**THE RETAIL GROCERS**  
PRESENTED FIELD KITCHEN TO THE 59TH BATTALION

The List of Those Who Subscribed—John Gilbert and Daniel Couper Collected the Money.

The Retail Grocers of Kingston not to be outdone by other organizations in patriotic efforts have collected a fund among themselves and have presented the 59th Overseas Battalion now in training at Barrieffield with a Gurney Field Kitchen. This has been accomplished through the efforts of John Gilbert and Ex-mayor Couper. The task of collecting was cheerfully taken up by these gentlemen and although it involved the spending of considerable valuable time to call on such a large number of storekeepers they stuck to it and raised the required sum.

Route marching is an important part of the training to equip troops for the trenches, both in Canada and England and if a battalion is not equipped with field kitchens for these marches the lot of the men is extremely hard owing to the delay in building stoves, etc., before a meal can be prepared.

On leaving for a march roasts, stews, soup, etc., are placed in the pans of the field kitchens and the fires lit. On arrival at their destination, four or five hours later, the meal is cooked and ready to serve hot to the men almost as soon as they are halted. Field kitchens are being used constantly by the 59th Battalion; every week a scheme is laid out for day and night operations extending usually over two or three days and during this time the battalion is fed entirely from the field kitchens.

Last week for three days in succession the 59th covered from seventeen to nineteen miles per day with full kit weighing nearly forty pounds per man, without the kit the battalion has covered as much as twenty-two miles per day. This is very strenuous work and only men in good physical condition and well fed could go through it, in fact the officers of the battalion state that the good palatable meals served from the field kitchens are largely responsible for this display of physical endurance.

Subscribers to the fund providing this kitchen can rest assured that their money is in no small degree helping to make our men fit for the strenuous trench warfare they will have to undergo. The energy displayed by Mr. Gilbert and Ex-mayor Couper in the collection of this fund is very much appreciated by the officers and men of the 59th Battalion. As Mr. Gilbert's only son is now serving in the trenches in France this is by no means the first occasion he has served his King and Country and it is hoped many others will follow his example.

**HUN EXCUSE FAILS.**  
Boer General Denies British Committed Atrocities in South Africa.  
Berne, Oct. 30.—Wolfe Agency's excuse for Edith Cavell's murder was that many similar acts had been committed by order of Gen. Kitchener on Boer women and children during the South African war.

Gen. Joubert Pienaar, nephew of the former Boer commander-in-chief, who fought against Britain throughout the South African war, and who now is staying in Berne, has asked the British legation at Berne to reply to the statement on his behalf that never throughout the Boer war were any atrocities of this description committed by order either of Kitchener or any other British authorities.

**KINGSTONIAN MISSING**  
Since The Battle Of St. Julian—Well Known Here.

PTE. JOHN EASSON.

We present herewith the picture of a Kingston boy who enlisted at the very beginning of the war, and who has been missing since the battle of St. Julian, on April 24th last. Pte. John Easson came with his father and mother, from Scotland in August, 1912, settling in Kingston. Until the early summer of 1914, he was employed as machinist in the Canadian Locomotive Works. He then moved to Brockville, and when the war broke out in August, 1914, he enlisted in the 41st Brockville Regiment, later transferring to the 13th Battalion Montreal Highlanders. He was known as No. 25080 and was attached to "A" Company.

**RUSSIA'S PROPOSALS**  
MAY OFFER 9 PER CENT FOR \$50,000,000 LOAN IN U. S.

New York, Oct. 30.—Agents of the Russian Government, it was reliably reported here today, are seeking to establish a credit loan in this country somewhat similar to the recent \$50,000,000 Anglo-French credit loan—although no bond issue is contemplated—of from \$50,000,000 to \$100,000,000 and more, if it can be obtained.

Details of the proposed loan were lacking, but in one quarter it was reported that the Russian Government was willing to pay as high as 9 per cent. interest for a loan of this size. This report added that the loan probably would be for eighteen months, and would be in the neighborhood of \$50,000,000.

The sum said to be sought by Russia would be spent entirely in this country in the payment of supplies shipped to Russia by American exporters.

PTE. JOHN EASSON.

His mother, Mrs. William Easson, 395 Division street, was officially notified that he was missing, the word being received about a month after the battle of St. Julian. Since that date she has put forth unceasing efforts to find some trace of her son. The American Consul has used every resource at his disposal through the American Ambassador at Berlin, while other friends have also written to German authorities in an endeavor to find some trace of the missing soldier. Not one word, however, has ever come to hand.

Pte. Easson, if living, will be twenty-one years of age this month, and is a strong, healthy type of young man. Any information in regard to him will be gratefully received by his sorrowing mother. It is also to be regretted that Mrs. Easson, during the year, has not only suffered the loss of her son, but her husband as well.
