### AN EXCELLENT SPREAD

CALVARY CONGREGATIONAL CHURCH TEA MEETING.

After the Company had Dined, the Year's Reports were Read, and Splendid Addresses Made by Visitors.

A fine company sat down to supper on Wednesday night in the school room of the above church. The tables were tastefully arranged by the Ladies' Aid, and about seven o'clock the people began to come till about seventy were partaking of the good things so bountifully provided. After supper the company moved into the church, where reports of the last year's work were given. It must be cheering for the pastor and congregation to have to record such a prosperous year in spite of the drawbacks incidental to the war. The finances of all the societies in the church show increases, and attendances too were all improving. Several new members were added during the year, some on profession of faith and others by letter. There can be no doubt but the church has a fine field in which to work, and they are endeavoring to carry out its mission. Rev. Letoy Rice gave an address bringing greetings of his church and congratulating the people on the steady progress being made in these days, when most of our young men are enlisting. Men make all the better soldiers for having some connection with the church. Rev. J. D. Stephen and J. Veale, from Bethel Church, both gave very helpful messages for the people and pastor, assuring them of the interest of the sister congregation in all their progress. And so passed one of the most successful of our annual tea meetings. The pastor, Rev. J. Lyall, and his people thank God and take courage for the future.

### NEWS ABOUT THE TROOPS QUARTERED IN THE CITY

(Continued from page 5.)  
Capt. R. E. Porter, 45th Regiment, has been granted the temporary rank of major while on the Instructional Cadre.

On Sunday evening, Q. M. S. J. E. Harte, C.M.S.C., with a number of the members of St. Paul's Church choir, will give a musical recital at the Drylocks Barracks.

Capt. J. A. Stewart, Sanitary Inspector, has returned from Ottawa, where he made an inspection of the quarters of the 77th Battalion.

Col. T. D. R. Hemming is expected back to-day from Ottawa, where he attended the state dinner.

Lieut.-Col. C. A. Low and Prof. L. W. Mulloy are conducting a recruiting meeting in Cloyne this evening.

Lieut. V. Lanos brought in eleven men from Tamworth on Thursday morning. Lieut. H. S. Wilson left for Wilson on Thursday afternoon with nineteen men of the 146th Battalion.

The Y. M. C. A. is conducting a supper and informal religious study hour every Thursday evening for the soldiers of the garrison.

The N. C. O.'s of the Royal School of Artillery are to play a basketball team either from the Y. M. C. A. or the 33rd Battery at the Y. M. C. A. building on Saturday evening.

On Tuesday evening a special meeting of the Curling Club has been called for recruiting purposes, at which Lieut.-Col. C. A. Low and Capt. C. Kane will give addresses.

Capt. J. A. Stewart, A.M.C., took the sick path 14th Regiment on Thursday owing to the absence of Capt. S. J. Keyes in Hamilton, where his brother is very ill.

Capt. Parks, of the 59th Battalion, played on the Brockville O. H. A. team here on Wednesday evening.

V. E. Genge, F. Haffner and A. G. Davidson have been appointed sergeants in the 146th Battalion.

Lieut. E. V. Mullin is attached to the 146th Battalion.

The following have been taken on the strength of the 146th Battalion: R. H. Shellington, W. T. Cohey, S. R. Wattam and W. J. Pritchard.

### WOULD OPERATE THE CEREAL MILL

If Railway Connection Made With All Lines Coming Into Kingston.

Citizens are hoping that the railway spur along Ontario street to connect with the industrial plants between William and West streets will be constructed this year. The city is ready to do its part, as agreed upon, and all that remains to be done is to have the promised guarantee put up by those directly interested. A company, with Ottawa capital, is ready to take over the plant of the Forwards' Limited and engage in the manufacture of cereals if railway connection is established with all three lines running into Kingston. This can be done by the construction of the Ontario street spur. The necessary power can be secured from Kingston Mills, as the people by vote a year ago gave J. M. Campbell permission to utilize power from there for the mills at the foot of Gore street besides the one he operates on Ontario street, between Brock and Princess streets.

Canadian Casualties.  
Second Battalion.—Wounded, John Hanson, 89 Sheffield street, St. John, N.B.  
Twenty-first Battalion.—Wounded, Corp. George Thomas, Almonie, Ont.  
Slight injury—Lieut. Frank C. McGee, Ottawa, Ont.

"A Tonic Shampoo." Ask to see it at Gibson's Red Cross Drug Store.

### THREE NEW ALDERMEN.

ALD. S. S. CORBETT.

ALD. WILLIAM GIBSON.

ALD. P. B. CROWN.

### COMPLETING LIST OF REINFORCEMENTS

For Queen's Stationary Hospital—Flooded With Applications.

Lieut.-Col. J. C. Connel has about completed the list of reinforcements for Queen's Stationary Hospital at Cairo, Egypt. Only a few places have to be filled and there are ten times as many applications as can be accepted. Reinforcements are to be away within two weeks. Doctors and nurses have been accepted all the way from Edmonton in Western Canada to Baltimore in the Eastern States.

### FIREMAN LUTZ FOR FRONT.

Kingston Department Now Has Five Men Wearing Khaki.

The Kingston Fire Department is certainly doing its "bit" in these days of war. Already five men have donned the khaki to fight for their King and country. Albert Alvin Lutz is the latest to sign up. On Thursday morning he enlisted with the R. C. H. A. He has been a member of the department since December, 1910.

The other members of the department who are serving are Alfred Peggwood and Gordon Murray, of the 21st Battalion; Albert Patrick, of the Second Battery, and W. Hall, of the 14th Regiment.

### The Creche Not Closed.

A report was put in circulation that the prosperous times in Kingston had resulted even in the Creche being closed. This is not the case however. The number of children cared for has decreased but the work goes along and the institution still looks for generous support in its truly laudable work. Its doors are always open for the aid of poor mothers with small offsprings.

### Weather Changes.

The weather man is acting very erratic just now. On Wednesday night he sprang another surprise by handing Kingston a heavy rain for some hours. The wind was high, and the water came down in great quantities. Now a cold wave is coming.

### Red Lights On Go-Carts.

London, Jan. 13.—The Home Office includes a rule in its latest order prescribing that all vehicles shall show after dark a white light in front and a red one at the rear. The rule includes hand-pushed baby carriages.

### READY TO BEAT THEM

OPTIMISM IN BOTH BRITISH AND FRENCH DESPACHES.

Germans Are Outnumbered—Their Exact Disposition and Strength Known to the Allies.

London, Jan. 13.—There is a great spirit of optimism in both British and French despatches from the west front, the correspondents expressing the firm conviction of the Allied generals that there is no possibility of any successful German offensive anywhere in the west lines.

The correspondent of Reuter's Telegram Company sends from British headquarters an interview with an unnamed prominent staff officer, who was quoted as saying:

"We now have full information about the German forces facing us. We know their exact dispositions and strength. We everywhere outnumber the Germans, and also outnumber them in both field and heavy artillery, and our weapons are better than theirs. We can fire five shells to their one, without depleting our munitions. We can take their first line of trenches whenever we wish."  
"To say that we have got them beaten is dangerous rubbish, but the truth is we have got them ready for a beating."

### THEATRICAL NEWS

#### At the Grand.

An excellent bill has been secured at the Grand Opera House for 20 night, Friday and Saturday. The patrons of this popular theatre will have a chance of seeing America's favorite actress, Blanche Ring, in her greatest stage success, "The Yankee Girl." A two-reel Universal photoplay, a comedy picture and the Pathe News, showing interesting scenes of the war and the latest styles, will also be shown. The vaudeville includes Tobe Grimmer in a singing act, in which he sings some old time southern songs, and the Kennedy sisters in a high-class singing and dancing act.

#### At The Strand.

The bill for the last three days of the week consists of a 5-part feature photoplay, entitled "The White Scar," in which that dominating figure of the screen world, "Hobart Bosworth" takes the leading role, assisted by Jane Novak, Anna Lehr, and Frank Newburg. The story is a virile drama of the Hudson Bay country and is one of the most lavish and picturesquely staged photoplays of a fast passing phase of American life, yet produced. Other good subjects will also be shown.

### CAN EASILY DISPOSE OF SURPLUS POWER.

J. M. Campbell Doing Kingston a Favor in Offering It.

There appears to be a wrong idea with regard to the electrical power generated at Kingston Mills by John M. Campbell, and part of which has been offered to the Utilities Commission of Kingston. Mr. Campbell is not depending upon Kingston taking the surplus he has to offer, for he can easily dispose of it to other places in the immediate vicinity. In return for the ratepayers giving him the privilege of bringing in power from Kingston Mills for his flour mills here, Mr. Campbell offered to sell the city the surplus power at three-quarters of a cent a kilowatt hour. The agreement is still held up, owing to the requirements made in it by the Hydro-Electric Commission. The new members of the Utilities Commission, it is understood, will endeavor to have the agreement changed, so that it will be satisfactory to all concerned. Mr. Campbell, it is said, would just as soon see Kingston get Seymour power, as he can very easily dispose of his surplus elsewhere.

### Announcements

Notices of any character relating to future events, where an admission fee is charged, are inserted in the advertising columns at 10c a line for first insertion and 5c a line for each consecutive insertion; or 10c a line each insertion, if reading matter.  
Announcements for societies, clubs, or other organizations of future events, where no admission fee is charged, may be inserted in this column at one cent a word, with a minimum of 20c for one insertion.

# BARGAINS!!

## Cheapness is a Virtue

The most expensive goods we have ever bought has been the lowest priced.

The most expensive help we have ever employed has been the lowest priced.

We have all found bargains.

Only a few have meant real good investment—for it is only at intervals we get a real bargain.

In the commercial world to-day we generally get what we pay for—or less.

Women buy low priced Corsets, too—but in most cases they are not cheap. A Corset out of shape—is worse than no Corset at all—that's what soon happens to a poorly constructed low priced Corset.

No one can make a good fitting Corset out of cheap materials—especially cheap boning. Such Corsets are not cheap; it is only the price that is "cheap." A purchaser gets what she pays for.

The day for merely price argument is passing—if it has not already passed.

Of course extravagant prices are and will always be as objectionable as they ever were, but serviceability and beauty, all that is summed up in the word **quality**—are to-day the controlling factors in the majority of purchases.

The question is no longer, "What must I pay," but "What do I get for what I pay?" and this is very noticeable in the matter of **CORSETS**.

We are sole agents in Kingston for the sale of the following Corsets, that have attained a great reputation both in the United States and in Canada:

- BON TON CORSETS
  - ROYAL WORCESTER CORSETS
  - MODART CORSETS
- \$2.50 to \$8.00

From these new models we can certainly pick a Corset for you that will start you on the road for a better figure.

# JOHN LAIDLAW & SON

# A Necessity

Rubbers are very necessary during unsettled weather.

WOMEN'S RUBBERS—We have a number of pairs of Rubbers in small sizes; regular 75c quality—now **50c**

P. S.—Ice Creepers while you wait, 25c.
