THEY ARE HARVESTING

CANADIAN PRISONERS OF WAR ARE GATHERING GRAIN.

They Are Mighty Glad of the Change As the Confinement and Idleness Was Telling Upon Them—Treating Prisoners Fairly Well.

An evidence that Germany is hard pressed for men to do the work on the farms in Germany is shown in the fact that many of the Canadian prisoners-of-war have been put to work in bringing in the harvest.

Bryce Davidson, a brother of William Davidson, Pine street, who went overseas with Capt. George T. Richardson, has written home stating that he has been taken from the prison where he had spent many long weeks, and transferred to some other place. He did not state in his letter where he had gone, but letters received in the city from some of the other Kingston boys state that they are all working on the farms.

The boys are mighty glad of the change and the close confinement and nothing to do for so long a period was commencing to tell on them.

From the letters received the Germans are evidently treating the men as well as can be expected. There is one mighty sure thing, that the Canadian prisoners are not receiving as good treatment as the Germans are getting at Fort Henry. The Kingston prisoners-of-war state they had received the parcels which were sent from Kingston.

AT THE POLICE COURT.

Mayor Sutherland Was On the Bench On Monday Morning.

Magistrate Farrell is holidaying, and Mayor Sutherland presided at Monday morning.

Claiming that they had paid for oil paintings, but that crayon work was given them, four very angry women were on hand, to press a charge against a man who gave the name of J. Collins. The latter was charged with securing money under false pretence, but pleaded "not guilty" through his counsel, A. B. Cunningham, and the hearing of the case was fixed for a week from next Saturday, when the magistrate will be on the bench.

Daniel McDonald, who claimed Toronto as his home, was up for being drunk. He was given till noon to head for the Queen City.

William Quinn, although admitting that he was drunk, said he wanted to fight for his King and country, and the getting magistrate told him to "hike" over to Barriefield and get on a uniform.

UNFIT FOR SERVICE.

Private Sherbourne Wilder Pronounced Unfit For Active Service.

Private Sherbourne Wilder, son of Mr. and Mrs. H. S. Wilder, Frontenac street who lost an eye in the battle of Langemarck, has been pronounced unfit for active service. A letter received by his parents on Monday morning states that he appeared before the Medical Board and was pronounced unfit for active service and will be held for home service. It is not known whether he will be held in England or sent home to Canada, where he would be placed on one of the home guards. While in the hospitals in England, Wilder has been given the best treatment.

ON On an Outing.

On Monday morning Cornelius Bermingham and a party of sixteen left Kingston for a cruise up the Rideau Canal to Smiths Falls in two handsome yachts from Alexandria Bay, the Clodagh II. and Choclo. One yacht carried the ladies and the other the gentlemen. Among the latter were William Mulloy, Pittsburgh, Pa.; Dr. Frank Bermingham, New York; L. A. Lyman, St. Louis, Missouri; and A. E. Cunningham, Kingston.

First in Four Centuries.

In connection with the order for the 35th Battalion to go to Bermuda, it is declared that this will be the first occasion since Bermuda has been a British colony—nearly four centuries ago—that any but a regiment of regulars has been detailed for duty on this island. During this lengthy period many of the finest imperial regiments of the British army have been stationed in Bermuda. At the outbreak of the war the Lincoln Regiment was doing duty there. This corps was relieved in September of last year by the Royal Canadian Regiment of Infantry, the only corps of regular soldiers in Canada.

WAS A FINE TRIP.

Saturday's Excursion On the Thousand Islander.

The hundreds who attended Saturday's excursion on the Thousand Islander were indeed fortunate. The stifling heat of the city was left behind and the cool breeze from Lake Ontario, passing down the inside of Howe Island, through the Admiralty Group of the islands, past Gananoque and thence through the Canadian channel, touched the American channel, touching at all the important Thousand Island points one had the satisfaction of feeling that he or she had seen the islands and seen them right. An excellent musical programme was furnished by the Salems Town Commandery Knight Templar Band, Edgar Glynn, tenor soloist of the Primrose & Dockett's Minstrels, rendered a number of choice vocal selections including John McCormack and Chauncey Olcott's big success "There's a Little Bit of Heaven, Shure They Call It Ireland," Mother Macree, "I Hear You Calling Me," "Somewhere a Voice is Calling," being encored again and again. Home was reached sharp at the stroke of eight.

CHEER UP SOLDIER BOYS.

E. E. Horsey, local manager of the Canada Steamship Lines, received to-day a card from Charles Smith, attached to Col. A. E. Ross' Ambulance Corps in France. This was in response to a contribution Mr. Horsey made to the Montreal Gazette Tobacco Fund some two months ago. The big is now conducting a similar campaign, and if the people of Kingston respond with their usual liberal front—including our own Kingstonsians will be cheered by the receipt of gifts of tobacco and cigarettes. In each pack a age sent is included a postcard, giving the name of the donor and enabling the soldier who receives it to write his own card of thanks. Thus every contributor will have the pleasure of receiving a card from a Canadian soldier at the front—and something to be treasured as a memento when this war is over. The cost of packages of tobacco, etc., is 26c for the smaller, and \$1.00 for the larger. Which are you going to send? The Whig will acknowledge and forward free of any charge, all contributions.

A sad drowning occurred at Alexandria Bay on Sunday morning when the steamer St. Lawrence was leaving the wharf for her ramble among the islands. Robert Carr, deck-hand, aged twenty-six years, had been up street, and the boat having moved out from the wharf some few feet, he made a jump for one of the open windows. In doing so he struck his abdomen forcibly against the sill and fell back into the river. He sank and never rose. The body was recovered at 11.30 p.m. by N. Benson with the aid of grappling hooks. SPIT BALL PITCHERS

DID NOT HAVE MUCH EFFECT ON PONIES

The Athletics Were Defeated By Seven To One.—The Scoring Done In The First Six Innings.

The Athletics baseball aggregation staked everything on its new spit-ball twirler, Blackebury for meeting the Ponies team in the senior contest at the Cricket Field on Saturday afternoon. But many of the opposing team and spectators asserted he did not have enough fluid, thereby bringing his team to defeat by the score of 7 to 1.

There was not a time during any portion of the game that any exciting play was pulled off. All scoring was done in the first six innings, the remainder of the game passing over without any further tally being made.

Ponies went to the bat first but Athletics obtained the first and only run in the second innings. Nelson went down to try to centre and left base on balls and scored on Crow's hit.

The fourth innings started the ball rolling for Ponies. J. Stewart got his bag on a hit and J. Walsh, his ball. "Teddy" Saunders and Cherry went out on fly, to centre and left fielders respectively, but Gallagher came to bat and landed out a two bagger scoring both Stewart and Walsh.

The fifth innings was entirely Ponies and C. Toland, H. Saunders and J. Saunders, 3b; C. Toland, ss; J. Stewart, 1b; McKay, c.f.; Cherry, r.f.; Paul took Stewart's position after the third innings.

Athletics—Blackebury, p; Catman, c; Kelly, 1b; S. Toland, 2b; Horn, 3b; Spoor, s.s.; Nelson, 1f; McDermott, c.f.; Crow, r.f.

New York's Biggest Success

"A Little Bit of Heaven; Shure They Call It Ireland"
Sung By Mr. Chauncey Olcott

Have you ever heard the story of how Ireland got its name? I'll tell you so you'll understand from whence old Ireland came: No wonder that we're proud of that dear land across the sea, For here's the way me dear-old mother told the tale to me:

Shure, a little bit of Heaven fell out the sky one day,
And nestled on the ocean in a spot so far away;
And when the angels found it, shure it looked so sweet and fair,
They said, "Suppose we leave it, for it looks so peaceful there;"
So they sprinkled it with star dust just to make the shamrocks grow,
'Tis the only place you'll find them, no matter where you go;
Then they dotted it with silver, to make its lakes so grand,
And when they had it finished, shure they called it Ireland.

'Tis a dear old land of faeries and of woodrons wishing wells,
And nowhere else on God's green earth have they such lakes and dells,
No wonder that the angels loved its Shanrook-bordered shores,
'Tis a little bit of Heaven, and I love it more and more.
