Give the Man a Chance World of truth into a word capsule. A man in ill-fitting clothes is like a badly bound hymn book, between the covers, the very best, no doubt, but you don't feel like picking him up. Then you have the whole philosophy of correct dress. Again we say, give the man a chance. Buy the best. What line equals 20th Century and Fashion Craft? We know of none. Prices as reasonable as good clothes can be sold for. E. P. Jenkin's CLOTHING CO.

THE SPORT REVIEW

The Pittsburg Pirates have released Outfielder "Eddie" Collins to the Boston Nationals by the waiver route.

"Red" Harper, the diminutive quarter-back of last year's Hamilton Rowing Club senior team, is again at his old position for the Scullers.

Christy Mathewson says that if his arm does not yield to treatment during the winter months he will retire from baseball in the spring once and for all.

The Ottawa Rideau Aquatic club honored "Bob" Gamble and "Pete" Durand, winners of the 200-mile canoe race, by presenting medals to the plucky paddlers.

Earlier in the season it was feared that the Quebec Union would not be in operation this fall, but all the clubs have all met and intimated that they are desirous of continuing in the game, the officials of the Union are now preparing for the season.

For the past few winters the good old game of curling has fallen into disuse in Whitty, but a number of players have taken the matter up enthusiastically, and it is expected that a curling club will be organized shortly, and a successful season is anticipated.

Although there has been little doubt that Ross Craig would be found with Hamilton Rowing Club again this season, there is a rumor that the Tigers may offer him the captaincy of their team, in an effort to lure the big fellow away from the Scullers.

Esten Darch, an enthusiastic hockey player, familiarly known as "Pete," have given up a responsible position in the Port Hope Electric Light & Power Co., to enlist with the 8th Field Battery at Toronto. Lorne Emerson, another of Port Hope's star hockeyists, has accompanied him.

"Jimmie" Lowe of Stratford is off for the front as lieutenant in the 71st Battalion. For six years Jimmie played on the junior, intermediate and senior O.H.A. teams at Stratford. He is also a clever track athlete, soccer and basketball player. He was a student at the University of Toronto, and last season he offered an offer to join the Ottawa professional hockey team.

The Ottawa Hockey Club announced that they would send contracts to the trenches to "Punch" Broadbent, Leth Graham and Allan Wilson to hold them on the reserve list. This measure was taken so that in the event of war breaking up before the spring, the boys would be welcomed home. A contract will also be sent to Art Ross. The club hope to get Ross back in the game.

The thirteenth annual National Horse Show of America, to be held at the Madison Square Garden in New York from November 6th to the 12th, promises to be one of the best in the history of the association. A large number of Canadian owners have decided to show there this year, among whom are Robert Graham, Toronto; John Dixon, Toronto; Lady Beck, London; and many others.

The amazing sum of \$21,574 was subscribed for a patriotic flag presented by a New Zealander towards the Wounded Soldier's Fund in New Zealand recently at a patriotic box ring carnival. The bids included one of three thousand guineas three of one thousand each, and numerous bids of \$500 each. A sum of about \$40,000 was subscribed to the fund during one week by the people of the Wairarapa district.

On October 10th at the National grounds Montreal ball fans will have an opportunity of witnessing Ty Cobb, the leading batter and base stealer of the American League, in action. At the close of the season, Cobb and Eddie Daus, the Detroit pitcher, are going to visit Montreal, the guests of Jean Dubuc, and an exhibition game between teams comprising City League players and the Tiger players has been arranged.

The Ottawa Football club will not have the services this season of Don Brophy, the former McGill star, who has been doing such good work in his practice. Brophy, who enlisted some time ago with the Canadian Aviation Corps, received orders to report at Toronto on Tuesday for preliminary examination. He may turn out with the "Argonauts" or T.R. and A.A. Brophy's loss will be felt by the Ottawas, as they were counting on him for full-back.

People who pay compliments never wait for the bill collector to call. If you have an iron will don't let it get rusty. The more money a man has the more he dislikes to waste any of it paying taxes. When an opportunity occurs for kind words deliver the goods. It's no use in trying to convince a mule that he is stubborn. A position to make a fool of himself. The centipede with one foot in the grave isn't very old.
