THE NEW 33RD BATTERY ABOUT HALF RECRUITED

There Were 74 on the Roll on Wednesday.
A RIDE TO BROCKVILLE

MAY BE TAKEN BY THE 8TH C. M.R.

Preparations Being Made At Camp For the New Batteries.—Two 8th Officers Go To Ottawa For Musketry Instruction.

The 33rd Battery under Major W. Sears is getting along splendidly and will soon be up to strength. On Wednesday the roll-call showed seventy-four men on the strength and they are seventy-four of the best men in camp. Recruits are being taken on the strength in different parts of the division, and it will not be long before the 33rd Overseas Battery is up to full strength. If there are any Kingstonsians who have not yet applied it would be advisable to see Major Barrett at his recruiting office on Market street immediately as the 150 men necessary to bring the battery up to strength will not be long getting together. Lieut. Col. W. J. Malley, brigadier of the 9th Artillery Brigade, was a visitor in the artillery lines on Wednesday afternoon and paid Major Sears a deep compliment on the appearance of the men. A few days ago there were no tents, nothing but a broad open field across the creek at the east of the camp. To-day there are four long lines of white tents with marquees at the north ends where the cooks are very busy. The messing, despite the fact that the camp has only been organized a few days, is splendid.

Lieut. Huycke acting instructor of the battery and has the men out every day on foot-drill physical drill and for other elementary work. They are trying hard and doing well.

Major J. Hamilton, A.D. of S. and T., is in Ottawa, on military business.

Lieuts. H. G. Rogers and H. L. Manguy, 8th C.M.R., left on Wednesday to attend the school of musketry at Ottawa.

Uniform will be issued to the 33rd Overseas Battery in a few days.

The men of No. 5 Field Company, Canadian Engineers, are always hard at work looking after the many alterations necessary in a camp of 2,000 men. On Wednesday they were busy building shower-baths for the men of the 33rd Battery, extending a drain in the 50th Battalion lines and making a concrete base for an engine being installed at the wireless plant.

There are now twenty-four men in the 34th Battery at the camp. This battery is at the extreme east of the camp opposite Cartwright's gate and is temporarily in command of Lieut. Johnston, "C" Battery, R.C.H.A. Major Massey, O.C. of the battery is away on recruiting duty.

Major McKenzie, O.C. of the 32nd Battery, arrived at the camp on Wednesday afternoon and will look after the erection of tents and arranging for the reception of the recruits who are expected to arrive from Ottawa this week.

The 50th Battalion is holding a route-march to Kingston Mills to-day. It is planned to serve dinner from the field-kitchens at the Mills.

The remainder of the men of the 8th C.M.R. were paid on Wednesday afternoon by Capt. Ferguson.

The officers of the 8th C.M.R. wish to express their thanks to Messrs. Reid and Macfarlane, Shannonville, who were responsible for giving the men of the regiment the best "feed" they have had in many days. The farmers from all over the country donated food and the lunch proved to be a full course dinner.

The information was given out on Wednesday that it was quite possible that the 8th Regiment would take a route-march to Brockville in about two weeks. Arrangements are being made. Lieut. Col. J. R. Munro realizes that route-marches are splendid for training the men both in equitation and in discipline, and breaks the monotony of camp life.

To say that the men enjoyed the Belleville trip is putting it mildly. The announcement that the next trek would be to Brockville had found favor with the men.

It is reported that "Tpt. Paddy" Walsh was discovered at Napanee on Tuesday morning tied to the bed and he is still wondering who did this mean trick to him.

A long list of men who have been given regimental numbers and assigned to companies was issued on Wednesday in the 50th Battalion orders.

O. L. Evans, R. L. Lucas, and A. A. Champagne have reported for duty with the 50th Battalion.

Major H. R. Wilson is in Ottawa on duty.

Five recruits for the 59th Battalion arrived from the 41st Regiment on Wednesday afternoon.

An interesting game of baseball was played in which the N.C.O.'s of the headquarters staff defeated the officers of the Provisional School of Infantry by a score of 11 to 10. The line-up was:
Staff N.C.O.'s—Gilliece, 1st; Walker 11; Orr ss; Reid, 2nd; Harte p; Dow, 3rd; Graham c; Noble rf; Martin and Moran of.
Officers of P.S.I.—McCormell 11; Schiagt, ss; Mason 2nd; Crowe, p; Williams, 3rd; McPherson c; Gomme rf; McDonald cf; Latourney, 1st.
Score by innings:
Staff N.C.O.'s—1 1 0 8 0 1 7 11
Officers P.S.I.—2 5 0 1 0 0 2 10

"C" Squadron, 8th C. M. R., defeated "B" Company, 59th Battalion, by 4 to 0.
"A" Company, 59th Battalion, played the overseas draft, and the game resulted in a draw.

In baseball, "C" Squadron, 8th C. M. R., defeated "B" Company, 59th Battalion, by 21 to 5. The M. G. S., 8th C. M. R., defeated "A" Company, 59th Battalion, by 16 to 4.

Capt. W. F. Fitzgerald and Capt. Milton, staff chaplains, were in charge of the meeting in the Y. M. C. A. tent on Wednesday evening, each of the chaplains giving a short address, followed by the singing of illustrated songs. These meetings will be held every Wednesday.

This evening a baseball game will be played between the N. C. O.'s of the headquarters staff and the men of No. 5, F. C. C. E.

Pte. G. E. Doxsee, 59th Battalion, is in the Field Hospital. He is a brother of Lieut. Doxsee, Campbellford, who was killed at Langemarck by a sniper.

J. W. Patterson, physical director of the Y. M. C. A., leaves to-night for his home in Hamilton, and P. K. Haywood will look after the work in future.

"A" Squadron, 8th C. M. R., will play "D" Company, 59th Battalion, and "C" Company, 59th Battalion, will play "B" Squadron, 8th C. M. R. In the baseball series this evening.

Thirteen recruits arrived on Thursday morning for the 34th Battery at Barriefield.

Tpt. Fairbairn, 8th C. M. R., is in the Field Hospital with a sprained ankle.

At Tete de Pont Barracks.

All the examinations in foot-drill and about half in the harnessing drill for the men taking the Royal School of Artillery course, have been completed.

Gunner Dechantall, R. C. H. A., has received a letter from his brother in the signalling section of the 21st Battalion, which states that camp rumor has it the battalion will not go to the front before November.

H. A. Pearson, J. W. Anson and C. Worth have been given positions as drivers in "C" Battery. All three are good men, who have seen a great deal of service, and are present in uniform.

Promotions caused by the drafting of men for overseas service were announced in "C" Battery orders this morning.
