A Sure Way To End Dandruff
There is one sure way that has
never failed to remove dandruff at
once, and that is to dissolve it, then
you destroy it entirely. To do this,
just get about four ounces of plain,
common liquid arvon from any drug
store (this is all you will need), ap-
ply it at night when retiring; use
enough to moisten the scalp and rub
it in gently with the finger tips.
By morning, most if not all, of
your dandruff will be gone, and three
or four more applications will com-
pletely dissolve and entirely destroy
every single sign and trace of it,
no matter how much dandruff you
may have.
You will find all itching and dig-
ging of the scalp will stop instantly,
and your hair will be fluffy, lustrous,
glossy, silky and soft, and look and
feel a hundred times better.

Acid Stomachs Are Dangerous
A famous physician said in the
course of a recent lecture that nearly
all intestinal troubles, as well as
many diseases of the vital organs,
were directly traceable to a deranged
condition of the stomach which in
turn was due nine times out of ten
to excessive acidity, commonly term-
ed sour stomach or heartburn, which
not only irritated and inflamed the
delicate lining of the stomach, but
also set up gastritis and stomach ul-
cers. Remarkable results have
been obtained by the use of ordinary
bisurated magnesia, which, by neu-
tralizing the acidity of the food, re-
moves the source of the trouble. It
is foolish to treat the stomach it-
self, neutralize the acid and the
stomach troubles will disappear. Ir-
ritating medicines and medical
treatments are useless, so long as the
contents of the stomach remain acid;
remove the acidity, and there will be
no need for medicine—the inflamed
lining of the stomach will then heal
itself. Sufferers from acidity, sour
stomach or heartburn should get a
small bottle of bisurated magnesia
from their druggist, and take a tea-
spoonful in a quarter of a glass of
water after meals, repeating in fif-
teen minutes, if necessary.

EAT LESS AND TAKE SALTS FOR KIDNEYS
Take a glass of Salts if your Back
hurts or Bladder
bothers.
The American men and women
must guard constantly against Kid-
ney trouble, because we eat too much
and all our food is rich. Our blood
is filled with uric acid which the
kidneys strive to filter out, they
weaken from overwork, become slug-
gish; the eliminative tissues clog
and the result is kidney trouble,
bladder weakness and a general de-
cline in health.
When your kidneys feel like lumps
of lead; your back hurts or the urine
is cloudy, full of sediment or you
are obliged to seek relief two or three
times during the night; if you suffer
with sick headache or dizzy, nerv-
ous spells, acid stomach, or you
have rheumatism when the weather
is bad, get from your pharmacist
about four ounces of Jad Salts; take
a tablespoonful in a glass of water
before breakfast for a few days and
your kidneys will then act fine. This
famous salt is made from the acid
of grapes and lemon juice, combined
with lithia, and has been used for
generations to flush and stimulate
clogged kidneys; to neutralize the
acids in the urine so it no longer is
a source of irritation, thus ending
bladder disorders.
Jad Salts is inexpensive; cannot in-
jure, makes a delightful effervescent
lithia-water beverage, and belongs in
every home, because nobody can
make a mistake by having a good
kidney flushing any time.

GRANDMA USED SAGE TEA TO DARKEN HAIR
She Mixed Sulphur with it to
Restore Color, Gloss,
Thickness.
Common garden sage brewed into
a heavy tea with sulphur and alcohol
added, will turn gray, streaked and
faded hair beautifully dark and
luxuriant, remove every bit of dand-
ruff, stop scalp itching and falling
hair. Just a few applications will
prove a revelation if your hair is thin-
ning, gray or dry, scraggly and fall-
ing. Mixing the Sage Tea and Sulphur re-
cipe at home, though, is troublesome.
An easier way is to get the ready-
to-use tonic, costing about 50 cents a
large bottle at drug stores, known as
"Wyeth's Sage and Sulphur Com-
pound," thus avoiding a lot of fuss.
While wispy, gray, faded hair is
not sinful, we all desire to retain
our youthful appearance and attrac-
tiveness. By darkening your hair
with Wyeth's Sage and Sulphur, no
one can tell, because it does so nat-
urally, so evenly. You just dampen
a sponge or soft brush with it
and draw this through your hair,
taking one small strand at a time;
by morning all gray hairs have dis-
appeared, and, after another applica-
tion or two, your hair becomes beau-
tifully dark, glossy, soft and luxuri-
ant.
