On Thursday of this week, a member on the list, was lined up before the magistrate on a charge of being drunk when a member of the "prohibited list".

As a result of the action of the Provincial Board, Portsmouth will go "dry" to-night. One hotel license at Wolf Island will also be cut off and another reduced to beer and wine.

RESERVIST ROUNDED UP.
Regular in German Army Coming to Fort Henry.

Word has been received in the city of a round-up made by the police at Stratford. They arrested Hans Gimikousky. He has been in this country for a year, and was employed on a farm at Tavistock, near Stratford. He was remanded till August 4th and will then likely be brought down to Fort Henry. Several letters written in German were found in his possession, but all were of a personal nature, with nothing that would incriminate him as a spy.
