ROADWAY TO THE CAMP IS TO BE MACADAMIZED

By the Engineering Corps at Government Expense.

BELLEVILLE CLERGYMAN

HAS FOUR SONS IN UNIFORM—VISITED CAMP.

The 8th Regiment C.M.R., Leaves On Thursday Morning On Its Trek to Belleville.

The great and famous Russia is represented at Barrieffield camp by forty-five members of the 59th Battalion. These men have been a source of interest to the officers of the camp since enlistment, but there is now not an officer who can say that the service has not obtained a splendid lot of fellows.

The men have for the most part been engaged on railway construction work in different parts of the country, but seeing the conditions of affairs at the front decided to answer the call to arms rather than continue to make money from railway corporations. They are a splendidly built bunch, clean and neat in uniform. The one drawback is that they all do not speak English very distinctly.

The Duke of Connaught when he made his last inspection of the camp took a great interest in the Russians in the 59th Battalion and now each day P. K. Haywood and J. W. Paterson of the Y.M.C.A. staff give them an hour's lecture on the English language. Although these classes have only been going on for two weeks the men are showing a great improvement in their grasp on commands given them. They are like all Russians, rather hard to instruct but once they know what their instructor is teaching, they master the work.

Pte. Shannon, 38th Battalion, who has been in the Field Hospital left on Tuesday for Toronto having received word that his mother is seriously ill.

The camp dentists are engaged in treating the teeth of the men of the 8th Regiment, C.M.R.

The programme of sports for the 59th Battalion on Saturday will consist of a foot-race, potato race, tilting the bucket, pig-a-back wrestling, wheel-barrow race, sack race, egg race, charging a dummy, blind-folded cock-fighting and pillow-fighting. The officers extend a welcome to all friends of the battalion to be present at the sports which will commence at two o'clock.

Major H. R. Wilson, D.A.A. and Q.M.G., had his father, Rev. W. D. P. Wilson, Belleville, as a visitor on Tuesday afternoon. Rev. Mr. Wilson has three other sons beside the major in uniform, and as he expresses it, for a family of Scotch Covenanters they are doing as well as they can. Capt. Donald D. Wilson is in England waiting to go to the front with the Canadian Army Dental Corps, and Sergt. H. V. Wilson, 38th Battalion, is also in England waiting to go to France. Dr. Malcolm Wilson, Belleville, is a captain in the 15th Regiment.

The 8th Regiment, C.M.R., leaves on Thursday for its trek to Belleville. The regiment will leave the camp at 9 a.m., and ride to Napanee, reaching that place in time to get ready for the evening meal and its night's bivouac. Friday morning the regiment will leave for Belleville arriving there it is expected at 5 p.m. The regiment will remain in Belleville until Monday noon. During the interval the men will be given every possible liberty in seeing the sights. The return trip will also take two days, the distance to Napanee being covered by Monday night and the march into camp by Tuesday afternoon.

The Army Service Corps will look after the supplies on the march, part of the transport section accompanying the cavalry.

The 59th Battalion on Wednesday took a route-march down the Gananoque road, dinner being served near Grassy Creek.

Fifty-three recruits for the 8th Regiment, C.M.R., arrived on Tuesday from Peterboro. The men are of a splendid type and all have had previous knowledge of horses which will make them good cavalrymen.

The officers taking the Machine-Gun School course, are daily digging trenches as would be done on the firing line. On Tuesday morning they dug a section of trenches on the south side of the Gananoque road as the soil was here found very deep and no sand-bags were necessary to make the required depth. When viewed at any distance, nothing but grass was visible and not a suspicion of a trench was seen.

The road from Barrieffield camp to Cataract bridge will be macadamized by the Engineers at the camp. Some time ago Dr. J. W. Edwards, M.P., succeeded in persuading the Government to take over the maintenance of this road and their decision has resulted. The road, although oiled by the city, is now very dusty, and is as bad as University avenue as far as roughness is concerned. The Engineers will lay a rough rock base and a finish of fine crushed stone, which after being rolled will undoubtedly prove of great assistance to motorists on wet days in climbing the hill. The stone will be secured at the Government quarry.

O.R.S., Atkinson, 59th Battalion,

is going overseas with the next draft from the battalion. Sergt. Atkinson is from Merrickville.

No patients from Barrieffield camp were taken to the city hospitals on Tuesday.

Pte. Madair, 59th Battalion, who deserted from the camp a week ago and is supposed to have stolen a horse from Mrs. J. Bruce's livery, has been rounded up at Lindsay. The horse and buggy have been recovered near Stirling and will be brought back to the city.

A splendid library has been formed in the Y.M.C.A. tent and the soldiers are developing quite a literary taste.

Major Anderson, 45th Regiment, brought twenty-three recruits from Lindsay for the 59th Battalion.

Lieut. A. G. Thomson, 40th Regiment, Lieut. A. MacLachlan, 59th Regiment, and Lieut. F. M. Hunter, 59th Regiment, have reported for duty with the 59th Battalion.

P. Sheppard, A. V. Newby, D. Sinclair, T. Murphy and J. Nicholson, R. Maddock and W. J. Noble enlisted at Barrieffield with the 59th Battalion.

William Hallett, 14th Regiment, has transferred to the 59th Battalion.

Every available seat in the large Y. M. C. A. tent at Barrieffield Camp was filled on Tuesday evening when a number of the members of the Epworth League of Sydenham Street Methodist Church put on a concert. The programme consisted of solos, recitations and a dialogue. Every person who took part was encored.

The following contributed: Miss Olive Woodman, Miss Tweedell, Miss Irene Hoag, Miss Florence Vallau, Miss Violet Posselwhite, Messrs. J. Alexander and Harold Angrove, Miss Pearl Blyth played the accompaniment.

The following took part in the dialogue: Miss Violet Posselwhite, Miss Erma Vallau, Harold Ettinger, Harold Trotter, Harold Ettinger, Lloyd Greenless and Angus Bond.

The solo, "Keep the Home Fires Burning," sung by Miss Florence Vallau, was greatly appreciated by the soldiers. This solo is sung by the British soldiers in the trenches in France and the training camps in England.

After the entertainment the league members were entertained by the Y. M. C. A. officers. Capt. the Rev. Canon W. F. Fitzgerald acted as chairman.

"A" Company, 59th Battalion, defeated "B" Squadron, 8th C.M.R., in a soccer game by 1 to 0. A baseball game between "A" Company and "B" Squadron, 8th C.M.R., was also a victory for the infantry by 17 to 14. A baseball game between teams from "A" Squadron, 8th C.M.R., and "B" Squadron, 59th Battalion, will be played on Wednesday evening.

Rev. A. E. Runnells will give an evangelistic address in the Y.M.C.A. tent this evening preceded by a "sing-song" by the soldiers.

Tete de Font Barracks. There are over 200 officers and N.C.O.'s attending the Royal School of Artillery, the largest number that has yet taken this course. The excessive number means a great amount of extra work on the instructional staff, the lecture-room being particularly inadequate.

Examinations in foot-drill for the officers and N.C.O.'s taking the R.S. A. were held on Wednesday.

A wrist watch was stolen at the barracks on Tuesday evening and the city police are working on the case.

The names of the recruits attested on Tuesday are: W. W. Tomkins, O. King, W. T. Chiddenden, W. A. Couch, A. Duffy, J. G. Boyd, P. Kelly, J. Elliott, H. O'Leary, H. Coulter, M. Durie, T. Rowe, sr., T. Rowe, jr.

Vaudeville At The Grand.

The Grand Opera House was again filled to capacity last evening. The splendid drama of "The Unafraid," with Rita Jolinet in the stellar role, was the feature play. The Pathe views picturing the Allied fleet in the Dardanelles were interesting. Edward and Helen LaNole in their comedy acrobatic and trombone act made a hit with the audience.

On Thursday evening a new programme will be presented. The Famous Players Film Company will present the famous military drama, "The Commanding Officer," with Alfie Dovey in the role of "Floyd Bingham," a play which stirred the two continents. There will be Pathe pictures and also a Mutual and comedy photo-play. An excellent new vaudeville act will also be presented.

At Lake Ontario Park.

There was a very large attendance at Lake Ontario Park last evening. The pavilion was filled. Gordon Bros. gave a fine exhibition of cycle riding and their daring acrobatic feats on the unicycle drew forth repeated applause. Prof. Friszo, the illusionist and magician held the interest of the crowd by his mysterious tricks.

On Thursday evening there will be an entire change of programme, including new vaudeville acts and moving pictures.

Taking Big Fish.

On Sunday, Charles Rolfe, Watertown, N.Y., caught a mackinaw at Three Mile Bay, N.Y., weighing thirty-one pounds. One weighing twenty-eight pounds was caught at the same
