BOY BURGLARS CAUGHT MAYOR SENDS OFFER

ADMITTED THEIR GUILT IN THE JUVENILE COURT.

Two Were Sent to the Industrial School, and the Other Was Allowed To Go On Suspended Sentence—Were Rounded Up By Constable Arniel.

The boy burglars have been rounded up. In the arrest of three lads, two fourteen years old, and the other fifteen by Constable Samuel Arniel, on Thursday afternoon, the mystery surrounding the many thefts at stores in different parts of the city, has been cleared up. Constable Arniel not only secured the guilty parties, but also a good deal of the stolen goods, which consisted of several watches, a revolver and a large quantity of tobacco. The boys had disposed of the money they had stolen at the different stores.

The lads appeared before Magistrate Farrell, in the Juvenile Court, on Friday morning, and pleaded guilty. Two were sentenced to an indefinite term, in the Industrial School, and the other was allowed to go on suspended sentence. Constable Arniel has been hard at work on the case all this week. Almost every day, complaints have been coming into the police about stores being robbed. The boys admitted to the Magistrate that they had robbed three stores. Evidently thirteen was an unlucky number for them, as their arrest took place after the thirteenth had been pulled off. The lads put up a stiff fight at first, and to Constable Arniel stoutly denied the charge, but when the constable commenced to wind the evidence he had gathered around them, they frankly confessed.

The two lads in the Industrial School have been in trouble before, hence their removal to the Industrial School. As this is the first false step on the part of the other lad, he has been given a chance to make good. The mother of one of the lads who was in court fainting away, and had to be carried out of the room.

After admitting that they had committed the robberies, the boys told Constable Arniel where some of the plunder had been hidden, and it was secured, and will be handed over to the merchants, who suffered the loss. In a laneway near Laidlaw's store was unearthed a revolver and three watches and under a sidewalk on Sixth street was located a large quantity of cigarettes.

It appears that one of the lads, while at school on Thursday, accidentally dropped some cigarettes out of his pocket on the floor, and this led to the suspicion that he was implicated in the thefts.

Y. M. C. A. SOCIAL EVENT

To Introduce a Two Weeks' Campaign For Members.

An entertainment was given to the Y. M. C. A. senior members and their friends at the Association building on Thursday night. About 150 men, including a goodly number of the soldiers, were present. The rooms were decorated with hunting, Union Jacks, etc., and with a fire burning brightly in an open grate, the whole surroundings bespoke a festive occasion which was enjoyed to the full by all present.

At 7:45 McAuley's orchestra led off in the musical programme with several stirring selections. These were followed by splendid violin solos by Pelham Richardson, piano solos by John McLaughlin, two selections from the Association Male Chorus, and patriotic choruses by the present. The second part of the programme consisted of a short exhibition in the gymnasium and in the swimming tank, the work of the boys showing that Director Powers had them well in hand. A visit was made to the Boys' Department, where the games were in full swing. At 9:15 all assembled downstairs, where refreshments were served. During this second section of the programme the gathering was entertained by some splendid selections on a Victor Victrola kindly loaned by Lindsay Co. Chairman R. H. Ward made a neat little speech outlining some of the work of the Association, and in conclusion announced that commencing last night the Association would conduct a two weeks' campaign for members, using Red and Blue teams made up from the present membership, and captained by A. J. Pettigrew and F. L. Newman, with George Clark and James Elmer, of the Boys' Department, as sub-captains. An effort will be made to bring the membership of the Association up to 500.

PAID VISIT TO GUELPH.

Which Seeks Another Change in Electing Council.

R. H. Toye has returned from Guelph, where he was on business, but while there he made enquiries regarding power conditions. He says he found the people of Guelph well satisfied with the electrical charges being made. That city receives Hydro power at \$20 a horse power. Mr. Toye was a spectator at the Guelph City Council meeting, and viewed the introduction of a by-law to have the council consist of twelve aldermen and a mayor, to be elected by a vote of the whole people. At present the aldermen are elected by wards, as in Kingston. During the past six years Guelph has been trying out various council systems. First it reduced the number of aldermen from eighteen to eleven. Several votes of the people have been taken since, and the latest is to have the aldermen chosen by all the people.

MAYOR SENDS OFFER

To Take Care of 1,500 Additional Troops in Kingston Without Cost For Their Housing.

On Friday morning Mayor Sutherland sent the following telegram to the Minister of Militia:

"Kingston, Oct. 29th, 1915. The Honorable Minister of Militia, Ottawa, Ont.:

"(Sgd.) R. D. Sutherland, Mayor." The Mayor is making every effort to have over 2,000 troops winter in Kingston. W. F. Nickie, M.P., and Dr. J. W. The Mayor is securing options on several buildings in the city, so that in case the city is suddenly called upon to house more troops than at first expected it will be ready to receive them.
