## John McKay,

KINGSTON'S RELIABLE FUR HOUSE.

### PRESENT DAY EVILS

DESTROYING MORE SOULS THAN THE PRESENT WAR.

So Declared Rev. Dr. Gandier, Principal of Knox College, Toronto, in Sermon at Convocation Hall, on Sunday.

"What we need to-day are men and women who will rise above their personal and party interests and give themselves to fight the curse of drunkenness, gambling, political corruption and social evils. These things we have right here in our every-day life and they are destroying more souls than the present war. Far greater than the need of the soldier with rifle and bayonet is the missionary with the Bible, to save the great need of the Church to-day is the embodying of Jesus Christ to mankind. Our dreadnoughts and machine guns will smash such things that need to be smashed, but those alone will not reconstruct human society, nor bring a new Heaven and earth."

The above is one of the striking passages of the sermon delivered at Convocation Hall, on Sunday afternoon by Rev. Dr. Gandier, principal of Knox College, Toronto, who gave a stirring discourse on "The Love of Christ." He spoke of Christ giving His life to save the world. John said that no person knew the meaning of the word, "love," until Christ gave up His life for His people. Some people were willing to die for a friend, but Christ gave up His life for the sinful and the hateful. His love was of the kind that no person had ever heard of before. There was one thing God could not do, and that was what the Germans were endeavoring to do—to reduce the world by force. It could only be accomplished through love and sacrifice.

The speaker declared that these were days when it was necessary for people to show courage, self-sacrifice, and willingness to die for a good cause. It was a grand thing to know that just at this, the most important stage in the world's history, that the manhood of our nation had not failed.

### Baby Carriage Is Missing, Police Puzzled

The police have a baby carriage mystery on their hands. The question to be solved is this: Was a baby carriage stolen or blown away by the wind?

On Sunday a man who gave his name to the police as Kennedy stated that he left a baby carriage in front of a home on upper Johnson street. When he came out of the house to return to his home the baby carriage was missing. As there was a very high wind, it was believed that the carriage might have been carried down the street. A thorough search was made for the carriage, but it could not be found. Some person might have found the carriage and taken it home, awaiting the owner. Constable Samuel Arnel is investigating the case, and would like to get information about it. Luckily there was no baby left in the carriage.

### RECOVERED STOLEN GOODS.

Constable Bateson Succeeded in Landing Missing Jewelry. The law has a good memory, as is shown in the fact that Constable Bateson has just landed considerable booty which was stolen about a year ago. The store of Louis Routhard, Princess street, was robbed, and considerable jewelry taken. Constable Bateson while on his rounds, picked up the jewelry where it had been disposed of. Proceedings will follow, provided the parties involved can be caught.

### ANOTHER BODY FOUND.

Thought To Be the Second Engineer of Tug Barnes. On Sunday another body of the crew of the tug Barnes, which was lost in the big storm nearly three weeks ago, was found at Salmon Point. It is thought to be that of the second engineer, and has been sent to Toronto to be identified.

### Removed Big Pole.

Men were at work Monday morning removing one of the big poles in front of the Whig office used for the electric wires, and which has stood in this position for many years. The removal of the poles and the placing of the wires underground has been a great improvement, and on Monday morning the Whig heard many citizens comment on the matter, stating that it was certainly a good thing to have the poles taken down. "When you look at the poles now you wonder why we ever allowed them to be on the street," said one citizen.

### Sacred Ritual For Red Cross.

A sacred ritual in aid of the Red Cross was given in Sydenham Street Church on Saturday afternoon under the auspices of the Ladies' Musical Club, and the collection amounted to \$45. Organ solos were given by Miss M. Shaw and Miss Eileen Wright; an anthem by the choir; vocal solos by Mrs. Arthur Craig, Harold Angrove, Miss Carrie Waldron and W. E. Evans; violin solo, Miss Norma Teigmans; anthem, Mrs. Archer, Mr. Eva and the choir; hymn, Mr. Angrove and choir.

### Dredge and Scow Ashore.

A bucket dredge and a scow, being towed by two tugs to Port Dalhousie, to do work at the new canal, went ashore on Friday while crossing the upper gap. It was expected that both would be floated Monday and proceed to their destination.

65c saved in one week means \$2.72 in a month, or \$32.64 in one year, is how one customer figured it out who saved it last week by going to Gibson's Red Cross Drug Store for drug wants.

### WOUNDED A SECOND TIME

Pte. D. A. Fornieri Struck In Arm With Shrapnel.

PTE. D. A. FORNIERI, a Kingston soldier, Pte. D. A. Fornieri, son of Canon R. S. Fornieri, fighting at the front, has been wounded a second time. He was wounded in the Battle of Langemarck and his father has just received word that he has been wounded a second time. He was struck in the arm with shrapnel, and was admitted to No. 13 General Hospital, in Boulogne, on Nov. 12th. It is believed that he was wounded in a recent skirmish reported at Loos, in Belgium.

### Red Cross Concert.

Madame Beatrice La Palme, the famous soprano, will sing for the first time in Kingston, in Grant Hall, on Tuesday, Nov. 23rd, under the auspices of the Ladies' Musical Club in aid of the local Red Cross Society. Music lovers should not miss this opportunity of hearing this great singer. Only seven names are written in "Le Hore d'Or" or "Book of Gold." The roll of honour of the Opera Comique in Paris and that of Beatrice La Palme is one of them. Concerts which she has given in London and in New York have been noteworthy successes. Her voice is that of a pure soprano, of never-failing sweetness, purity and warmth. She has thoroughly learned the art of self-control and never forces her voice, but sings with all of the ease and purity which is to be found in a really great artist.

### Returning Home.

Major the Rev. T. J. Thompson, Ottawa, son of Thomas Thompson, Earl street, Kingston, who has been chaplain with the British forces in the Dardanelles and in Egypt, has returned to England, and is now visiting the Canadian trenches. He will return to Canada within a week or so.

### To Cure a Cold in One Day.

Take LAXATIVE BROMO QUININE Tablets. Druggists refund money if it fails to cure. E. W. Grove's signature is on each box. 25c.

Pte. Richardson, R. C. H. A., was removed to the General Hospital, suffering from blood poisoning in the foot.

82 Brock Street.

### PROGRAMME ARRANGED

FOR THE VISIT OF THE AUSTRALIAN CADETS.

To Kingston Friday Next—To Be Welcomed by the Mayor and a Deputation of Citizens.

On Saturday afternoon a tentative programme for the visit of the Australian Cadets to Kingston on Friday next was drawn up. The cadets will arrive during Thursday night via G. T. R. At 8 a.m. on Friday the cadets will be welcomed by the Mayor and reception committee, consisting of Col. Hemming, Ogilvie and Perrean, Major Gillespie, Messrs. R. Meek, J. M. Farrell and J. G. Elliott. Mayor Sutherland will give the welcoming address. The Collegiate Institute cadets and the R. C. H. A. band will attend. The visitors will then be taken to their billets in city homes for breakfast. At 10 a.m. the Collegiate Institute, public schools and Queen's will be visited. Luncheon will be served at 1 p.m. at the Royal Military College, to which representative citizens will be invited. The college will be inspected, with perhaps a short gymnastic exhibition. At 3.30 p.m. the Locomotive Works will be visited. At 6 p.m. the cadets will be the guests of the Y. M. C. A. for supper. A concert and exhibition of the cadets will be given in the City Hall at night.

On Saturday morning several hours will be given up to visiting the stores and other places. At 10 a.m. the troops will have a march past at the City Hall, and at 10.45 a.m. the cadets will leave for Ottawa via the C. P. R.

Col. Perrean generously offered to put the cadets up at the Royal Military College, but it was thought better to have them stay in city homes and to meet the young men. The cadets range in age from thirteen to eighteen years, the average age being over seventeen. The Mayor is preparing the billets, and would be glad to hear from ladies who would like to act as hostesses, and homes with boys are preferred. The cadets have been well received on their Canadian tour. Among the number are some of the best athletes and gymnasts of Australia. Among those at the committee meeting were Mayor Sutherland, Col. Perrean, Major Gillespie, Physical Director Powers of the Y. M. C. A., and Messrs. Meek, Farrell, Laird and Elliott, of the Board of Education.

### Does Sewing Tire Your Eyes?

You should experience no discomfort in doing the finest kind of embroidery or sewing if you wear correct glasses or have perfect vision. If you find difficulty in reading or sewing for any length of time you should consult us at once. Our skill and experience are at your service.
