#### SALTS IF BACKACHY AND KIDNEYS HURT

your Bladder is troubling

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a wellknown authority. Meat forms une acid which-overworks the kidneys in their effort to fitter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have ourselves and trying to keep out of Frank Tompkins, all of Strathcona, theumatic twinges.
