Completely and Permanently Cured

Here is a story which shows once again the extraordinary power of that famous British remedy, Dr. Cassell's Tablets, to

restore the vital processes of the body, and thus to effect recovery in cases where cure was not even hoped for. No one who saw Mrs. King, of 9, Vernon-road, Copner, Portsmouth, England, ever exas she expresses it, just full of health and strength, thanks to Dn Cassell's Tablets. Seen recently, she said: "The oure which Dr. Cassell's Tablets have effected in me is to my mind nothing short of marvellous, and I can never express the gratitude I feel. They have certainly saved my life, and made me splendidly strong and well, though before I took them I was so wasted and suffering that recovery seemed out of

WEAK AND AILING BOY who was a martyr to Nerves.

Mr. Windle, of 5, Cambridge street, Blackburn, England, says:- "For months

bear the slightest pressure, and the pain in my side was terrible. I lost all appetite, and used to suffer from frightful headaches, and palpitation that was like an engine beating in my breast. I went almost blind with dizziness, and ohl so sick. Then came retching. Everything I took returned, even a glass of water or a cup of tea. I was also extremely constipated. I was in bed for weeks at a time, and when I struggled up from very wearmess, I had soon to go back again. I got weaker and more his health was no better, so as the ordinary methods of treatment had quite failed I decided to try Dr. Cassell's Tablets. It was not long before improvement came. The little fellow brightened up wonderfully. He got his appetite back, and soon the nervousness was gone. Now he is as bright and active, as any child could be."

> Popularity New World-Wide-What is the explanation of these cures?

How is it that Dr. Cassell's Tablets can restore health so surely! It is because they act as a health force, renewing vitality of nerve and body, and compelling healthy action of every life-process. They are a reliable remedy for Nervous Breakdown, Nerve Pailure, Infantile Weakness, Neurasthenia, Slev Medicine and other things I tried did no good. Nothing did any good till I got Dr. Cassell's Tablets. Then—oh! what a blessed relief! I got steadily better from the first, and now I am just full of health and strength. Certainly, I shall never cease to praise this extraordinary medicine."
