**NEWS ABOUT TROOPS
 QUARTERED IN CITY**

A very efficient organization for the instruction of the artillerymen is now being used. The work has been divided up among the different officers in such a way that each knows what work is necessary to specialize on, and with each branch of the work so well looked after the men's progress has been rapid. Lieut.-Col. E. C. Arnoldi, is supervising the training and each day draws up a syllabus of work for the week following and these are followed as closely as possible. Col. Arnoldi submits a report of the progress each week to the Department and expresses opinions as to different points which should be emphasized.

In paying the men of the battery each battery has an officer who is looking after the work personally. The system in use is to pay by cheque and before cash can be obtained the man to whom the cheque is payable must endorse it. In the case of the 34th Battery the battery commanders have an account at the bank and the cheques are drawn on this. In the case of the 34th Battery, owing to Major Massie being out of the city so much, Lieut. M. M. Johnston looks after the paying.

A route-march by the 32nd Battery for Wednesday afternoon was cancelled owing to the review by the Duke of Connaught.

The first harnessing drill for the artillerymen will be held on Friday when Capt. Gill will have the men of the 32nd Battery at the work. The horses of the different batteries have been at every possible opportunity given transport work to make them used to harness and in this way all of the seventy-five horses in use by the three batteries at the Drydock Barracks have been broken in. Driving drill will be taken up by all of the batteries as soon as possible. Each battery has only the harness for one gun-team of six horses but it is hoped that in the near future the Department will be able to allow more to be sent down for instructional purposes.

Leave for the artillerymen who are going overseas on the next draft is being given from December 2nd until December 7th.

The strength of the three batteries on the review by the Duke of Connaught on Wednesday will be as follows: 32nd 180; 33rd 225 and 34th 265. The cause of the first number

being so small in proportion is because the 32nd Battery is doing all of the guard duty for the barracks this week. The strength of the battery is 217.

The First Baptist church choir gave an entertainment for the soldiers on Tuesday evening.

Capt. G. L. Ord, 34th Battery, returned on Tuesday from Toronto where he spent a few days with his family. Lieut. M. M. Johnston was in command during the absence of Capt. Ord.

Major R. F. Massie is expected to return from Toronto this afternoon.

The 34th Battery had a fire-drill on Tuesday morning and the men were all out of the flat and the hose was in use three minutes after the alarm was sounded. Great precautions are being taken to prevent trouble should a fire break out in this building and the men are being shown how to use the various fire escapes.

The Duke of Connaught will inspect the Drydock Barracks this afternoon after the review on the Cricket Field.

Frank Purdy, formerly orderly room sergeant of the 80th Battalion, is attending the Provisional School of Infantry to qualify as an officer.

The contract for groceries for the two companies of the 59th Battalion at Brockville, has been awarded to S. A. Stagg.

Major J. Hamilton, A. D. S. and T. returned on Tuesday night from Petawawa where he made an inspection of the Army Service Corps. A company of tunnellers under Major Rogers is stationed at Petawawa and there are also a large number of Austrians who are making roads there.

Major C. J. Burritt, engineering officer, is in Brockville.

Twenty-one recruits were taken on the strength of "C" Battery on Tuesday.

Gr. McCann has been appointed to succeed Corpl. McLean as assistant pay-clerk of "C" Battery, R.C.H.A.

The strength of the 59th Battalion is 1,090.

TWO TEAMS ENTERED

FRONTENAC HOCKEY CLUB MAY
 PUT THIRD TEAM IN O. H. A.

Annual Meeting Held Tuesday Evening When George Vanhorn was Chosen To Succeed J. T. Sutherland, As Manager—Memorial To Be Arranged For the Late "Scotty" Davidson.

The Frontenac Hockey Club will enter two teams, a senior and junior, in the O.H.A. this winter. This was decided upon at the annual meeting, which was held in the City Council Chamber, on Tuesday night, which was a most enthusiastic gathering.

An intermediate team may also be entered, but the matter was left with a committee for further consideration. It is believed that the club will put in three teams, as with the additional material which will be available, as a result of the overseas soldiers in the city, it is believed that there will be ample material to get three good teams. The Frontenac Club enters the season with very bright prospects for a good season's sport, and also with good chances of bringing perhaps three championships to the old Limestone City.

In the absence of the president, George B. McKay, who was unable to be present, the chair was occupied by W. J. Driver, who ably presided over the gathering, which was a most representative one.

George Vanhorn, a former hockey player in the city, who figured on the old 14th Regiment team, and who is one of the best supporters of the Club, had the honor of being selected manager, by an unanimous vote. As a result of his having been elected to the position of president of the O.H.A., James T. Sutherland retired from the position of manager, which he has faithfully held since 1898.

The report of the treasurer, Bert Abernethy, while it showed a deficit of \$156, was regarded as a most satisfactory one, in view of the very heavy expense the Club had to meet. There is one small account yet to be paid. The total expenditure was given as \$1,098.75. At the start of the season 1914-15, there was a balance on hand of \$60.25; total cash received and mileage received was

WATCH SORE THROATS

because swollen glands or inflamed membranes often affect other tissues and lung trouble easily follows.

As Nature's corrector of throat troubles the pure cod liver oil in Scott's Emulsion is speedily converted into germ-resisting tissue; its tested glycerine is curative and healing, while this wholesome emulsion relieves the trouble and rebuilds the forces to resist tubercular germs and avert the weakening influence which usually follows.

If any member of your family has a tender throat, get a bottle of Scott's Emulsion-to-day. Physicians prescribe it to avert throat troubles, overcome bronchial disorders and strengthen the lungs. No harmful drugs. Always insist on Scott's.
 Scott & Bowne, Toronto, Ont. 15-22

\$904.40; loan from bank on note, \$134.10.

The following is a list of the expenditures: Referees' fees, \$68.25; mileage, \$25; hotel bills, \$80; railway fares, \$193.70; cab hire, \$9.75; advertising, \$14.25; telegram and telephone, \$31.21; sporting goods, etc., \$235.27; entry to O.H.A., \$12; incidentals, including gum, oranges etc., \$168.40; drugs and doctors' bills, \$35.92.

J. T. Sutherland stated that owing to his election to the position of president, he would be compelled to retire from the position of manager. He would, however, like to hold an honorary position, in order that he might keep up his connection with the Club. After referring to the fact that the prospects were good for a strong eastern section, as the Frontenacs would be grouped with the Connaughts (of Ottawa) a team from Belleville and probably one from Cornwall, Mr. Sutherland proposed to the position of manager. In doing so he paid a warm tribute to the part Mr. Vanhorn had taken in hockey a few years ago. He said that he had played the game as every player should play it, and all praise was due him for his interest in the sport, and for the best possible team to give Kingston the best possible team.

Mr. Sutherland has held the position of manager since 1898. Harold Hughes seconded the nomination of Mr. Vanhorn, and he was elected by a unanimous vote, and amidst loud applause. The selection of the Mr. Vanhorn certainly met with hearty approval of all present. That Mr. Vanhorn will look after his duties in an able manner, goes without saying, for he has had a long experience in the game, and he may be relied on to do the very best for the Club.

The selection of an assistant manager was then proceeded with. Stanley Trotter named "Jack" Powell. This was seconded by Edward Hartwick, and also carried by a unanimous vote.

Tribute was paid to the president, and other officers re-elected.

The Officers Elected.

Following is a list of the officers elected:
 Honorary Patrons—W. F. Nickle, K.C., M.P., Dr. J. W. Edwards, M.P., Col. A. E. Ross, Principal Gordon, Col. T. D. R. Hemming, Col. Brown, Mayor Sutherland, Col. G. Hunter Gilvie, Lt.-Col. A. E. Cunningham, W. A. Gliven, L. A. Guild, J. G. El-Hott, Sgt.-Major Vokes, Walter Macnee, A. E. Roney, E. F. Quinn, D. J. Millan, Dr. J. J. Hart, W. J. Briver, James Rigney, Sergt. E. H. Cock, Harold Hughes, Sergt.-Major Gordon Robert Crawford, Major Hamilton, W. Cook, W. W. Gibson, Lieut. "Jack" Williams, and Capt. Steady.

Honorary Presidents—Major C. A. Low, Major Massie, Capt. George Richardson, J. T. Sutherland, A. W. Wheatley, Capt. Webster.

President—George B. McKay (re-elected).

Vice-Presidents—John McDonald, H. Milne, P. Dowley, Edward Hartwick, W. Hipson, L. Sleeth, James Spence, "Jack" McGill, James Chatterton, Bert Abernethy.

Secretary—Stanley Trotter (re-elected).

Treasurer—Bert Abernethy (re-elected).

Executive Committee—To be composed of all the officers and the Chief Supreme Rooter.

Furs for Women

Just now we call attention to our showing of Neck Pieces and Muffs in such popular furs as Natural and Black Wolf, Fox, Siberian Wolf, Alaska Sable, etc. Proof that our furs are very moderately priced is here in abundance, and, judged by comparison, they are unequalled in value and attractiveness.

Campbell Bros.
 Makers of Fine Furs.

Manager—George Vanhorn.

Assistant Manager—"Jack" Powell.

Honorary Trainer—Samuel McCullagh.

Chief Supreme Rooter—"Jack" Macdonald.

Mascots—James T. Sutherland, Jr., Harvey Brouse, "Jack" Millan, "Aek" Cook.

Speaking relative to the prospects for this winter, Mr. Sutherland warmly advocated the entering of a junior team. He said there was always plenty of good material for a junior team. There was also good material for a senior team. Military men would be eligible to play, and as a result of the overseas soldiers in the city, there would be additional material to select from. He said that there was also a good chance of having an intermediate team. On his motion seconded by Harold Hughes, it was decided to enter a senior and junior team, and the matter of the putting in of an intermediate team was left over for further consideration by the next meeting.

The president, manager, Bert Abernethy and Reginald Crawford were appointed a committee to wait on the rink management and arrange for the games.

Tribute To "Scotty" Davidson.

Mr. Sutherland paid a feeling tribute to "Scotty" Davidson, the Portmouth boy, who gave up his life at the front, and who was for several years, one of the leading players on the Frontenac Club. A brilliant, clean, and many player, he had endeared himself to every hockey fan, both in and outside of the city, and the Club deeply mourned his death. "He did his duty as a true soldier, just as we expected him to do," said Mr. Sutherland.

On motion of Mr. Sutherland, a committee was appointed to consider a suitable memorial for the occasion, and the secretary was also instructed to send a letter of condolence to his mother.

Mr. Sutherland brought up another matter which was most fitting, that of having a Christmas gift sent to every member of the Club, who is serving at the front, and there is a score or more doing their "bit" in the great fight against the Germans. Another suggestion, and a good one, was that the members secure the names of all the members fighting at the front, as a record for the Club.

For Poland Sufferers.

It is expected that over \$2,000 will be the contribution of the diocese of Kingston to the Poland Relief Fund, for which Archbishop Spratt recently made an appeal. St. Mary's Cathedral contributed \$464. Already over \$2,500 has been received and a considerable balance is expected to bring the fund to over \$3,000.

**Dandruff Heads
 Become Hairless**

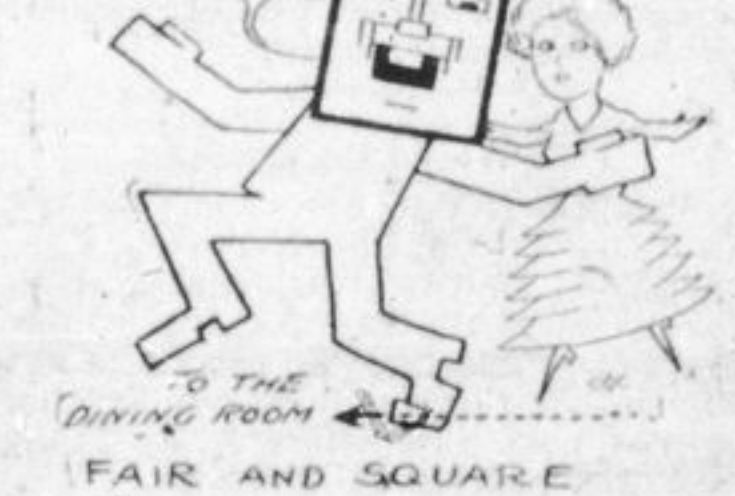

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

NONE OF THE BEST DANCES HAVE TAKEN AWAY FROM THE POPULARITY OF THE OLD FASHIONED DINNER TROT!

DANCE-MAD feet are always pleased to trot to the happy music of the dinner bell. The manner in which a dinner is served means much; the manner in which you are served in our Fair and Square Shop, with richly priced eatables will add a lot of pleasantness to your shopping satisfaction. Large assortment of White Apples.
