Livingston's, Brock St.

A little out of the way, but it will pay you to walk.

A CITY RUGBY LEAGUE

TO BE FORMED BY QUEEN'S ATHLETIC COMMITTEE

Owing to There Being No Intercollegiate Union This Season—Kingston Will See Some Good Senior Rugby Games.

At a meeting of Queen's Athletic Committee on Wednesday afternoon, the "Varsity" committee from the Athletic Directorate of Toronto University stating that "Varsity," owing to the war conditions, has determined to retire from all athletic activities for the year, was considered. As there would be little use of continuing intercollegiate rugby without Toronto, the union will dissolve for the present. Queen's was willing to have entered a senior team in the league, but would have dropped from the other series.

The Queen's committee decided, in order to develop rugby material, to devote its efforts in trying to form a city league consisting of teams from Queen's, Royal Military College, Locomotive Works and the overseas troops in training here. It is thought that a four-team league can be arranged. Representatives will be called by Secretary Dawson, at once, so that a schedule can be arranged, to begin on 2nd of October, if possible.

"Jack" Hazlett, who was reported to be in Montreal and likely to play with the M.A.A. team, was at the Queen's meeting yesterday and is entering upon a course in medicine.

It must be admitted that the action of "Varsity" came rather as a surprise to Queen's. The opinion is that if "Varsity" could have seen financial gain ahead, it would have continued playing intercollegiate rugby, war or no war. All Queen's wants is to keep the game alive. While students are attending college they might as well continue their athletics, which after all are the basis of military training.

Intercollegiate Rugby Meeting.
J. A. McLennan, Toronto, president of the Canadian Intercollegiate Rugby Union, has called a meeting of that body in the Frontenac Hotel, Kingston, for Saturday at 2.30 o'clock. The rugby situation will be fully considered.

FOUND INJURED IN HUT.

Aged Gananoque Man Brought To The Hotel Dieu.

William Mallory, eighty years of age, residing in Gananoque, was found in his hut at Gananoque early on Thursday morning with his right shoulder badly dislocated. He was brought to Kingston and placed in the Hotel Dieu for treatment. The old man was in charge of Dr. O'Connor, Gananoque.

The injured man had fallen against a stove. How long he was in the precarious position in which he was found on Thursday morning is not known. People heard his moans and broke into the hut which is hidden away in a secluded spot. The old man may not recover.

Park Nine Won At Picton.

On Wednesday afternoon the Park Nine baseball team, winners of the Junior City League, played an exhibition game at Picton in connection with the fair. The visitors came out on top by 9 to 3.

A Very Orderly Fair.

A very pleasing feature of the Wolfe Island Fair this year was the entire absence of drunkenness or disorder of any kind. This condition of affairs certainly speaks highly of the action of the Ontario License Board in cancelling the old liquor licenses and only issuing a beer and wine license. The improvement was commented upon by islanders and citizens, who foresaw in its success an expansion of the beer license in Ontario.

Thursday's Market Prices.

There was a large market Thursday morning. The farmers report that turkeys will be scarce this year. The price of tomatoes has decreased to 40¢ a bushel. The other prices are: cabbage, 35¢ a dozen; chickens, 50¢ to 90¢ a pair; fowl, 75¢ to \$1. a pair; eggs, 25¢ a dozen; butter, 33¢ a lb.; corn, 15¢ a dozen; sp. peas, 25¢ to 30¢ a peck; potatoes, 50¢ to 55¢ a bushel; onions, 25¢ a peck.

Will Mobilize in Toronto.

Mayor Sutherland has received a letter from Col. G. H. Ogilvie, A. A. G. 3rd Divisional Area, in reply to his request that one of the squadrons of the new mounted regiment be quartered in Kingston. Col. Ogilvie explains that the regiment is to be mobilized in Toronto, and all that the 3rd Division has to do is to recruit one of the squadrons.

Fairmount's Crew Arrives.

Capt. William Liddell, George Fleming, chief engineer, and Frank Sullivan, second engineer of the steamer Fairmount, of the Montreal Transportation Company, that was wrecked off the coast of Florida recently, arrived in the city on Wednesday. The crew came to the city overland by way of New York.

Queen's History Instructors

W. M. Sage will be the instructor in literature and history for the coming session of Queen's University in the absence of Prof. J. L. Morrison on overseas errand.

Prof. Macpherson will take over the duties of Prof. W. L. Grant who is on active service with the 59th Battalion at Barriefield.

Sore throat remedy at Gibson's Drug Store.

HELD TEA AND SALE.

Proceeds For Purchasing Bandages For Queen's Hospital.

As the result of a tea and sale held at the home of the Misses Wilton, 479 Princess street, on Wednesday, by the Friendly Circle of Sydenham Street Bible Class, the Circle will be able to furnish Queen's Stationary Hospital with \$46 worth of bandages. It has been the custom of the Circle to donate bandages monthly to this hospital, and this amount has been realized as a result of the efforts put forth by the members, who are deserving of much praise for good work.

Jean Wilton opened the door, and Miss Wilton and Mrs. McGhie, president of the circle, received. Mrs. Fraser received the admission fee. The home-made table was under the charge of Mrs. Kennedy, assisted by Mrs. Sharpe, Mrs. C. Saunders and Mrs. Wheeler.

Miss Mooney had charge of the tea table, assisted by Miss M. Montgomery, Mrs. M. C. Dunn, Mrs. Vanliven, Miss J. Dix, Mrs. Robert Smith.

The candy table was in charge of Miss De Wetta, assisted by Mrs. G. Saunders.

The flower table was in charge of Mrs. Clenahan, assisted by Miss C. Cummings.

ARE AUTOMOBILISTS GUILTY

Of the Fowl Thefts That Are Frequently Occurring.

Do automobilists take the fowl that are being stolen throughout the county in large quantities. Some of the county residents are of this opinion. There seems to be an epidemic of chicken stealing in this district and every few days reports are received—some farmer losing a number of his bird-stock. The latest report received is to the effect that S. Cunningham, Kingston Mills, had a large number of fowl stolen on Wednesday night.

The fowl were in the shed as usual in the evening but by morning they were a minus quantity. The thefts of fowl occur all the way from Collin's Bay to the Gananoque road, including Cataract where the thieves have been particularly active. There is trouble in store for the guilty parties if they can only be located.

Flying Boat

Tries to Break World's Record

(Special to the Whig.)
Oswego, N.Y., Sept. 23.—In an attempt to break the world's record for overwater flight the Curtiss aeroplane factory at Toronto is sending a flying boat with one sixty-horse power motor on two round trips from Toronto over Lake Ontario to Oswego today.

The hydro-aeroplane reached here at 8.48 this morning and at 8.50 was on its way back to Canada. The two trips will aggregate 800 miles if successful. The boat is carrying two passengers and is flying about one hundred feet above water.

Aviator is Overdue.

(Special to the Whig.)
Toronto, Sept. 23.—Aviator Macaulay, of the Curtiss Aviation School, Toronto, who arrived at Oswego at 8.48 o'clock this morning in his hydroplane, and left immediately on his return trip to Toronto, had not yet arrived here at 1 p.m. Officials of the Curtiss School have no misgivings, however. Macaulay is in the hydroplane, and would float on the lake in case of trouble.

Later—Aviator Macaulay has landed at Kendall, N.Y.

MONTREAL THEATRE BURNED.

(Special to the Whig.)
Montreal, Sept. 23.—The Princess Theatre, one of the largest amusement houses in the city, was badly damaged by fire in the early hours this morning. The damage on the buildings is estimated from \$100,000 to \$150,000. The interior of the building will have to be reconstructed.

Two firemen, Frank Gilmore and Richard Lambert, were caught in the back draft and badly burned. The theatre was leased by Lawrence Solomon, Toronto, and was used for the reproduction here of the theatrical attractions of Shuberts, Inc.

BASEBALL RECORD.

National League.
Brooklyn, 4-1; Pittsburgh, 2-2. New York, 3; Chicago, 1.

American League.
Detroit, 13; Philadelphia, 9. Washington, 3; Chicago, 0. St. Louis, 3; New York, 2-1. Boston, 3-7; Cleveland, 2-1.

Federal League.
Buffalo, 7; Pittsburgh, 0. Chicago, 4; Newark, 4 (15 innings).
St. Louis, 4-8; Baltimore, 2-0. Kansas City, 8-3; Brooklyn, 3-2.

Austria Must Recall Him.
Washington, Sept. 23.—Until the Austro-Hungarian Government has made a satisfactory response to the American note requesting the recall of its Ambassador, Dr. Constantin T. Dumba, the State Department will ignore requests from the Embassy for a safe conduct for the Ambassador.

New French Medal.
Paris, Sept. 23.—Minister of War Millerand has announced that he will introduce in the Chamber of Deputies a bill to establish a medal commemorating the war. As soon as the law is enacted medals with special clasps will be issued to all men mustered out of the service for wounds.

Commodore Holcombe, of the Cape Vincent Yacht Club, with his wife and family, are spending a few days in the city, having made the trip in the commodore's power boat.

Dr. Charles McCambridge, Poughkeepsie, N.Y., is here visiting his old home.

HOSPITAL OF QUEEN'S

IS THE BEST EQUIPPED AT CAIRO, EGYPT.

How the Wards Are Named and Manned—Lieut.-Col. Etherington Sends Particulars to Dean Connell.

The following announcement is made by Dean J. C. Connell, of Queen's Medical College:
Queen's Hospital arrived at Alexandria on August 12th, and after two days was sent to Cairo. No. 1 and No. 3 Stationary Hospitals were sent on to Lemnos. Queen's Hospital was selected to go to Cairo because it was better manned and equipped than either of the others.

At Cairo the nurses and some of the staff were at once detailed to assist at hospitals which were short-handed. After two days spent in examining various buildings, Lieut.-Col. Etherington was given the Abba-Cas Cavalry Barracks for the hospital. For hospital purposes there are three large three-storied buildings, the two upper floors of each being used for wards, the lower for offices, store rooms, and temporarily for operating room, X-ray room, laboratory and pharmacy. A special building is being erected for operating, X-ray and laboratory work.

Each of the six upper floors consists of four fine rooms, each having twenty beds. This makes up 480 beds. All open on wide balconies, which can also be utilized to increase the total accommodation. Between the wards on each floor are two rooms for nurses and orderlies. Outside on each floor there is a great lavatory with two shower baths, all cement and tile. The place is lighted with electricity.

Col. Etherington writes that he has named the wards as follows: 1, Gordon; 2, Connell; 3, Birmingham; 4, Davis; 5, Douglas; 6, Martin, the last in honor of Mrs. Iva Martin, president of the Kingston Red Cross Society. The beds will be designated when he reports later.

At the opening of the hospital the duties of the staff were arranged as follows:
Block I.—Officer in charge, Lieut.-Col. E. Kidd; Gordon Ward, Capt. S. M. Polson; Connell Ward, Capt. G. E. Kidd; Operating Room, Col. Etherington.

Block II.—Officer in charge, Lieut.-Col. Anglin; Davis Ward, Capt. N. Ballantyne; Birmingham Ward, Capt. G. A. Platt.

Block III.—Officer in charge, Lieut.-Col. W. T. Connell; Martin Ward, Capt. Hollis; Douglas Ward, Capt. Tower.

Anesthetics, Capt. Platt; X-ray, Capt. Quigley; Pathological Laboratory, Capt. F. X. O'Connor; Dental Department, Capt. E. B. Sparks; Quartermaster, Capt. J. A. Wallace; Chaplains, Major Piper and Major Thompson.

The quarters of the staff, nurses and men are very comfortable. The mess is run by a native contractor, with Sergt. Sanger supervising and Capt. Ballantyne is mess president.

On Friday, August 27th, the first patients were received, 40 in number. These were mostly surgical cases, but there were also cases of dysentery and malaria.

The opinion was expressed by the authorities in Egypt that Queen's Hospital was the best equipped that had arrived. It is the only hospital there with a laboratory and expert pathologist. Three hundred tons of equipment besides the personal baggage, belonged to the hospital when it arrived in Egypt. This did not include the motor ambulance and the automobile, which were sent later from England.

The senior medical students have been placed in charge of wards, others are in the operating room, laboratory and pharmacy. Col. Etherington will arrange two hours of instruction daily for students, one at 6.30 a.m., the other at 7.30 p.m. Later some examinations will be given and a record will be kept of all work. An unlimited number of natives are available for scrubbing, dishwashing, and similar work, so that the fatigue duties of the students will be light.

The Faculty is well satisfied with the situation. Everything possible will be done to keep the hospital in a high state of efficiency, and to forward all the supplies that may be needed. On the 22nd September 79 cases were shipped from Kingston. This is the fourth monthly shipment to be forwarded since May, and the practice of a monthly shipment will be continued.

Likely Sustained Damage.
The "Tribby" company which played here on Thursday last has been playing in the Princess theatre, Montreal, and doubtless sustained a great deal of damage in the \$50,000 fire there early Thursday morning.

Fresh Page & Shaw Candy at Gibson's.

It's No Joke, and Not a Funny Proposition as Every Woman Knows

When your figure's getting dumpy
And your chin is hanging low,
When your waist line's disappearing
And your gait's becoming slow,
It's time to do some thinking
In a calm and sober way,
For you're getting fat, yes, dearie,
Getting fat and quite passe.

One of the Very Best Corset Models for Stout or Full Figures

Has arrived, and you will find it has all the good points claimed for it.
