GREATER NUMBER

At Renfrew Fair Than In Former Years.

Renfrew, Sept. 23.—The preliminary day saw a greater number of exhibitors at the fair than in former years busily arranging their displays. Every space in the new armories has been taken, and many applicants had to be refused. This is owing to so many outside firms having engaged space some time ago. Some \$4,000 is offered in prizes for live stock, horticultural and agricultural productions and the handwork of dwellers on the farm. There are special dairy herd and dairy test and Women's Institute extras, and every effort is being made to keep up the reputation of Renfrew fair, the great horse fair and apple show of the Ottawa Valley.

Plan To Raise \$10,000 Fund.

Campbellford, Sept. 23.—A patriotic meeting was held in the curling rink at Campbellford on Tuesday night, inaugurating a campaign for \$10,000. Mayor Armstrong presided, the speakers being Capt. (Rev.) Campbell, Kingston, chaplain of the forces at Barriefield; Judge Huycke, Peterboro, and Prof. (Trooper) Mulloy of Kingston. That the pressure of military duties is weighing heavily upon the two Kingston officers was evidenced by the fact that at the conclusion of the meeting they motored to Belleville to catch the early morning train to Kingston, in order to be on duty at Barriefield as usual next morning.

In his address, Judge Huycke spoke of the recruiting of the 8th Battalion and said that all Campbellford young men would be heartily welcomed to the ranks of the local company.

The meeting was very successful.

Sleeps In Soldier's Grave.

Peterboro, Sept. 23.—All hopes of receiving good news of Pte. James English were dispelled to-day when Mr. and Mrs. S. W. English, Margaret avenue were notified from the Adjutant-General's Department that their son was officially reported killed in action on April 24th. Pte. English was previously reported missing. It is now evident that he fell as the gallant Peterborough lads of the Second Battalion charged in what has been set down as one of the most important engagements of the war. It will be a relief to his parents to receive definite news, and consolation will come with the knowledge that Jimmy did his part and that he is laid away in a soldier's grave.

Destroyed By Fire.

Perth, Ont., Sept. 23.—The barns belonging to Robert Jackson, Bathurst township, just west of Perth, were destroyed by fire which broke out early Tuesday morning. The buildings and contents are a total loss. Most of Mr. Jackson's crop was in, so that the loss is a heavy one. When You Wash Your Hair Don't Use Soap

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is just plain multifold coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months. Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

How Any Woman Can Remove Hairy Growths

(Beauty Culture) It is no longer necessary for a woman to visit a beauty specialist to have superfluous hairs removed, for, with the aid of a plain delatone paste, she can, in the privacy of her own home, remove even a stubborn growth in a very few minutes. The paste is made by mixing some water with a little powdered delatone. This is applied to the hairs and after 2 or 3 minutes removed and the skin washed, when it will be left clear and hairless. Be sure you buy real delatone. When lovers elope it's a getaway for common sense.

Warham, county physician of Minneapolis, on Friday last, after a brief illness of just one day of acute indigestion. She was sixty-nine years of age and the widow of the late Richard Warham, who served his time with William Robinson, painter, Kingston. She leaves to mourn her loss two daughters and two sons: Mrs. Jennie Cornish, Grenville, S. D.; Mrs. Maud Hale, Minneapolis, and Dr. T. T. Warham, and Harry Warham, Minneapolis; also two sisters, Mrs. William Kirby, Portsmouth; Mrs. Kennedy, Johnson street, Kingston, and one brother, John Tweed, Toronto. Letters To Editor Call To Enlist. Kingston, Sept. 23.—(To the Editor): Would you kindly give publicity to this short letter regarding recruiting at the Market Square. Sergt. G. Ball of the 59th Battalion, Barriefield camp, Kingston, is at the recruiting tent, Market Square from 8.30 a.m. to 9 p.m. every day. I'll further notice, anxiously waiting to give any information to any man concerning the 59th Battalion, I.N.F., who may and can, if physically fit, enlist for overseas, to avenge the atrocities committed by the Huns on their fellow countrymen, possibly some relative who may have fallen in the hands of the enemy being subjected to some atrocious act beyond the limits of international warfare. Therefore young men of Kingston we strongly appeal to you to enlist now and do your duty to your King and Country, who need you at once. Do not delay as procrastination is the thief of time. Whilst at this time your Canadian brothers are putting on heroic examples before you, by doing great deeds on the field of battle in Flanders, those who are ready to do or die for a noble cause, which we all cherish—the cause of liberty and freedom and the high culture of civilization, and not the "kultur" of the Teutonic race, which stands for militarism, despotism and tyranny. Let us unite in our endeavors to defeat for all time the ambition of our enemies to take away our prestige and our inheritance, civilization and liberty of which we are proud and intend at all cost to maintain. It is to you men who read this letter to come now at once to the Market Square and enlist and do your share. We are ready to accept recruits at the recruiting tent Market Square on these conditions: Age limit, 18 to 45; height from 5 ft. 2 in. chest measurement, 33 in. Food and clothes absolutely free. Pay—Single men \$32.46 a month; married men, no family, \$63.46 a month; further allowances based upon the number of children.—RECRUITING. Big Crowds Of Buyers. Joseph Abramson, who purchased the firm's furnishing stock of A. C. Wagoner, and placed it on sale in a store opposite the Grand Opera House on Princess street, reports that his place of business has been crowded during the past few days. The stock is being sold at extremely low prices. Men who want bargains should visit Mr. Abramson's store. Sore throat cure at Gibson's Drug Store.
