Greece and Roumania.

Athens, Sept. 23 .- It is reported here that the Greek and Roumanian Governments will at once issue mobiization orders.

War Tidings.

Berlin announces that commanders of "U" boats, when in doubt about a ship, are to let her alone rather than risk an error.

Australia has sent 76,000 men to the war zone, and among these there have been 13,976 casualties, 3,032 having lost their lives.

All male Serbian subjects between the ages of eighteen and fifty who are residing in the United Kingdom are ordered to report themselves to their consuls prepara-

tory to rejoining the army. Eight biplanes presented to the British Government by the Overseas Club were commissioned for service on Wednesday. They include three from Canada.

The artillery bombardment continued with great fierceness on Wednesday on the western front. Aeroplane observers reported huge gaps in some quarters that Bulgaria is torn in the German defences, which
