Phone 1657.

Wolfe's Schnapps

Aromatic Schiedam

Australia alone consumed nearly 2,000,000 bottles last year.

(HOLLANDS GIN)

"The Beverage that Benefits"

Not simply a thirst quencher, not merely a stimulant, but just the purest most health infusing spirit that has ever been produced.

Excellent as a "pick-me-up" tonic and most beneficial in its effect on the liver, kidneys, and other organs. Vastly superior to ordinary gin.

Obtainable at all hotels and retail stores.

Wolfe's Schnapps Gin is distilled and bottled in Holland.
Jas. McFarland, Kingston Distributor

ON BARRIEFIELD HEIGHTS WITH THE OVERSEAS TROOPS

According to the ration sheet of the Army Service Corps, there were 3,753 men under canvas at Barriefield camp Friday. By the time that the 30th Battalion is fully mobilized the number will be increased to about 4,700 provided no drafts leave in the meantime.

At the present time the 59th Battalion is drawing the largest quantity of rations. The strength of the unit is as follows: C.A.S.C., 83; C.P.A.S.C., 25; No 5 Company of Queen's Engineers, 29; C.M.R., 1,242; 59th Battalion, 1,400; Field hospital, 60; Y.M.C.A., 96; Headquarters staff, 82; camp fatigue, 37; officers training corps, 50; 32nd Battery, 69; 33rd Battery, 188; 34th Battery, 190; officers attached to the three batteries, 15; 90th Battalion, 150.

The number of men under canvas is the largest since the men went to camp in May. At the time the 38th Battalion was at Barriefield the attendance was very high but not quite as large as at the present time.

The records show that during August rations were issued for 69,000 men and for 12,000 horses. The following is the scale of rations issued to each man daily: Bread, 1 lb.; meat, 1 lb.; potatoes, 1 lb.; bacon, 2 oz.; beans, 2 oz.; jam, 2 oz.; butter, 2 oz.; sugar, 2 oz.; vegetables, 6 oz.; cheese 1 oz.; split peas, 1/2 oz.; salt, 1/2 oz.; coffee, 1-3/4 oz.; milk powder 1-2 oz.; 1 1/4 lb. of bread or 1 lb. of biscuit, if bread is not obtainable. Oatmeal, flour, rice or beans 2 oz., dried prunes or jam 2 oz.; two rations of coffee or two rations of tea instead of one of each.

The largest batch of bread turned out of the ovens in one day since the men went into camp was handled by the Army-Service Corps men in charge of Staff-Serjt. Joseph the bread was 8,184 pounds. At four o'clock on Friday morning the bakers were on the job and were busy until ten o'clock at night. Three batches were turned out by the fourteen men. The tins in which the bread is baked will hold two loaves weighing eight pounds in all.

The big rush on Friday was caused by the arrival of the 8th C.M.R. While that unit was away at Brockville, the issue dropped away down. There is always a big rush on Saturday, as enough bread has to be baked to last over the week-end.

The two men employed in the Central post office have a big job. Some days almost five thousand letters are received at the camp, while about that number are also sent out. The general average is about four thousand. There are two clerks in the office of the camp. When the mail arrives at the Central post office, it is taken to the orderly tent of each unit by two men detailed for that work. The post office clerks issue money orders and sell postage stamps.

Rumor had it that Sir Sam Hughes, Minister of Militia, would come to Barriefield camp this week to make an inspection, but it is thought he cancelled his visit and ordered Col. T. D. R. Hemming to report at Ottawa for consultation on Thursday and Friday. It is thought that the trip of Camp Commandant to Ottawa was for the purpose of talking over matters in connection with the wintering of volunteers of the 3rd Division.

It has been impossible for the officers of the 80th Battalion to do much work on account of the non-arrival of the recruits who have enlisted in the different towns. For two or three days the commanding officer has been expecting a large number of men but on Friday only about one hundred and fifty had reported. There are about 150 at Ottawa and some at Petawawa anxiously waiting for the order from Ottawa to be received to proceed to Kingston.

The men who have arrived are being used for fatigue work, such as fixing up the camp grounds and tents.

Five patients, who had been admitted to the Field Hospital, were removed to the Hotel Dieu and the General Hospital on Friday afternoon.

A well-digger is at work on the camp grounds digging a well for the use of the caretaker. It is intended to sink a well about thirty-five feet. After the well-digger completes this work he will make one of the other wells about forty feet deeper.

On Friday a number of the men of Queen's Engineers Corps were busy installing electric lights on the portion of the ground used by the camp headquarters. The electric power will be obtained from the city.

Things were very quiet around the lines of the 59th Battalion on Friday on account of the men being out on a route march. The battalion left the grounds at eight in the morning and returned about five o'clock. They went out as far as Lemoine's Point where some tactics were gone through.

This week is chaplain's week at the Militia Y.M.C.A. On Friday evening, Rev. G. J. Campbell gave the address. The men under canvas evidently appreciate the work of the "Y" which is shown in the fact that almost five hundred attend some of the meetings.

From the time the men of the 8th C.M.R. returned on Thursday evening until noon Friday they were busy cleaning up the horses and doing other necessary work. On Friday afternoon they were vaccinated.

Major, S. A. MacKenzie, officer commanding the 32nd Battery, received 37 more men into his ranks on Friday afternoon. These men were recruited in Toronto by Capt.

Johnson. Twelve men arrived from Ottawa late Friday afternoon and reported for duty. At the present time the battery is about two hundred strong.

The men of the 33rd Battery are going to attend the baseball game at the Cricket Field on Saturday afternoon when the team from that battery will meet the Victorias, champions of the City Baseball League, in an exhibition game.

The 34th Battery men are becoming expert swimmers. The commanding officer has purchased for each man a bathing suit, and allows them to parade to the lake each afternoon for a duck.

One of the pumps at the water power house gave some trouble during the past few days, but it has been repaired. The area was out of the three running all the time.

Elginburg Wedding.

The marriage took place at Elginburg on Sept. 8th of Miss Kathleen Orser, daughter of Herbert Orser, Glendale, and William Irvin, son of John Irvin, Elginburg. The ceremony was performed at the parsonage by Rev. E. Codling. The groom is a cheesemaker at Elm Grove factory. Mr. and Mrs. Irvin left on their wedding trip to Toronto, to be the guests of Mr. Irvin's sister, Mrs. Walter Belsay. They will reside at Elginburg.

IN THE CLUTCHES OF RHEUMATISM

The Great Suffering of a Calgary Lady Before Relief Was Found.

There is still a very prevalent belief that rheumatism is due to cold or wet weather. This belief is probably due to the fact that when the blood is thin and watery there is an acute sensitiveness to atmospheric conditions and a change to wet weather often means a return of the excruciating pains. Rheumatism, however, is rooted in the blood, and it can only be driven from the system by building up and enriching the blood. Hot baths and outward applications of liniment may give temporary relief, but cannot cure. If the disease is not attacked through the blood, it simply fastens itself more firmly on the system, and the sufferer ultimately becomes hopelessly crippled. The truth of this is proved by the case of Mrs. Frank Ford, of Calgary, Alta. Mrs. Ford says: "I was an almost helpless cripple from rheumatism. It seemed to have settled in every joint. My arms and hands had to be bandaged. My ankles were so swollen that I had to use crutches. After doctoring me a long time and growing steadily worse, the doctor advised me to go to Banff Springs. I stayed there for eight weeks taking daily baths and returned home poorer in pocket by about \$150 and not one bit improved in health. I then entered a local hospital, but did not derive any benefit. I was in such constant pain that I almost wished to die, and I felt sure I would be a lifelong cripple. It was at this stage that a friend who had been greatly benefited by Dr. Williams' Pink Pills urged me to try them. I began the use of the Pills and after taking them a few weeks the swelling in the joints began to go down and the pain was relieved. This greatly encouraged me and I continued the treatment until in the course of three months the cure was complete. I had thrown away my crutches, could walk anywhere and do my own housework, and I never felt better in my life than I do at the present time, and all this is due to the use of Dr. Williams' Pink Pills. I have also given the Pills to my daughter who suffered from anaemia and she was gained in flesh and became a strong healthy girl."

If you are suffering from rheumatism or any weakness of the blood give Dr. Williams' Pink Pills a fair trial and they will speedily restore you to health and strength. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

Wedded at Gananoque.

A quiet wedding was solemnized at the Free Methodist Church, Gananoque, on September 8th, at 7 a. m., when Miss Hazel Slack, Sand Bay, was united in marriage to Harold Tye, Lyndhurst. The bride was assisted by Miss Lola Johnston, Sand Bay, while the groomsmen were William Tye. The bride looked charming in a handsome gown of white silk, and carrying a beautiful bouquet of asters. Her travelling suit was of brown serge with hat to match. After the ceremony the happy couple left for Brockville. On returning they will reside near Lyndhurst.

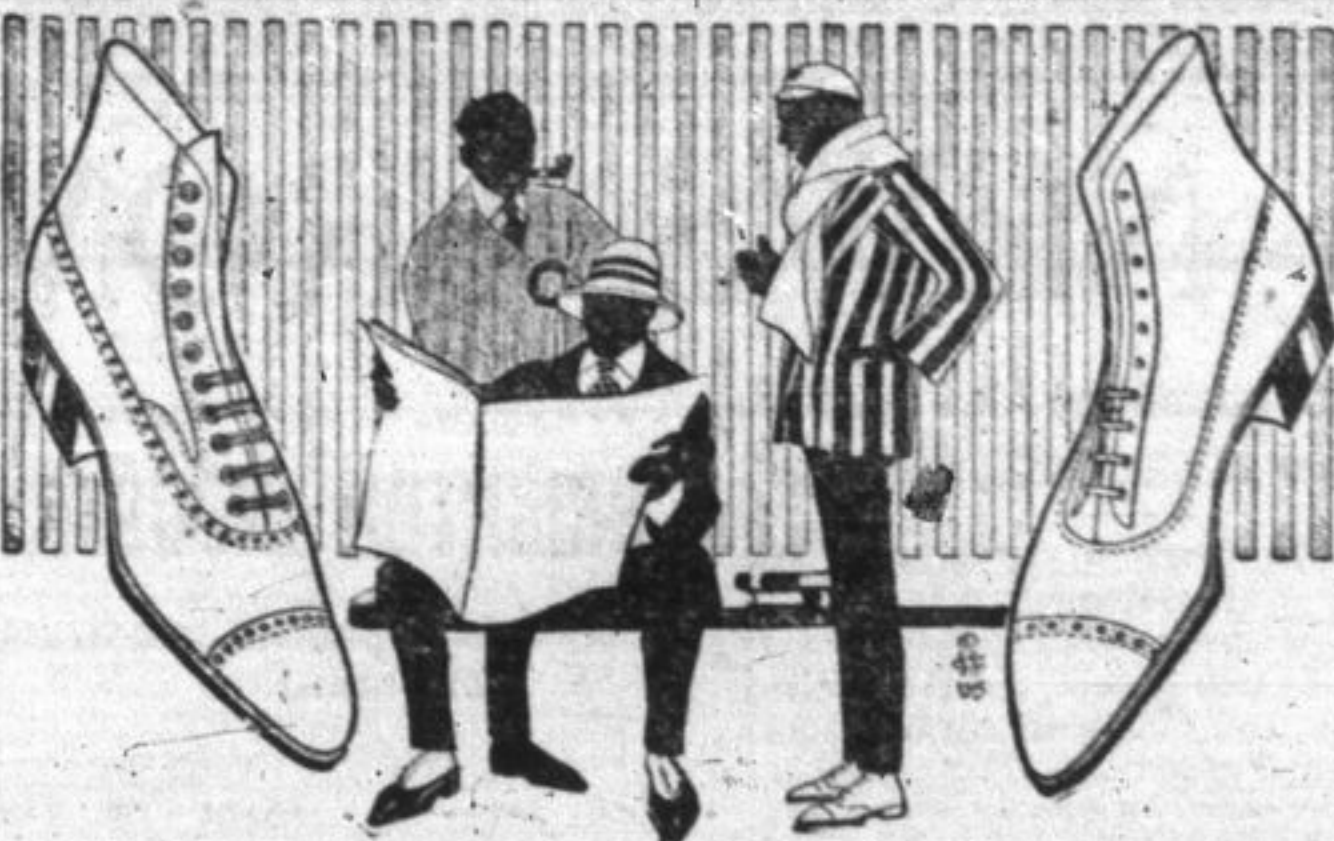

RHEUMATISM GOES IF HOOD'S IS USED

The genuine old reliable Hood's Sarsaparilla corrects the acid condition of the blood and builds up the whole system. It drives out rheumatism because it cleanses the blood.

It has been successfully used for forty years in many thousands of cases the world over.

There is no better remedy for skin and blood diseases, for loss of appetite, rheumatism, stomach and kidney troubles, general debility and all ills arising from impure, impoverished, devitalized blood.

It is unnecessary to suffer. Start treatment at once. Get a bottle of Hood's Sarsaparilla from your nearest druggist. You will be pleased with the results.

Popular Styles for Men

This fall the English patterns are mostly shown—they are neat and this should encourage the sale of them—men who are particular about their feet should visit our store and inspect our new patterns.

- Box Calf—
- Gun Metal Calf—
- Patent Colt—
- Vici Kid—
- Dark Tans—

Abernethy's

FALL HATS

Your appreciation of style, our service and our hats have made this hat store one of the institutions of the city.

It's a source of keen satisfaction to us to see the great numbers of customers who come to us season after season for their hats.

Now is the time to drop in and see our new fall styles at

BREAKERS OF SABBATH

CONDEMNED BY REV. MELVIN TAYLOR, GANANOQUE. Who Wants the Lord's Day Alliance To Get After People Who Ride About In Automobiles On That Day.

The Kingston District Methodist meeting met again on Friday afternoon in Princess Street Church. The chairman, Rev. Melvin Taylor, Gananoque, dealt forcibly regarding breakers of the Lord's Day Alliance should endeavor to go after those Sabbath breakers who think more of riding around in an automobile than attending divine worship. There are also many other citizens, said the speaker, that threaten to ruin God's work. He urged that more attention be given by the pulpits to this matter.

Rev. G. S. Clendinning drew up a resolution recommending that the Lord's Day Alliance urge this most important subject upon the people at an early date.

Previous to Mr. Taylor's address, Rev. J. A. Waddell, Seelye's Bay, presented a report on Sunday School work throughout the district, emphasizing the necessity of Home Department work and the observance of Decision Day. T. P. Harrison's resolution embodied that greater interest should be taken in Sunday School work if greater things are to be expected of the church.

Rev. Mr. Clendinning addressed the meeting for some little time upon the influence and interest of young people's work over this district. Mr. Clendinning proposed that at the next district meeting a convention be held and representative young people interested in the work be called together.

The Social Service and Evangelism question was dealt with by Rev. L. M. England, Cataragui, who voiced his opinion that greater attention to the social message of the church should be paid.

Another district meeting will be held in November at Cataragui. A committee comprised of Rev. L. M. England, Rev. G. S. Clendinning, Rev. J. A. Waddell, Rev. G. I. Campbell and Rev. Melvin Taylor, was appointed to look after the arrangements.

Before concluding, Rev. Mr. Hollingsworth and T. F. Harrison moved a resolution of thanks to the ladies, who had shown their hospitality in preparing such a delicious luncheon at the noon hour in the Sunday School room. Mrs. Brebner and Rev. H. E. Curry made suitable acknowledgments.

"A 25c Baby Cough Syrup," 15c, at Gibson's Red Cross Drug Store. Many a rich man will probably find it as difficult to enter the kingdom of heaven as he finds it easy to keep outside a mundane jail. "Hudnut's Toilet Water" at Gibson's.
