

COUNTY COURT OPENS OWING TO THE WAR

TWO CASES ON THE DOCKET WERE ADJOURNED

Including That of Oliver Gravelle vs. the C. M. B. A.—These Cases Will Be Heard On Nov. 19th.

Judge Madden, Nanawee, presided at the non-sitting of the County Court, which opened on Wednesday morning, at 10 o'clock. There were four cases on the docket, but two of these were adjourned until Nov. 19th, judgment was given in another, and as a result when Judge Madden took the bench, he had but one case to dispose of.

One of the cases adjourned was that of Oliver Gravelle, vs. The Catholic Mutual Benefit Association of Canada. This is an action in which the plaintiff makes a claim for the sum of \$292.80, paid to the defendant between May 1st, 1909, and July 1914, for insurance on the lives of Oliver Gravelle and Thomas Wilfrid Gravelle, but which insurance was non-effective.

A. B. Cunningham is acting for the plaintiff, and George Lynch Staunton, K.C., Hamilton, is counsel for the defendant.

The other case postponed is that of Joseph E. Barker vs. Herbert P. S. Carke. In this the plaintiff's claim is to have set aside and declared null and void, a patent from the Crown to the defendant of the east half of lot 7, on the 10th Concession of Kennerly, for an injunction to restrain the defendant from entering upon or in any way interfering with the said lands, and for damages.

Judgment for the plaintiff for the amount of claim, and costs, was rendered in the case of The Bayne Carriage Company, Ltd. vs. M. J. Kenny, a claim for \$396.79 on a bill for exchange. A. B. Cunningham for the plaintiff, W. B. Mudge for the defendant.

The case heard by Judge Madden was that of The Corporation of the Township of Olden vs. Jacob R. Moore, a claim for damages for placing obstructions upon the road allowance between Concessions 4 and 5, in the township of Olden, from the intersection of the said road, with the "Flynn" road, and for a mandamus directing the defendant to remove all obstructions placed on said road, and for an injunction to restrain defendant from placing further obstructions on the said road. W. S. Herrington, K.C., appeared for the plaintiff, and J. M. Farrell for the defence.

QUEEN'S WILL NOT HAVE INTER-COLLEGIATE HOCKEY TEAM.

Matter Discussed at Meeting of Athletic Committee Tuesday Afternoon—College Has Invitation To Play at Pittsburgh, Pa.

It has practically been decided that Queen's University will not be represented in the Intercollegiate Hockey Union this winter.

The hockey situation was discussed at a meeting of the athletic committee on Tuesday afternoon. While the student body, as far as can be disposed, is very anxious to have a team in the series, it is understood that the authorities are very strongly opposed to having sports of any kind, while the war is on. It is likely that the college will be represented in the City Hockey League, the same as in football.

Queen's has received an invitation to play in Pittsburgh, Pa., on the occasion of the opening of the new Arena there, one of the largest hockey rinks on the other side, but as no definite arrangements have been made as yet regarding the team, the invitation has not as yet been accepted.

The new arena to be opened in Pittsburgh is 300 feet by 90 feet, and is regarded as one of the best fitted rinks for hockey on the continent. There will be a meeting of the Alma Mater Society on Saturday night, when that body will take up the hockey question.

REGRET IS EXPRESSED

THAT A CANVASS WAS NOT MADE IN KINGSTON

For the British Red Cross Fund Instead of Making Civic Grant and Asking For Voluntary Subscriptions.

Mayor Sutherland has received a letter from Albert H. Abbott, Toronto, secretary of "Our Day" for the British Red Cross, regretting that Kingston did not make a canvass in behalf of the fund, instead of making a Council grant and asking for voluntary subscriptions. He appreciated the fact that Kingston is largely supporting the Queen's Stationary Hospital at Cairo, which is doing British Red Cross work, but thinks that a canvass would have helped rather than lessened subscriptions to the local Red Cross fund.

Mayor Sutherland expects that Kingston's gift to the British Red Cross will amount to \$5,000, without a canvass. Additional churches to report contributions are: St. Andrew's Presbyterian, \$300; Calvary Congregational, \$25.86.

A contribution of \$50 has been received from the Kingston Shipbuilding Company. Mayor Sutherland sent out requests for subscriptions from the industries in Kingston which are exempted from taxation. As they escape paying any of the civic grant of \$2,500, the Mayor thought the industries should contribute of their own free will. The Montreal Transportation Company sent a cheque for \$100. The other industries of the city favored with free taxation are expected to follow suit.

The case of the Children's Aid Society Inspector against William Hogan and his wife, Sydenham street, for ill-treating and neglecting their daughter, was postponed till Thursday morning.

THE BOWLING CLUB

HOLDS ITS FINAL MEETING ON TUESDAY EVENING.

The Presentation of Prizes, Won During the Season's Play Took Place—Club in a Flourishing Condition.

There was a large and enthusiastic meeting of the members of Queen's Bowling Club in the evening on Tuesday evening for the presentation of prizes to the winners in the season's events. W. H. Wormwith was in the chair. W. R. Sills, secretary-treasurer, gave a report of the financial condition of the club and it was found that it had met all obligations and had a small cash balance.

At the request of the President, W. R. Givens presented the beautiful silver cup which he donated for annual competition to the rink winning the championship for the year. The rink is composed of O. O. Boyer, E. Williamson, Dr. E. H. Young and W. H. Campbell (skip). Mr. Campbell acknowledged the gift in a few words. The club prizes to the individual members of the championship rink were presented.

The individual prizes to the rink coming second to the championship of the club were presented to Prof. Day, R. H. Crooker, Dr. D. Buchanan and J. M. Elliott (skip).

The first in the doubles were won by W. Jackson and J. Baker, but owing to Mr. Baker being absent Mr. Jackson acknowledged both prizes. The second prizes in the doubles went to A. A. Turcott and F. Crozier. The singles competition were won this year by J. M. Elliott first, and W. H. Montgomery second. Mr. Elliott was presented with a valuable pair of bowls donated to the club by Dr. J. Watson, and Mr. Montgomery very generously turned over his prize to the Red Cross Society.

During the evening, C. E. Taylor entertained the members with selections on a Victrola and at the close of the meeting votes of thanks were tendered to Mr. Taylor and to the officers of the club, particularly to Mr. Sills for their help in making the club such a success.

NOW AT THE FRONT.

Lieut. Frank Smythe Has Been Sent to France.

The honor of being the first officer of the 38th Battalion to serve at the front in France goes to Lieut. Frank Smythe, of Westport, this city, who was a member of the 14th Regiment. His relatives have just received word that he has been at the front for two weeks, having gone into the trenches on Oct. 13th. His many friends in the city will be glad to learn that he is well.

Lieut. Smythe was attached to the 38th Battalion, and assisted in recruiting at Smith's Falls, afterwards being removed to Ottawa. He left with the 38th Battalion for Bermuda, but was later sent to England with the 12th Reserve Regiment. He is now doing his "bit" at the front with Capt. George Richardson in the Second Battalion.

Flushing Princess Street. About six weeks ago Princess street was flushed by the fire department and merchants are asking that it be done again. A slink forms on the pavement and sprinkling makes it very dangerous for horses.

The City Engineer has informed the Whig that it is getting too cold to do much flushing now early in the mornings, but he expects that Princess street will be given a flushing in the near future if possible.
