been made to keep Serbia supplied with munitions through Montenegro. While the Serbian losses are said to have been moderate, in view of the desperate fighting, it has been necessary to destroy large quantities of war material to prevent it falling into the hands of the invaders. The Bulgarians have not repeated

their attacks upon Krivolak, which is held by the French. Evacuation of Monastir by the Ser-

bians is denied. A French man-of-war yesterday bombarded a Bulgarian supply train between Xantsi and Dedeaghatch.
