NEWS ABOUT TROOPS QUARTERED IN CITY

In spite of the fact that the recruiting for the 93rd Battalion in Peterboro is drawing a large number of the men from that city into the infantry ranks, Lieut. E. D. Huycke, 33rd Battery, who is recruiting there, is meeting with success and expects to bring down a large number of men for his unit.

Peterboro has a large number of men in Major Sears' Battery and for this reason the friends of these men are more anxious to enlist in that unit than in others, even in the 93rd Peterboro Battalion. There have been 125 Peterboro men in the 33rd Battery, fifty-three of whom, under Lieut. Huycke's brother, went over with the last draft.

Recruits are arriving for the three batteries so rapidly that it is almost impossible to secure quarters for them. It is claimed by men who know the game that every branch of the service is equal as far as securing recruits is concerned and that it depends on the personality of the recruits and inoculating men who have just joined.

There were 167 men in the 32nd Battery on Tuesday.

Lieut. King, 32nd Battery, gave the men a lecture on elementary gunnery on Tuesday.

Capt. J. A. Stewart, Sanitary officer, is constantly engaged in looking after the sanitary condition of the garrison.

Lieut. M. M. Johnston, 34th Battery, who is confined to his home in Montreal through an injury to his leg, will likely be ready for duty again in ten days. He was able to be up on Tuesday for the first time.

Of the 34th Batterymen only ten per cent. smoke and only six per cent. touch liquor at all—a remarkably high standard—alike a tribute to the cleanness of sport and the high class of young men joining the battery.

The forty men under Sergt.-Major Parker of No. 3 Company C.A.S.C. are again quartered in the old quarters at 247 Brock street. They take physical exercise work every morning in the St. Mary's school yard.

In conversation with the Whig, Capt. Steacy, commander of "C" Battery, R. C. H. A., stated that he would be pleased to accept 100 men from Kingston for a draft from the battery for overseas service. "C" Battery has a wonderful reputation in Toronto and the men who are in the battery are constantly writing to their friends urging them to join. Kingstonians have not been enlisting in the R.C.H.A. very rapidly, however, and Capt. Steacy wants to give them an opportunity.

Since June last 320 men have left the ranks of "C" Battery for the front, and besides another draft of 100 ready to go, there are over 300 men.

Thirty-four men were examined by Major Mylks, A. M. C., on Wednesday morning. The remainder of the fourth draft are being inoculated.

Retreat is being sounded this week at 4.45 p. m.

Great coats have been taken into wear between reveille and retreat.

Lieut.-Col. J. E. de Hertel, O. C. 130th Battalion, Smith's Falls, was in the city on Wednesday morning working with Col. T. D. R. Hemming on the selection of officers for his unit.

Lieut.-Col. H. J. Dawson gave a lecture to the officers of the 59th Battalion on "Trench Defence" on Tuesday evening.

Lieut. Godson, 59th Battalion, was thrown from his horse on Tuesday afternoon and is confined to his room.

The 59th Battalion field-kitchens are being used as auxiliaries to the regular cooking equipment at the Armouries, and the men are receiving as good meals as when at Barriefield.

Capt. A. W. Winnett, A.D.D.S., is in Ottawa.

Major S. B. Scobell of the 19th Lincoln Regiment, St. Catharines, has been appointed as officer commanding the 138th Overseas Battalion to be organized in Durham County.

The men of "C" Squadron, Depot Regiment, M. R., were engaged in troop and squadron drill on the Cricket Field on Wednesday afternoon.

Lieuts. Stevens and Carey, C.M.R., are spending the week-end in Montreal on important business.

There are now seventy-eight cadet corps in this Division with a total of about 4,000 cadets.

It is understood that there are forty men from this district waiting at Quebec to be examined by a medical board.

Oddfellows' Relief Participates in New Canadian Loan.

The Oddfellows' Relief Association, Kingston, will take \$100,000 of the new Canadian loan. The security will run for ten years at five per cent., but will be sold in all cases without underwriting, and will yield to the investor about five and a half per cent. The order of the Oddfellows' Relief Association has been placed with the Finance Department at Ottawa through W. F. Nickle, M.P., who is a director of the Association.

Red Cross Concert.
At the concert to be given under the auspices of the Ladies' Musical Club in aid of the local Red Cross Society in Grant Hall on Tuesday, Nov. 23rd, Kingston people will have the opportunity of hearing Mme. Beatrice La Palme, the famous French-Canadian soprano. She is one of the most accomplished of concert singers, possessing not only an exquisite voice, but a charming personality as well. Her first appearance was in London at Buckingham Palace before King Edward and Queen Alexandra. Shortly after she was engaged for the Covent Garden season, and her debut there was made as "Musette" in "La Bohème" with Melba as "Mimi." We owe such a singer a very enthusiastic reception in recognition of her kindness and generosity in giving her services here in aid of the Red Cross fund.

WON V.C. MANY TIMES

SO SAYS CAPT. PONTON ABOUT CAPT. G. RICHARDSON.

He is Loved by His Men—Capt. "Dick" Ponton in Kingston Hospital Praises the Staff For Care and Attention.

Capt. R. D. Ponton is resting in the General Hospital, feeling quite comfortable. He will have to remain quietly in bed for several weeks while the healing process goes on. "Then I am hoping I will have two good legs to walk with," remarked the sturdy young officer. He is greatly pleased with the attention given him by the doctors and nurses. He occupies Room 16 in the Empire Wing. "I have been through French and English hospitals," he said, "and they have nothing on you for care and attention in the Kingston Hospital."

Capt. Ponton was revelling in choice flowers sent him by friends when the reporter called. He looked very cheery and said he hoped soon to be fit again. On Monday night Mrs. Davidson, mother of the late Allan (Scotty) Davidson was a caller and Capt. Ponton went over the details of her boy's sad ending for he was right at hand when the fatality occurred. He remarked on the fearlessness and courage of Allan, his bravery in the face of death, his gentleness and gentlemanliness at all times. They marked his last resting place and tenderly, though sorrowfully, turned away to let him sleep until the blessed awakening in another sphere.

Capt. Ponton is a great admirer of Capt. George Richardson with whom he spent nearly six days in France. "I don't know if the people of Kingston know it, but I do, that he is one of the bravest, coolest and best men in the fight. His men love him and he lives for them. At Langemarck he showed the really heroic character. He has won a V.C. many times." Capt. Ponton spoke of the bravery of the Canadians who at Langemarck met and held a foe forty times as strong as they were. "We all gave up hope of coming out alive but we held on by our teeth and though attacked seven times we did not flinch. And this in face of the fact that reinforcements were not within forty miles of us. My but the Canadians fought with determination and were the admiration of all the forces British and French who were near at hand. They never expected the foe could have been so splendidly held at bay."

A Coming Address.
Owing to the prolonged discussion on the power question on Tuesday night, Aid H. W. Newman did not have an opportunity of addressing the members of the Board of Trade on resolution asking for a reduction in the membership of the City Council. His address will be given later on.

DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Sage Tea and Sulphur Darkens So Naturally That No-body Can Tell.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears; and after another application or two, your hair becomes beautifully dark, thick and glossy.

Drug Clerk Tells How To Cure Indigestion

Recommends to Sufferers the Best Stomach Remedy in Kingston To-day.

"It is a wonder some of us have stomachs left," remarked a well-known drug clerk recently. "While all drug stores sell a score or more of stomach remedies for which there is a wide demand, most of them are just penny pills which, while doing a little good, do not reach or cure the cause. So the same people keep on coming here and buying and using them until they are real chronic peptic. When anyone really asks my advice, I don't recommend ordinary bisulphated magnesia, which doesn't digest the food at all but acts as an acid and sweetens the sour fermenting contents of the stomach. That stops the pain, heart-burn, sour rising, wind, bloating, fullness, etc., in just a few minutes, and the stomach digests its food without help or trouble, which is the proper condition."

"Doctors make mistakes sometimes," he continued. "My own aunt had all kinds of trouble for years. She bought and used several styles of digestive pills but got worse right along, as naturally she would. Finally she went to a doctor, who nearly scared her to death by telling her she had cancer of the stomach. She came to me with his prescription and told me what he said. I thought it was nonsense. I sent her to another doctor whom I knew very well and he didn't tell her anything, but just gave her this same 'thing, bisulphated magnesia. She took it two weeks and never has had any stomach trouble since and that's three years ago. She's my own aunt and I know this for a fact. Yes, a lot of bisulphated magnesia is sold in Kingston. All the druggists have it. I suppose, and all you take is a teaspoonful after every meal. It's all right."
