King Victor Emmanuel III. is a curious mixture of the democratic instincts which he inherited from MAIO Savoy and the strict training of military governors, whose authority over him as a boy is said to have surpassed that wielded by King Edward's

menters, The tradition of the Savoyard kings has been rather that of a cheerful bluffness than of diplomatic skill, but in the case of the present King a fairly long teaure of a'throne more secure than that held by his father and grandfather, and the mollifying influences of Rome, have formed a more courtly bearing. Yet he does seem to have inherited that genius for ceasing to be the King in order to become the man and the brother. King Victor, fiercely moustached, if of few inches, moves like a thunderbolt across country when news comes of any of those manifestations of nature's restlessnes, which torment the people of the peninsula. He arrives by motor, and is at once "all over" the stricken district. That counts a good
