VOICE OF THE PULPIT
DR. MACGILLIVRAY SPEAKS OF THE INVISIBLE ARMY

That the British saw at Mons —
Lieut. H. W. Bromwich in Queen Street Methodist Church.

Rev. Dr. Macgillivray, moderator of the Presbyterian General Assembly, preached an eloquent sermon in St. Andrew's Church on Sunday morning on "The Invisible Army that Elisha Saw." He chose as his text II Kings, vi, 17: "There is seeing and seeing, sight and second sight."

In dealing with his subject the speaker said that Elisha saw more that day than his servants did. Much of what we hear and see and apprehend depends upon the faculty we bring to bear upon matters of sight and of faith. This we see by looking at Nature and Providence. One man sees of nature only the outside, another sees the same things but also a wider range of beauty and interest. He has the faculty for the "invisible" and spiritual and gives it play.

Reference was made to Arthur Machen's story of the British responding to the call at the battle of Mons. An invisible host appeared to come into battle. "Legend all this," declared Dr. Macgillivray, said the Moderator, "but true as true can be the little British forces at the salient where 10,000 German dead were piled up, were pushed back and desolated by half, but they saved the day. It is the old scene of the mountains full of horses of fire and chariots of fire round about Elisha. Back of the men fighting for honor, for righteousness, for humanity for the weak and innocent, against the brutal and the strong, was a legion of angels. "You may laugh, but it's true," declared Dr. Macgillivray. Why is religion, but because it is the sphere of the wider outlook and of the nobler hope, the strong anchorage for the soul as the great world plan of God moves on and on, eliminating sin and working in righteousness and righting the likeness of the Christ Divine and the soul of those who elect to be His elect.

Concert For Red Cross.
On Friday night last the pupils and friends of Miss Maud Bell, Pittsburg, assisted by Misses Myrtle King, Emma Leach, Winnifred Wolgar, Margaret Ferris and Bessie Rogers, Kingston, gave a splendid concert in aid of the Red Cross fund. The programme, which was given in the school room, consisted of choruses, drills, dialogues, quartettes and solos was one of such excellence that the performers have been requested to repeat it. Despite the fact that the weather was bad more, and the Kingston General Hospital will make good use of it this Christmas time. Will you not do this much to cheer the poorer patients? Make your cheque payable to Dr. M. F. Cosion, superintendent.

Confirmation At St. James.
On Sunday evening the Bishop of Kingston, held a confirmation at St. James Church, at which the rector, the Rev. T. W. Savary, presented a class of thirty-seven candidates. The Bishop spoke from St. Luke, ix, 52: "No man, having put his hand to the plough, and looking back, is fit for the Kingdom of God," and urged the need of self-dedication without the reserves so often made. Also postponement to a convenient time of taking religion in earnest was a fatal mistake for many reasons. The time might never come, of it is did, we might have rendered ourselves unfit for it by our delay. Perseverance was also mentioned as a requisite in rightness and righting the likeness of the Christ Divine and the soul of those who elect to be His elect.

BISHOP AT PENITENTIARY.
Confirmation Service Held On Sunday Morning.

The Bishop of Kingston held a confirmation at the Penitentiary Sunday morning, at which nine candidates were presented by Archdeacon Dobbs, the Chaplain. The musical portion of the service was excellently rendered by the choir, the members of which had evidently been trained by a skilled musician. The Bishop addressed the candidates on the words of Joshua: "Choose ye this day whom ye will serve," pointing out that God had given every man the power to choose between good and evil, and that all who felt their wills were too weak to face temptation could, if they asked for it in simple faith, obtain strength to conquer through Christ, whose service is the only freedom worth having.

Queen Street Methodist.
Lieut. H. W. Bromwich preached to a large congregation in Queen Street Methodist Church on Sunday evening. He chose his text from Timothy, ii, 5: "For there is one God and one mediator between God and men, who is the man Jesus Christ."

He emphasized the fact that it was doubt which caused so many people to not know Christ and that if they would open their hearts to their Saviour they would ever find him near. He stated that Christ was not a being afar off, but he had the power about is always ready to help us to our God if we would only permit.

At the close of the service a lantern lecture was given in the school room, showing biblical scenes of many years ago, taking place where the battles are raging to-day.

The perfect gift is of permanent value. It sounds a chord of sympathy in the giver and his friend. Books are living things. There is a book that will convey a possible thought or emotion. We can help you choose that book. R. Uglow & Company.
