## CHILDREN'S COUGHS

What Every Mother Should Know.

Doctors declare that cough-cures containing opium, morphine,  
or paregoric should never be given to children, save under  
medical directions. Most cough mixtures contain those  
things; Veno's Lightning Cough Cure does not. Veno's is  
guaranteed poison-free, and the ideal children's cough  
remedy. All kinds of children's coughs yield to Veno's—  
even whooping cough, however violent.

Awarded Grand Prix and Gold Medal, International  
Health Exhibition, Paris, 1910.

Ask your English, Scotch, Irish, Welsh friends about Veno's Lightning  
Cough Cure. They know Veno's is a British remedy, made in Britain by  
British capital and labour, and used wherever the grand old British flag  
flies. Give it your children, take it yourself; it is the remedy for—
