KINGSTON

NEWS ABOUT TROOPS QUARTERED IN CITY

Word received from Lieut. M. M. Johnston, 34th Battery, on Friday, was to the effect that the trouble in his leg had developed into complications. There is possibility of his having to have the bone scraped. His many friends in the city will wish him a rapid recovery.

The seats for the rugby match on Saturday between the 34th Battery team and the Niagara camp team in Toronto have nearly all been taken up, and on Thursday telegram was received asking if any tickets could be spared from the number allotted to Major Massie.

Major Sears took the 33rd Battery men on a route-march on Thursday afternoon.

Lieut. T. Irving Findley, 33rd Battery, has left for Lethbridge to take command of an overseas draft from the 39th Battery at that place. Lieut. Findley is well-known to Kingstons, having first been a private in the 26th Battery last winter here, coming to the city from Toronto with the squad of Toronto University men who it will be remembered made up a large part of the battery. On May 1st, Lieut. Findley attended the Royal School of Artillery as a lieutenant and qualified with honors; soon afterwards being granted a commission in Major Sears' battery. He was a splendid officer and citizen as well as a soldier; he will hear with regret his transfer. He was a lieutenant in the 5th Field Battery.

Lieut. Hamilton, 33rd Battery, gave a lecture to the men of the battery on Thursday afternoon.

The 34th Battery rugby team had another work-out on the Cricket Field on Thursday afternoon and lined up against another team from the unit. The team is in splendid condition.

Earl Hanson, who drove a motor-stage from the city, has enlisted with the 32nd Battery and is at present employed in the orderly room. H. C. Vivian and L. Perrin, both well known and highly thought-of Kingstons, have also enlisted. Mr. Vivian is an ex-military army man and has seen service in all parts of the world. Mr. Perrin has also seen service.

Trumpeter Saunders, who went overseas with the Royal Canadian Dragoons, but who was invalided home, has re-enlisted with the 32nd Battery as a trumpeter.

Major S. A. McKenzie had the men of the 32nd Battery on a ride on Thursday afternoon.

Recruits are arriving every day for the three batteries at the Dry Dock Barracks.

"Paddy" is the name of the Irish terrier which bears the distinction of being the official mascot of the 33rd Battery. "Paddy" was bred by Mr. Stock, Peterboro, and went to the Battery as the mascot of the overseas draft. It is contrary to orders, however, to take dogs to England, and "Paddy" had to left at home. He has however become very contented with his lot and seems to enjoy parading everywhere with his khaki-clad owners. All through the drill hour at the artillery park, "Paddy" can be seen seated on one of the guns inspecting the work. Sgt.-Major Assender is "Paddy's" appointed guardian, but all of the men see that his life is made a pleasant one.

Lieut.-Col. Brook, O. C. Depot Regiment, C. M. R., and Major Sharpe, second in command, were in the city on Thursday, and inspected "C" Squadron, of which Major W. Alan Stroud is officer commanding. Col. Brook stated that he was more than pleased with the splendid, clean-cut and active body of men that Major Stroud has recruited, and was whipping into shape for the Depot Regiment. His idea of a regiment is to have all of the men at least 5 feet 4 inches tall.

The regiment will mobilize in Hamilton within a month, and go into well-equipped quarters for the winter months. The citizens of Hamilton are anxiously waiting for the mobilization of the Depot Regiment, and have already spent \$15,000 in making the quarters they will use as good as possible.

Both of the visiting officers spoke a few words to the men on parade, complimenting them on their good appearance and that the people of Hamilton would give them a royal welcome when they arrive there. Almost all of the men in the squadron are Kingstonsians.

Major Massey is more than pleased with the way that the arrangements for the excursion to Toronto on Saturday have been carried out. In conversation with the Whig he said that his office staff in Toronto had

been working night and day. Half of the proceeds will go to Elmhurst Convalescent Home.

Capt. W. E. Swaine will continue to keep the ranges at Barrick and ready for the use of the soldiers, and although no men used them on Friday, a squad would have musketry practice every day if possible.

If Brockville will erect a mess building at the fair grounds, the needed accommodation for two companies of the 59th Battalion will be provided.

Lieut. E. V. Sherlock, son of G. M. Sherlock, and Lieut. Chester Baker, both of whom belong to the 13th Artillery, Winnipeg, are in Kingstons to take a course of training.

It is reported that in three days, seventy-five men were secured for the new battery lately authorized in Ottawa.

REPORT ON CADET CORPS.

Was Presented To the Board of Education.

At the meeting of the Board of Education, on Thursday night, A. H. W. Colquhoun, Deputy Minister of Education, submitted a report of the inspection made a short time ago by Major George H. Gillespie in the various cadet corps.

The report included the following important among other things:

Collegiate Institute—Strength 80; a good corps, improving each year, but discipline might be better. The shooting was splendid and efficiency good.

Victoria School—Strength, 43; a very good corps, appearance much better than last year, boys very enthusiastic.

Frontenac School—Strength, 49; this corps has improved over last year, but the discipline is very bad.

Louise School—Strength, 30, good shooting has been done, but corps is not quite as efficient as last year.

Central School—Strength, 51; Shooting was very good, Corps is improving, and with a little more training, will measure up to a fair standard of efficiency.

McDonald School—Strength, 54; this corps won the Nickle trophy, and during the year has done remarkably good shooting, one of the best drilled corps and well disciplined.

TO INTERN ONLY GERMANS.
In Fort Henry—Bulgarians Not To Be Brought Here.

It has been decided that in future only Germans will be brought to Fort Henry for internment. There are at present several Austrians who are under Lieut.-Col. J. J. H. Fee's guardianship because they did not behave themselves at Petawawa, and these will be left there for a while. This decision means that no Bulgarians will be brought here.

Bibles For Soldiers.
On Thursday afternoon Dean Starr presented the Bibles and service books, the gift of the Bible Society, to members of the 59th overseas battalion. In making the presentation, Dean Starr made an appropriate address.

To Raise Twenty-Five.
The township of Ono is hoping to raise twenty-five recruits for overseas service and to have them quartered at Sharbot Lake during the winter.

Don't look as though Cape Vincent, N. Y., was going to have a bank very soon.
