News of Troops In the City

The 32nd Battery hockey team is practising every day with a view to becoming the best team of the City Hockey League and with the material that Sgt. Wells has under his management a good team should be produced. Capt. Gill and fourteen others were at practise on Tuesday morning and dividing into two groups a good game was played that brought out the best that was in the men.

Capt. G. G. Mills, O.C., No. 1 Section, 3rd Divisional Ammunition Column, transferred his men from the units, that they have been training with, to the Drydock Barracks on Tuesday afternoon and took possession of the top floor. The 34th Battery moved out on Sunday to their new barracks in the Cohen building on Cataract street and the 33rd Battery has come one floor nearer the earth by transferring to the second floor of the Drydock Barracks.

Capt. Mills is assisted by Lieut. P. H. Chrysler, a graduate of Queen's University, but of late a resident of Ottawa and Lieut. H. W. Hughson, a graduate of Toronto Varsity, also of late a resident of Ottawa. There are 133 men at present in the column, but the establishment is 171. The men are being trained similar to men of a battery in foot and section drills, driving and a certain amount of ammunition work. The men that have been secured by Capt. Mills are a splendid body and should do good work when they get the opportunity of taking their places at the front.

Lieut.-Col. W. G. Hurdman, late 8th Brigade, is officer commanding the ammunition column. One section is located at Toronto and one at Winnipeg.

Lieut. Boyd, 33rd Battery, is expected to arrive back from Hobageon on Wednesday with three recruits.

Lieut. Wood, 32nd Battery, is ill at his home in Kincairdine and Lieut. Booth is still on the sick-list at his home in Ottawa.

All of the men of the 32nd Battery returned to duty on Tuesday morning after spending the holiday at their homes.

The 32nd Battery on Tuesday morning had kit inspection and a general clean-up. Capt. Gill states that the battery are going to do even better than ever at New Year's resolution, and discipline and cleanliness will be even more enforced.

The 32nd Battery hockey team is securing red and white uniform.

Major E. C. Barrett is recovering from a severe attack of grippe.

Major Sears returned on Tuesday from his wedding trip to Toronto and other places. His many friends are congratulating him.

Lieut. Johnston, Belleville, is attached to the 33rd Battery, had the men of the battery on a route-march on Tuesday afternoon.

Lieut. McNulty, 33rd Battery is still on the sick list.

Major Massie, 34th Battery, who has been confined to the Hotel Dieu with a very severe cold, has sufficiently recovering to be on duty.

Eight recruits for the 33rd Battery arrived on Tuesday from Belleville and Amherst Island.

W. Jarrell, formerly in the local C.P.R. ticket office, has enlisted in the 146th Battalion.

At the meeting of the 47th Regiment officers, \$300 was voted to the 146th Battalion fund. A resolution of condolence was sent to the bereaved parents of captain Munk and Lieut. Stewart who were killed in action. A resolution was passed that Lieut.-Col. Ferguson might request Lieut.-Col. C. A. Low to secure the transfer of Major J. J. Jones, captain of the 47th, to the 146th. Major A. Bell was recommended as officer to organize and command the reserve militia of the regiment.

There were forty civilians at the training class in the Armouries on Tuesday evening to receive instruction in military work by the officers of the 14th Regiment who have so generously given their services. Capt. F. K. Mahood and Lieuts. Skinner, Tett, Ryan, d'Estere and Stevens were on duty and gave instruction to the class in physical drill with arms and in rifle drill.

Lieut. Young, adjutant to Lieut.-Col. E. C. Arnold at the Drydocks Barracks, will likely leave this week for England to take over his duties with his brigade at the front.

Col. T. D. R. Hemming inspects the 59th Battalion at Brockville today. (Continued on Page 8.)

LOOKING FOR WORK

Everywhere men complain about work; even boys and girls in school or business find work tedious and irksome, but it isn't the work half so much as their own lack of physical strength that makes it hard.

Rich blood, strong lungs and healthy digestion make work pleasurable in business, in school or even housework, and if those who are easily tired—who are not sick, but weak and nervous—would just take Scott's Emulsion for one month and let its pure concentrated food create richer blood to pulsate through every artery and vein—let it build a structure of healthy tissue and give you vigorous strength—you would find work easy and would look for more. Insist on Scott's.

Why Hair Falls Out

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.

Care should be exercised by everyone to wear suitable clothing, protecting the feet and ankles, the chest and the head. Avoid stomach troubles and indigestion, by exercising care in the matter of diet, and eating nourishing, easily digested foods. Bathing should be regular; the skin is a wonderful eliminator of poisons, when pores are not clogged by perspiration and dust. In fact all measures which build up the general health, fortify the constitution against the invasion of diseases.

The nurses from Gabaque now on duty at various points are: Miss Annie Stark, in France, Miss Lora McCammon and Miss Ruby Cornett, at Cairo, Egypt, Mrs. (Mrs.) McKee formerly Miss Shirley Cowan, and Mrs. (Dr.) Fred Donevan are also engaged in the work.
