Story of a Young Woman Who Found Her Soldier Husband.

A rather pathetic story comes from the representative of a Canadian newspaper in England, describing the plight of a young wife of a Canadian private, and the plucky manner in which she met and overcame the difficulties of locating her husband.

A PLOT WHICH FAILED.

Architect's Draughtsmen Had All Their Work for Nothing. A German-sounding name is sometimes uncomfortable in this country at present. There is a well-known architect in Toronto whose name has a rather German character, and who looks a little like a German, when, as a matter of fact, he is a French Swiss.

WILD RADISH.

It is a Very Common Pest in the Maritime Provinces. Wild radish is a very common pest in the Maritime Provinces, and, in fact, is as objectionable as mustard. The condition of things referred to in our correspondent's letter can easily be explained by the fact that the seeds of wild radish are able to lie dormant in the soil for many years without losing their power of germination.

Commercial Notes.

An increase of \$10,931 in profits for the year ended August 30th last was reported by the Lake of the Woods Milling Company at the annual meeting of shareholders, held here yesterday afternoon. The figures for the twelve month period being \$518,926, compared with \$507,939 the previous year.

Western Canada Flour.

Toronto, Oct. 15.—The report of the Western Canada Flour Mills shows an increase in profits over 1914 of \$24,817, and over 1913 of \$56,770. After meeting fixed charges amounting to \$96,865, the company earned 11.3 per cent. on its common stock, which totals \$2,124,700. This compares with slightly under 11 per cent. a year ago.

Refused a Fee.

Mr. Donald Armour, the well-known surgeon of Harley street, London, was the hero of a little incident that must be of interest to Canadians. A paragraph appeared in the press lately that Sir Victor Horsley had been summoned some distance to perform an urgent operation on a soldier. He went at once, performed the operation, and traveled back to London, refusing to accept a fee. A few days later another paragraph was published explaining that it was not Sir Victor Horsley, but Mr. Donald Armour who had done this generous act.

Could Have Been Worse.

Of course Adam had a hard time; but it might have been worse if he had lost two ribs and got twin results. Tarks drink coffee while it is boiling, and swallow the grounds with the liquid. A shell weighing about 70 pounds explodes into a shower of 1,200 pieces.

The readers of this paper will be pleased to hear that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength, by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.
