******* LONDON GLOBE REBUKED

Its Attacks On Prof. Schusten Called Ignorant Malice.

London, Aug. 28 .- The Globe, an evening paper, which has become conspicuous among journals engag ing in anti-alien agitation recently made an attack on Professor Arthur Schuster, who has been chosen to preside over the forthcoming meeting of the British Association.

The Manchester Guardian rebukes the Globe, saying: "There are few more honored names in connection with our university than that of the man who, because of his name, and because of his birth, the Globe in its igorant malice, calls upon men of science in this country generally to

modify her submarine policy, were "Happily, the readers of science von Tirpitz, head of the German Ad- instructions from the Globe, and the Although the German Admiralty dition are far removed from such at
