TALK OF SMASH THROUGH SER-BIA AND BULGARIA.

Is Regarded as Such-The Balkan

By the Austro-Germans.

London, Sept. 1 .- The Daily Chronicle's diplomatic correspondent

Says > "It would be only fulfilling the malicious intentions of the central powers to accept the present military demonstration on the frontiers of Serbia and Roumania at its face value.' Its purpose in the most favorable circumstances must be more political than military. The expense of the suggested German planto break through Serbia and Bulgaria to Constantinople, even if .it proved successful, which is decidedly improbable, would be out of all proportion to the military value of the achievement. Any fresh attack on Serbia will certainly recreate the Balkan League, and such a contingency-bringing into action against the Teutonic powers over 1,250,000 men-German diplomacy cannot possibly contemplate.

"It seems most likely, as a reliable authority remarked yesterday, that the latest military move on the part of Austria and Germany is intended doubly as a sinister support of the political projects their agents are assiduously advancing in Sofia and as a further menace to Rouma-Meanwhile the last-named state, I learn from a well-informed source, is steadfastly rejecting alternately coercive and conciliatory advances made by Germany concerning the transport of munitions to Turkey.
