### DIED AGED NINETY-ONE

**JOHN ALBERT PASSES AWAY AT PLEVNA ON 12TH.**

Saw the Late King Edward Lay the Corner Stone of the Parliament Buildings in Ottawa—An Old Whig Reader.

Plevna, Nov. 18.—The death occurred at Plevna on November 12th of John Albert, from peritonitis. He was born in the township of Napine, province of Quebec, ninety-one years ago, and moved to Plevna fifty-eight years ago, on to the farm where he resided at the time of his death. His wife died five years ago. He is survived by four sons and five daughters, Henry, of Deloraine, Man.; John Damos; Erin, Plevna; Mrs. Fulbrook, Victoria, B.C.; Mrs. A. Jackson, Venachar; Mrs. J. Gorr, Plevna; Gussie Napanee, and Mabel, Kingston.

The funeral took place Sunday from the residence of his son, Ervin, to the cemetery at Playfair's Corners. Rev. Mr. Sampson, Plevna, officiated at the service. The pallbearers were Thomas Tate, Joseph Card, Edward James, Thomas Armstrong, James Shultz, Luther Tooley. Among the relatives present from a distance were Mr. and Mrs. A. Jackson, Venachar; Miss Gussie Albert, Napanee, and Miss Mabel Albert, Kingston.

The 'deceased' leaves fifty-one grandchildren, thirty great-grandchildren. He was a Methodist and an Orangeman. The late Mr. Albert will be missed very much by the people of this community. He always had a cheerful word for every one, and was very smart and active. He was only taken to his bed ten days before his death. He thought nothing of walking to the village for the mail, a distance of a mile. Mr. Albert had the honor of seeing the late King Edward lay the corner stone of the Parliament Buildings in Ottawa. He was a Liberal in politics, and read the Whig for a great number of years, and thought there was no other paper just as good.

### A VERY SUDDEN DEATH.

**Was That Of Michael Lyons Of Centreville.**

Centreville, Nov. 16.—The farmers are busy at their fall ploughing. The ploughing this year is late than usual on account of the wet weather and so much threshing. Death again entered this hamlet suddenly on Monday morning last and called away Michael Lyons. He was in his usual health on Sunday evening and died suddenly on arising on Monday morning. His remains were placed in the Roman Catholic vault on Wednesday to await future interment.

The many friends and relatives of James B. Weese gave him an enjoyable birthday party on Monday night. He received a number of useful and costly presents. The cheese factory is still running and doing an extra amount of work for this time of the year and as usual paid off the last month more than any of the neighboring factories, the patrons receiving \$1.46 per hundred for their milk. The young men of Croydon held a ball here on Friday night which was quite a success. Our local sports have returned from deer hunting with varied success. Miss Lefa Hudson who underwent an operation in Kingston General Hospital is improving nicely and is soon expected home. Patrick Shannon has bought back his village property and moved in his house.

**Drank Carbolic Acid; Died.**  
Lindsay, Nov. 19.—A\* Uphil, a fatality of a most distressing character took place on Nov. 5th, when the baby girl of Mr. and Mrs. Herbert McCaughey died from an overdose of carbolic acid.

On the morning of Mrs. McKinnon's funeral, Mrs. McCaughey, with her child, went to the home of Mr. McKinnon to attend the funeral services. It is understood that there had been some carbolic acid in a vessel which had been placed near the remains, and during the period following the removal of the coffin from the residence the deadly fluid had not been put away. The unfortunate child in its innocent rambles about the room came across the poison, and unobserved drank a quantity of it.

**Gananoque Soldier Promoted.**  
Gananoque, Nov. 19.—In a letter to his mother the news was received that Bernard Napolis has been transferred from France back to Shorncliffe and London, under a commission to be an officer and will remain at the former place. His mother, Mrs. Frank Napolis, has so far knit 125 pairs of socks for the soldiers since the war broke out, and she is still knitting.

At Athens, William Steacy, manager of the Industrial Home, has purchased from A. Ransome the Dono van property.

Huycke, and who passed away on Sunday night after a period of intense suffering. Miss Tate was well and favorably known in Hastings, where she had made a host of friends. She moved with her sister, Miss Lily, to Peterborough, some two or three years ago, but failing health caused her to give up house-keeping and she was removed to her sister's home here, where she passed away as before stated. ## War Loan To Be Attractive Field For Investment

Halifax, Nov. 19.—Speaking to the Canadian Club of Halifax on "The Progress of the War," Hon. W. T. White, Canadian minister of finance, said that Germany had reached and passed the zenith of her power, and that the advantage now rested with the Allies, and that this advantage would be increased day by day. "Hang on," he said.

Addressing a largely attended meeting of business men at the Board of Trade, Mr. White said that prior to the outbreak of the war Canada had been borrowing millions every month. When war was declared no more money could be borrowed. For the first six months after August, 1914, Canada had an adverse balance of \$60,000,000. Since then all had been changed. There was now a trade balance in our favor; economy had resulted in the home resources. Our manufacturing industries were working at capacity and our crops were heavy.

This war would be won by the nation that could longest stand the strain on her resources. Canada had sent thousands of men, and he thought she could now send money also. A Canadian war loan would be announced, in all its details, on Monday next. This loan would present an attractive field for investment and he hoped that the people of Canada would give it their support.

### TURKEY FAIRS.

**Forty Tons Placed on Train at Lisbon, New York.**

Ogdensburg, N. Y., Nov. 19.—The annual series of turkey sales in Northern New York to supply the east for Thanksgiving began yesterday at Madrid, where thirteen tons were sold at prices ranging from 28 to 30 cents.

One of the largest crowds in years was at Lisbon yesterday, disposing of the fowl, and about forty tons twice the usual amount, were sold at prices ranging from 25 to 33 1/2 cents, the latter price being restricted, however, to a special lot of fifteen turkeys averaging seventeen pounds.

It is estimated that about sixty tons, as last year, will be sent from this section Saturday. Last year from 27 to 31 cents were paid for turkeys.

### Turkey Weighs 35 Pounds.

Watertown, N. Y., Nov. 18.—One of the largest turkeys ever raised in this section of the country, and larger than the one which is usually sent as a gift to the President at Thanksgiving, was exhibited here. The turkey weighed thirty-five pounds. It was raised on a farm near Adams and was brought to the Elkhorn market in this city. The bird was killed on Thursday afternoon.
