MRS. A. SAICH, of Cannington Manor, Sask., Writes :- "My brother suffered severely from eczema. The sores were very extensive, and burned like coals into his flesh. Zam-Buk took out all the fire, and quickly gave him ease. Within three weeks of commencing with Zam-Buk treatment, every sore had been cured."

This is but one of the many letters we are constantly receiving from people who have proved the healing powers of Zam-Buk. For echema, piles, sores, burns, cuts and all skin troubles there is nothing like this wonderful balm, No skin disease should be considered incurable until Zam-Buk has been tried.
