**ON BARRIEFIELD HEIGHTS
 WITH THE OVERSEAS**

Although no definite word has been received from the Militia Department at Ottawa, it is generally believed that the 80th Battalion, which is now being mobilized at Barriefield Camp, will be billeted at some other place than Kingston during the winter months. Col. T. D. R. Hemming, when asked about the matter on Wednesday afternoon, stated that he was not in a position to say definitely what would be done, but he was almost certain that the 59th would stay in Kingston.

Few people realize the position that the Department at Ottawa faces when so many towns and cities are asking that give a soldier's quarters during the winter months. The three batteries mobilized at Barriefield will likely be quartered in Kingston this winter.

When one takes in consideration the number of soldiers who have been located in Kingston since the war was declared, the Limestone City has no "lack coming."

Captain James Stewart, son of Postmaster Stewart, who has recently returned from the firing line in France, will give a talk to non-commissioned officers and men of the 32nd, 33rd and 34th batteries at camp on Thursday afternoon. He will give the men some idea of what they must expect to put up with when they cross over, and also some experiences which the artillery brigades have had through the past months that he saw active service.

The 80th Battalion is gradually increasing in number. When the roll call was taken on Tuesday only thirty-four responded. Almost 150 men answered the roll call on Wednesday at six o'clock. On Wednesday afternoon about 125 men recruited at Smith's Falls, arrived in the city, and immediately went over to the camp grounds. After signing the necessary papers they were assigned to their quarters. The men who arrived on Wednesday were certainly a fine type. Most of them carried their belongings on their backs. About fifteen of the 80th officers who have been accepted have commenced their duties.

Sergt. Franklin, formerly of the 39th Battalion, who is to be appointed battalion sergeant major of the 80th, arrived on Wednesday. Sergt. Franklin, who has seen about twenty years of service, intended going overseas with the 29th Battalion, but was taken down with scarlet fever a few days before he sailed, and for that reason was compelled to remain in Canada.

Lieut.-Col. Ketcheson, officer in command of the 80th, when asked by the Whig about the band, stated that he would have both a bugle and a brass band, as it all depended on the men who enlisted.

It is expected that about 125 men who have enlisted in Ottawa will arrive in the city on Thursday, and will be attached to the 80th.

Robert Aikin, of the Orillia Y. M. C. A., has arrived in the city, and has charge of the religious work of the militia. Mr. C. A. A. Sweetman, who has looked after the work, has left for Ottawa, where he will conduct the Y. M. C. A. work for the 7th Battalion.

The library which has been introduced by the "Y" officials is greatly appreciated by the soldiers. Some of the books were donated from the different Carnegie libraries.

The C. P. R. telegraph service, run in connection with the "Y" work is a great attraction for the men.

 INSPECTOR WYLLIE
 Orphans' Home and Will Not Receive Age Over a Certain Age.
 The first meeting of the Orphans' Aid Society held on Wednesday, Sept. 2nd, was a success. Mr. W. H. Wyllie had questions to present. Probably the liveliest of the evening was the report of the older boys, who stated that they were going to bet on the horse race. Mr. Wyllie stated that he would be well making the trial yet. Both the Orphans' Home for Friendless Children served notices upon the older boys, and the Inspector stated that he would be well making the trial yet. Mr. Wyllie also stated that he would be well making the trial yet.
