IN HOCKEY CIRCLES

OTTAWA ABERDEENS COMING TO PLAY QUEEN'S.

A Good Sheet of Ice Assured—Meeting of Juvenile Hockey League on Friday Night.

The Aberdeens of Ottawa, one of the capital's fastest senior teams, left at 9 o'clock Saturday morning for Kingston to play here against Queen's to-night. J. H. Dawson informed the Whig on Saturday morning that no skating was being allowed on the ice, and he expected a hard surface for the game, despite the soft weather. As both teams have made a good reputation for themselves so far this season, a close contest is assured.

Juvenile Hockey League.

At a meeting of the Juvenile Hockey League, held in St. Mary's School Friday evening, it was decided to change the name of the team known as Black Stars to St. Mary's Seniors. There will be a new schedule of games drawn up, as the Dry Bones Seniors and Y. M. C. A. Juniors have dropped out.

The game for next week will be on Jan. 25th between St. Mary's Seniors and Y. M. C. A., and Thomas McNeil will referee. On the same night Dry Bones Juniors will play Victorias, with D. W. Bowman as referee.

On Jan. 27th the Wanderers (Seniors) will play St. Mary's and Samuel Hall will referee.

The Livingstons had no representative at the meeting, but as they have a good team, the league will be held open for them until next meeting to enter.

THEATRICAL NEWS

At the Grand.

The bill Manager Branigan is offering his patrons is the best this season so far as the vaudeville is concerned. The pieces are also in keeping with the standard set by the popular playhouse. Heading the vaudeville are Nolan and Ryan in a splendid instrumental act. Mr. Nolan is the late cornet soloist of the Canadian Elites band. As a cornetist he ranks foremost, possessing genius in execution and ability to bring from the instrument an unexpected wealth of tone. He also plays the cello in pleasing style while his partner played the piano accompaniments admirably. The other vaudeville act introduces Calise Rose in a refined thing and musical act. Miss Rose is a charming ingenue with a pleasing voice and splendid musical qualities. "The Chorus Lady" with Margery Daw in the leading role heads the photoplay portion of the bill. It is a masterpiece of film effort aside from its charming story. The usual Universal and Pathe films complete the bill.

At the Strand.

Metro will present a delightfully entertaining star film at the Strand Theatre on Monday, Tuesday and Wednesday, when theatre lovers will have their first chance of seeing Miss Ann Murdock, the dainty little star of Charles Frohman's attractions. It is her first appearance in films, but her youth and beauty are combined with her splendid dramatic abilities in making her a screen player of unusual attractions, and in the leading role of "A Royal Family" she makes a decided hit. The play is a modern drama in which the leading players are of royal blood—it is a political romance full of excitement and big situations. Miss Murdock will appear as a Princess with all the privileges of a boy, when she finds that she loves a young prince of a nearby country. She realizes that boyish pranks are not becoming a princess, and takes to herself all her royal dignity. An unusual and delightfully entertaining romance ensues. Altogether, "A Royal Family" is a pleasing novelty, and one which regular Metro patrons will surely enjoy. Other good reels will also be shown.

DR. RYAN MENTIONED.
It is reported that Dr. Edward Ryan, superintendent of Rockwood Hospital for the Insane, has been asked to take command of the Ontario Government Hospital to be established in England for Canada's wounded.
Dr. Ryan was asked about the report but he declined to make any comment. The fact that twelve of Rockwood nurses are to be attached to the hospital gives strength to the report that Dr. Ryan is going to England.

WAS GREAT SUCCESS.

Kingstonians Take Part in Event at Glenburnie.

A delightful concert was given in the school house at Glenburnie on Friday night, under the auspices of the Red Cross Society. There was a very good attendance. R. H. Fair was chairman programme provided a fine treat, and included songs by Ald. N. E. O'Connor, Kingston, several very interesting Irish readings by Mrs. William Craig, Kingston, and recitations by Miss Lily Hawkey. The musical part of the programme was given by the people of Glenburnie and included violin selections by Edward Moore a selection by a quartet composed of Messrs. Vair and Gravelle, a quartette composed of Mrs. Gravelle, Mrs. A. Craig and Messrs. Fair and Gravelle and several choruses by the young people, under the able direction of Mrs. Vair.

There were also some timely addresses by Ald. S. S. Corbett and William Shurtleff, Kingston, and R. J. Vair, Glenburnie.

The Lindsay Piano Company very kindly loaned the Society a piano for use at the concert. A goodly sum will be realized for Red Cross work as a result of the entertainment.

NEWS ABOUT THE TROOPS QUARTERED IN THE CITY

(Continued from page 9.)

On Monday the sixth course of the Kingston Provisional School of Infantry opened with a possible attendance of 250 officers and N.C.O.'s. This school has made a reputation for itself by the quality of the officers turned out and applications for attendance are pouring in. Since the school was first authorized at Harrieheld camp, last year, there has been an attendance a total of 300 officers and forty-two N.C.O.'s the latter all attending the last course. At the coming course the qualifying class for N.C.O.'s will be even larger than ever with eighty N.C.O.'s in attendance. There seems to be no lack of positions in the infantry for qualified officers and though the classes are growing larger and larger all are on duty in different overseas positions.

Among the officers that will attend the next P.S.I., will be Lieut. Mearns whose home address is Amsterdam, Ont. Lieut. Mearns was formerly employed in a branch of the Royal Bank here but is coming here from Port au Prince, West Indies.

The recruiting in the country for the 146th Battalion is going on splendidly. Lieut. D. L. Bennett brought in ten recruits from Arden on Saturday morning and expects to bring in fifteen more next week who have been inspired by the military spirit.

Capt. C. J. Kane is doing good in Napanee and squads are coming in daily to be equipped and sworn in.

On Friday evening through the kindness of the managers of the Strand and King Edward Theatres, Lieutenant W. M. McKenzie gave short addresses impressing on the audience the urgent need of men for the 146th Battalion.

The 146th Battalion band will likely play one evening at the Palace rink to assist in the recruiting stampede.

On Friday evening the men of the 34th Battery gave a very enjoyable entertainment in the Rideau Barracks. Capt. G. I. Campbell, R. J. McNeil, W. J. Crothers, Jr., F. Clow, G. Joyner and T. Nash of Queen's Street Church and the Young Men's Club of that church were present and refreshments were served by them to the soldiers.

Lieut. Frederick James, of the 146th Battalion, made an appeal in the Grand Opera House on Friday night for recruits. He read the reasons given in the Whig by Principal Gordon as to why young men should enlist, and also quoted the Whig despatch regarding the execution of the Mexican rebel, General Villa, showing how Great Britain's demand for reparation when one British subject (a Canadian at that) was killed, had to be heeded by the Mexican authorities, and how United States subjects are murdered in Mexico and not avenged. Britain, he declared, was worth fighting for and dying for.

Proof of the death of Canadian soldiers at the front who are officially reported as missing, is now considered by some insurance companies as sufficient if the American Ambassador at Berlin gives a statement that the soldier is not in any of the German camps.

Queen's Journal says: Again the Engineers are losing one of their number. This time it is Sergeant Major Sinn. Mr. Sinn has been attached to the Third Divisional Headquarters staff with the rank of Lieutenant. He is to be the Divisional Equipment Inspector, and as such will cover the entire third division. As Sergeant-Major of the Engineers, "Sinnie" has always been right on the job, and now that he has left, the boys realize just how good he was. His new duties necessitate his giving up his college work for this year.

Three new batteries have been organized in Kingston to replace the 32nd, 33rd and 34th that are going away with the 5th Overseas Brigade. The numbers will be respectively the 51st, 52nd, 53rd and the extra men of each of the old batteries will be transferred. This will still mean five batteries in the city, the 51st, Queen's, 52nd, 53rd and 54th and "C" R.C.H.A.

Lieut. J. J. Cranston, A.M.C., has been appointed in charge of recruits at Arrprior.

The following have been taken on the strength of the 146th: M. R. Gilbert, R. H. Pretz, James, Delah, H. J. Toland, Ed. Livingstone, G. E. Cole, Eddie Carr, S. H. Smith, B. R. Baldwin, Thomas L. King, L. Gregson.

AN INCREASE IN WAGES

For the Employees of the Dominion Textile Company.

Manager William Cook of the Dominion Textile Company's mills here has received word that the employees are to receive a five-per cent. increase in wages, beginning the 24th. There are 220 employees at the local mills, and the increase will amount to between \$75 and \$100 a week.

The Wonder Car.

W. W. Gibson, agent for the Chevrolet motor cars for this district, unloaded three cars at the Grand Trunk freight sheds to-day, and every car was driven to the garage on its own power. One of the many advantages with this car is you fill your tank with gasoline, press the button, and away she goes with the smoothness of a watch. Dozens of enquiries are made each week about this car, and orders placed for spring delivery. Order now and make sure of your car. Demonstration given from Chevrolet Garage, King street, near Northern Crown Bank.

Laidlaw's

To-Night

It will pay to buy these special goods offered, as the prices named are much below their real value, and we offer a chance to share a bargain we secured.

Special To-night

White Washable Chamoisette Gloves

This is a real good make, quite different from the usual washable gloves shown.

We were able to get only a limited quantity, so would advise an early purchase.

Children's Sleeping Suits

Just the thing for small children and for some of the larger ones too. These are made full size, with feet attached.

Stockings for All the Family

Hosiery is becoming very scarce and careful people are buying now, as they realize how difficult it will be to secure Cashmere Hosiery later in the season.
