**Best by Test**

All the words in the dictionary will never make a poor shoe give satisfaction or service. Mere words are empty and prove nothing. It is the test of actual wear that counts, and it is because **Invictus** has successfully stood the test that its popularity has grown so rapidly. If you wish to secure the shoe of proven worth you should buy "Invictus," "the best good shoe."

**CUTTING GUIDE 6445**

There are women who like silken undervests, yet do not feel as their budget for dress can include the ready-made designs shown in the smart shops. The undervest shown here is a simple model and can be carried out in Italian silk or crepe de Chine, both of which launder excellently. In medium it will pull and give the undervest a size the vest calls for 1 1/2 yards 26-wrinkled effect around the embroidery.
