

GERMANS RETREAT ALL ALONG THE DVINSK

GREECE AND ALLIES ON FRIENDLY TERMS

The Promises the Entente Powers Made--Interest Now Centres Upon the Attitude of Roumania--Germany is Fearful of the Latter.

(Special to the Whig.) London, Nov. 26.—Cardinal relations between Greece and the Entente Powers have been established with the Greek Government's assurances that no attempt will be made to interfere with the Allied troops should they under any contingency be forced to cross the Greek frontier, and that, as heretofore, railway and other facilities will be afforded them.

Italians Take More Trenches Near Goritz

London, Nov. 26.—The capture by the Italians of fresh Austrian trenches on Monte Calvario, which overlooks Goritz, are officially reported from Rome to-day.

REFUSED RESIGNATIONS OF FIVE OFFICERS OF THE 33RD BATTALION

(Special to the Whig.) London, Ont., Nov. 26.—Militia officers here, who expected dire things from Sir Sam Hughes' threats, are at a complete loss to understand his actions.

CANADIANS MUST SECURE PASSPORTS TO ENTER THE BRITISH ISLES

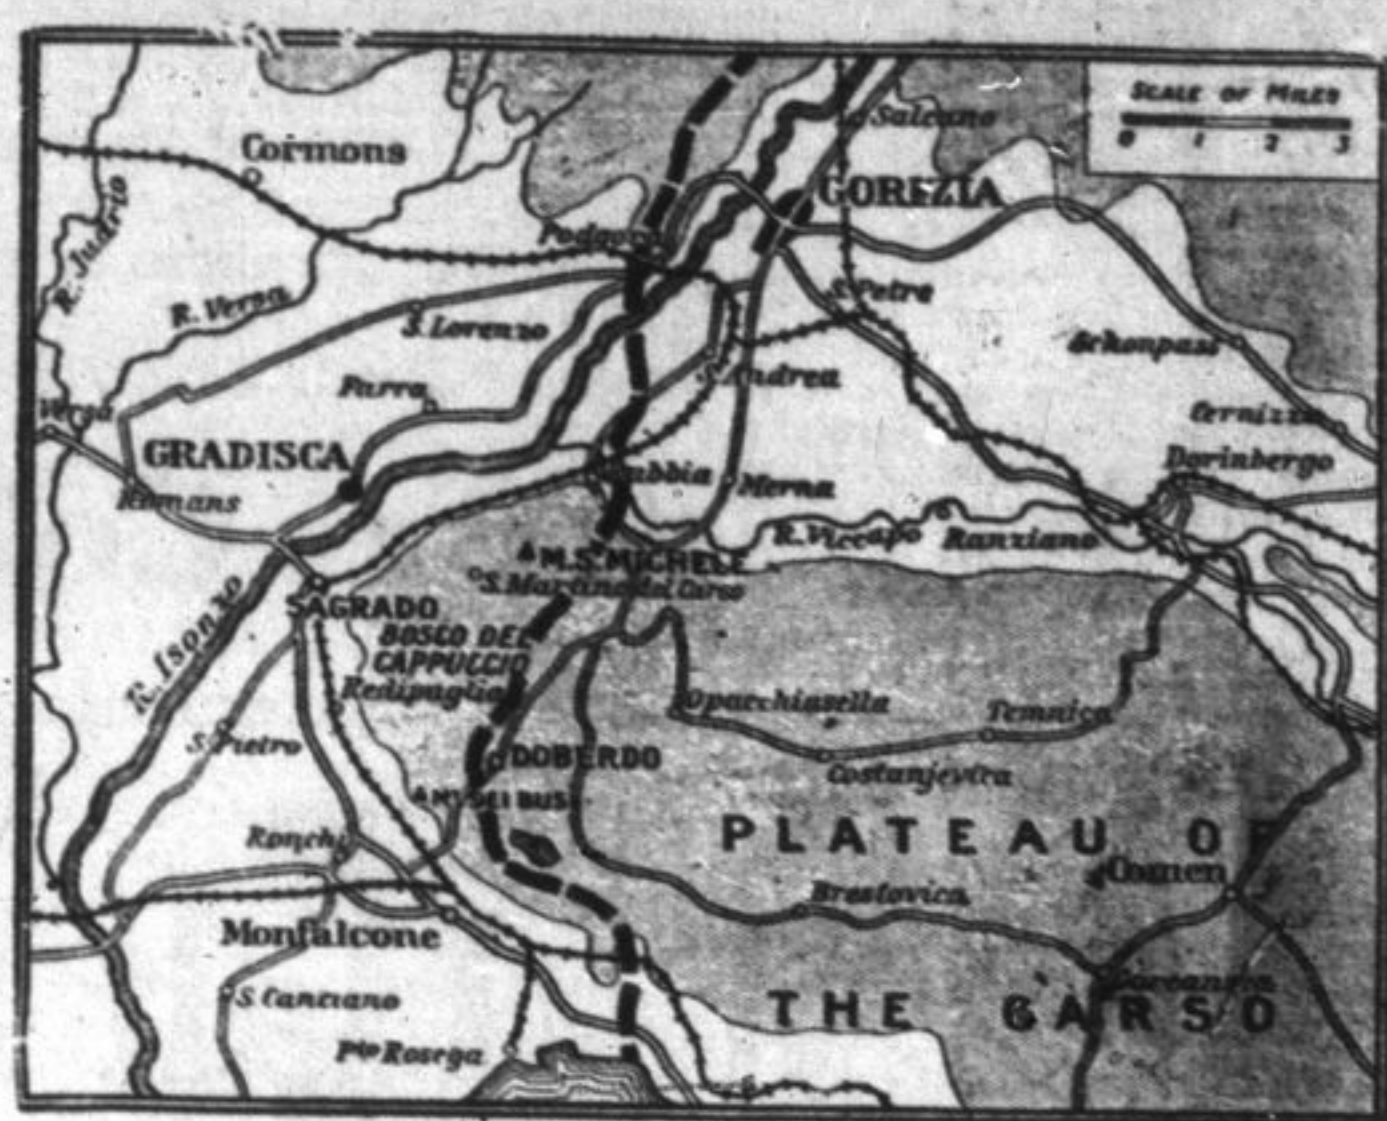

(Special to the Whig.) Ottawa, Nov. 26.—Henceforth all British subjects without exception must secure passports before entering England, Scotland or Ireland.

French Cannons Batter Down Foe's Line

Paris, Nov. 26.—French artillerymen battered down a number of German field-batteries and machine-gun shelters, especially along the centre of the battle line, between the Aisne and the Somme, by sustained bombardments Wednesday night.

The happy turn of events between the Entente Powers and the Greek Government is generally attributed to the visits of Lord Kitchener and Denis Cochin.

THE ITALIAN CAMPAIGN AGAINST GORITZ. Announcement that the Italians have taken Podgora Heights lends new interest to the desperate but hitherto indecisive fighting on the Isonzo. If Goritz were taken the Italians could direct their attention towards a campaign against Trieste.

A GERMAN DESERTER REACHES NEW YORK AS STOWAWAY ON VESSEL

New York, Nov. 26.—Heinie Schultz, late private in the German army, reached New York yesterday, a deserter and a stowaway aboard the Dutch steamer Noorderdyk.

ANOTHER DEFORMED BABY TO BE LET DIE

Doctor and Infant's Father Agree to Let Nature Take Its Course. New York, Nov. 26.—The hopelessly deformed daughter of Mr. and Mrs. Joseph E. Roberts, who was born on Tuesday night, will be permitted to die a natural death, even though an operation might prolong her life.

FOR THE FRENCH WAR LOAN—NOW REACH FIVE BILLION

(Special to the Whig.) Paris, Nov. 26.—Subscriptions continue to pour in to-day to the "Loan of Victory," as Minister Ribot calls the new five per cent. bond issue. The rush is country-wide.

DO NOT WANT BOY-ED'S NAME BROUGHT IN

(Special to the Whig.) New York, Nov. 26.—The certain evidence regarding Captain Boy-Ed, German naval attaché, will not be introduced in the trial of the four Hamburg-American line officials for illegally furnishing supplies to German commerce raiders, because of the attitude of the State Department, was hinted to-day.

AROUSING MOSEMS. GERMANY ATTEMPTS TO STIR UP HOLY WAR

London, Nov. 26.—A Pekin cable says that at Shanghai there have been seized a quantity of German proclamations, calling on all Moslems to embark on a holy war against Great Britain and the Allies.

There are in the Chinese Empire many millions of Moslems, which probably accounts for the proclamations being found at Shanghai, but it is known as well that a German propaganda has been active throughout China for some time past.

URGES UPON GOVERNMENT TO CLOSE ALL PLACES WHERE LIQUOR IS SOLD

(Special to the Whig.) Toronto, Nov. 26.—At the annual meeting of the Reform Association of Ontario held to-day in Temple Building, N. W. Rowell, leader of the Ontario Liberal Opposition, called upon the Ontario Government to close all bars, clubs and liquor shops during the period of the war, the licenses not to be re-issued without the vote of the people.

SPLENDID ORDER OF PAPILS. HARRIER RACE ON SATURDAY

Lieut. Simons, commander of the Australian cadets, expressed his great pleasure at the excellent conduct of the Kingston school children who were lined on various streets to give the Australians a greeting on Friday morning. He intimated that he had never seen such good order maintained by school children.

There are over fifty lieutenants of the 5th Field Battery with the Canadian Expeditionary Force.

The Germans Are Retiring Along Dvina

London, Nov. 26.—Convinced that the Germans are engaged in a general retreat all along the Dvina, military men are interested to-day concerning the Kaiser's probable choice of a line of defense for the winter on the northern section of his Russian front.

That the retrograd movement marks a definite abandonment of all thought of the capture of Riga before spring, is considered certain. The Russians announced some time ago that they deemed the city as safe for the present. Latest developments are the first sign that the Germans have come to the same conclusion.

The German offensive break-down is attributed to three things: The increase in the Russian ammunition supply, a German shortage of munitions and the weakening of the German line for the Balkan campaign.

WAR TALKS. FOUR GERMAN AVIATORS WERE FOUND FROZEN TO DEATH IN THE MARSHES NEAR RIGA, WHERE THEY WERE FORCED TO DESCEND

Fierce artillery fighting in Alsace was followed by a French infantry charge and the capture of a hill overlooking the German railway line. It is reported that the Serbs gave the Bulgars another bad defeat on Thursday and have regained much territory.

CANADIAN FLIER WAS HIT BUT REACHED SAFELY

London, Nov. 26.—An interesting feature of last night's meeting of Canada Lodge, A. F. & A. M., was the initiation into Freemasonry of an aviator who had flown from the north for the purpose of being present. This was Captain Kenneth Edger Kennedy, of Sherbrooke, Que., who is well-known in Montreal, Ottawa and Kingston, and who already has made a reputation as a Canadian Arctic explorer.

He is at present with the Flying Corps in England, but has done good work at the front. One narrow escape which he had recently was unique. A shell burst several hundred feet below his machine, and one fragment was hurled upward, breaking part of his propeller and hitting Captain Kennedy on the chest. The impact wounded him, but he managed to reach the ground safely. Capt. Kennedy sent the fragment of shell to the War Office on request, but asks for its return as a souvenir.

GREEN PARROT YELLED "FIRE" IT WARNED INMATES OF MONTREAL HOTEL OF DANGER

Montreal, Nov. 26.—"Fire! fire! Hurry up! hurry up!" yelled a big green parrot in the New Carlton Hotel, 107 Windsor street, as flames shot up from the basement at 6.30 o'clock yesterday morning. At the same time the house fire-bell began to ring and the twenty men and five women in the hotel fled by the fire escapes without waiting to dress.

ROUMANIA SOON TO JOIN ENTENTE SAYS M. JONESCU

Geneva, Nov. 26.—The Bucharest correspondent of the Geneva Tribune sends a despatch in which Take Jonsescu, a former member of the Roumanian Cabinet, and leader of the Liberal party in Roumania, is quoted as expressing the belief that the Roumanian Government "is desirous of following the national policy and soon will intervene in the war on the side of the Entente Powers."

M. Jonsescu, according to this despatch, also said he had learned from Petrograd that a Russian force was ready near the Roumanian frontier to aid Roumanians against Austria and Bulgaria.

BRITISH GOLD WILL OUTLAST GERMAN MEN

London, Nov. 26.—"In war of exhaustion, such as this one, the financing efforts of the country must be one of the main factors upon which success will ultimately depend. The total numerical superiority of the male population of the Allies over the forces of the enemy is overwhelming, but the exact cost of their maintenance as armies in the field must be considerable measure borne by Great Britain. Long before British money runs short the supply of German men will be exhausted."

This is Hon. Reginald McKenna's frank and optimistic statement of the war's outlook from the British standpoint given in an interview to-day.

British and French transports continue landing troops at Salonika by tens of thousands.

TO AID SERBIA IS GREEK DESIRE

Former Premier Venizelos Declares That the Nation's Will is Being Thwarted--Confident of the Success of the Entente Powers.

Rome, Nov. 26.—London Daily Telegraph despatch.—Former Premier Venizelos of Greece has sent to The "Corriere Della Sera, of Milan, the following remarkable statement: The people of Greece are unable at present to make any demonstration, or to maintain publicly their opinions and principles. All meetings have been prohibited. Nevertheless, the Hellenic soul is working in all lands in favor of Serbia, and with a vision of glorious Greece before it.

I remain unshaken in the conviction that final victory will be with the Entente, because I think that if the central empires could not win at the beginning, when they were well prepared and their forces were intact, while the Allies were only incompletely prepared, then they can no longer do so.

I am also convinced, despite everything, that the prosperity and safety of Greece lie in a union with the Allies, who will not merely be victorious, but who will have command of the sea, on which depends the future of Greece.

By continuing neutral Greece will not avert, but will only postpone, a war against Bulgaria, and she will expose herself to the danger of having to fight alone against a more powerful enemy.

The intervention which I proposed in January, and before my resignation, would have secured for Greece, with smaller effort on her part, the greatest of advantages. I am now able to state that in my third memorandum to the King,

HOPES WILSON WILL APPROVE OF PEACE SHIP

(Special to the Whig.) New York, Nov. 26.—Henry Ford left New York to-day, hoping to win before night the approval of both President Wilson and Cardinal Gibbons for the peace ship that is to sail for Europe on Dec. 4th.

Mr. Ford will talk over plans with Cardinal Gibbons at Baltimore. He will urge the Cardinal to lend his influence to the Christmas peace mission by accompanying the voyagers to Europe.

From Baltimore Mr. Ford will go to Washington, where he will accompany Mrs. Philip Snowden, wife of the member of the British Parliament, and Mme. Rosiker Schwimmer, Hungarian peace advocate, to the White House to present his plans to President Wilson.

ANOTHER GERMAN CRUISER WAS SUNK IN BALTIC AT SAME TIME AS UNDAINE

(Special to the Whig.) Petrograd, Nov. 26.—The German cruiser Frauenlob was sunk in the Baltic at the same time as the Undine was recently sent to the bottom by a British submarine, it was semi-officially stated here to-day.

The Frauenlob, like the Undine, was a protected cruiser of 2,672 tons, carried ten 4.1-inch guns and had a full complement of 275 men.

WILL STRIKE AT TEUTONS THROUGH SOFIA

(Special to the Whig.) Paris, Nov. 26.—Further landings of French and British troops are reported at Salonika to-day as a sequel to the settlement of the controversy between the Allies and the Athens Government concerning the Entente powers' campaign in the Balkans.

The belief is general here that the Allies will not undertake an extensive sweep through Serbia. German communications with Constantinople can be cut at Sofia as effectively as at any point in Serbia, and the campaign will have the additional advantage of striking at Bulgaria's vital.

A Russian movement across Roumania can also be conducted as well against Sofia as into Serbia.
