## RUSSIANS SHATTER THE AUSTRIAN WING

Throw it Back Twenty Miles in Southeast Galicia---Germans Lose Severely Before Tarnopol---Enemy Brought to Halt Southeast of Riga.

an right wing has been shattered and the German trench line. thrown back nearly twenty miles in. Lively artillery actions continue the fighting in south-east Galicia.

Strypa and now occupy positions on they have been devoid of important The number of Austrian prisoners portance occurred last night. exceed 30,000. Official despatches to-day indicate that the Austrian re-

treat extends northward -to near German divisions are making desperate efforts to stop the Russian ad: Greece, Serbia and Roumania as to 1888, the date to be fixed by the Minvance by counter-attacks and have the concentration of troops on her ister of War.

Tarnopol.

The Austrians who attempted to approach Royno have been beaten back and are under heavy attack in the Royno-Dubnow fortress district. From Royno north to the Baltic the situation was described as most optimistic in to-day's official des patches. The Germans, south-east of Riga, appear to have been brought to a halt.

#### German Depots Exploded.

(Special to the Whig.) Paris, Sept. 16 (official).-The suburbs of Arras, already partly in ruins, were subjected to heavy bombardment by German gunners last night. Buildings were sent toppling into ruips and several fires were strictly secret. started. The French artillery quickly got range of the German batteries United States and Germany will be This instrument enables Dr. Inand the bombardment ended.
