ASKS FOR COMMISSION

TO DESIGNATE AREA OF SUBURBAN ROAD CONSTRUCTION.

County to Receive \$7,138 From Government for Roads Rebuilt Last Year—Two Sydenham High School Trustees Appointed.

The Frontenac County Council has ordered that applications be made to the Lieutenant-Governor in Council to direct that a commission be selected to designate and define a suburban area of road construction, towards which Frontenac, Kingston and the Provincial Government shall contribute the cost of construction and maintenance.

On motion of Councillors Franklin and Blake, the good Roads Committee was authorized to appoint a commission to act in conjunction with a commission to be appointed by the Lieutenant-Governor in Council to lay out and designate a suburban area of county roads adjacent to the city.

R. H. Fair, road superintendent, presented his report, showing that during 1915 the sum of \$21,416.25 had been expended upon the good roads system of this amount the Ontario Government will pay one-third.

George V. Stewart, Pittsburg, and Charles Smith, Kingston Township, were appointed trustees of the Sydenham High School.

The Property Committee's report contained an account of \$9.91 for a Christmas dinner for the jail prisoners, which was passed. The committee was authorized to arrange about cabinet files for the vaults in the basement of the Court House.

The Educational Committee recommended that no delegates be sent this year to the Ontario Educational Association Convention; that the Council oppose the Teachers' and Inspectors' Superannuation Bill and that no action be taken on the proposal of the Hastings Council to ask the Ontario Government to change the Public Health Act so that municipalities may be given full jurisdiction over health officers. The recommendations were adopted.

The Council had a big programme for the Friday afternoon session. Mr. Morrison, Ottawa, addressed it with regard to the Canadian Patriotic Fund and the C. E. L. asked for co-operation with the 146th Battalion recruiting campaign.

A MEDAL PRESENTED TO PITTSBURG BOY

For Saving a Man From Drowning—Hector B. Hughes Recognized.

At the Friday afternoon session of the County Council, the seventeen-year-old son of John Hughes, farmer living near Cusheonville, was presented by Dr. J. W. Edwards, M.P., with the medal of the Royal Canadian Humane Society for bravery and presence of mind displayed a year ago last December in saving from drowning Charles Reynolds, who was about to sink to a watery grave in the Rideau when the boy, who was skating, hurried to the scene and effected his rescue.

A young man named Weir had broken through the ice, and a farmer named Anderson and his wife and Charles Reynolds went to his aid. All three broke through the ice. Both Weir and Anderson were drowned, while Mrs. Anderson managed to save herself by climbing on firm ice. The lad, then sixteen years old, came on the scene when Mr. Reynolds was clinging to a stump and about to sink. He shoved an old boat along the ice and into the water, and by great exertions he managed to get the exhausted man into the craft.

His act was brought to the attention of the Canadian Society by Dr. J. W. Edwards and Judge McDonald, Brockville, and it was decided to make public recognition of the boy's brave deed. The Hughes family formerly resided in Kingston.

THEATRICAL NEWS

At the Grand.

Another high class photoplay and vaudeville bill is being offered Grand patrons for today and Saturday. The first performance was yesterday afternoon when a large audience enjoyed every inch of the offerings. The Feature photoplay is a pictorialization of Henry Arthur Jones' famous play and novel "The Masquerader" in which Hazel Dawn is starred. It is one of the most interesting of the many good photoplays that have been shown at the Grand. "All Over Discus," a reel laugh provoker, "The Trap That Failed," "Caught With the Goods" and the Pathe complete the movie end of the bill. Miss Juanita L. Fletcher is back on the vaudeville end of the bill and is as pleasing as ever, her songs containing that artistic touch which has made her a big favorite here. She sang "The Enchanted Glade" and "The Long, Long, Trail" and was forced to respond to encores for both numbers. The three Cooks, in a novelty musical act proved a riot. The setting is that of a Chinese laundry and the trio play all varieties of freak instruments.

"Twin Beds."

The first appearance in this city of the now famous "Twin Beds" will be offered at the Grand Opera House by Selwyn and Company, on Wednesday evening, Feb. 2nd, of the Salisbury Field-Margaret Mayo Laugh Festival, direct from a fifty-two weeks' run in New York.

The story is built upon the complications which can arise when three couples—one newly wed, one engaged, and one on the point of celebrating a tenth anniversary of marriage—all comely and gregarious and nearly all jealous—live in three apartments directly above each other in a big metropolitan house, and exchange visits, both by invitation and by mistake, at assorted hours of the day and night.

The tonic wholesomeness of "Twin Beds" is in part due to the whirlwind rapidity of its action, and the genuine drama of its situations, but even more to the fact that it was written as social satire, gemmed with life-like characterization. It is both clean and funny because it is first human.

At The Strand.

The standing room only sign was again in evidence at the Strand last evening. The bill given consisted of a 6-part photo-play entitled "Father and the Boys" from the famous book by America's greatest humorist, George Ade. "Mary Fuller" in "A Sea Mystery" and Myrtle Gonzalez in "Does It End Right" were also shown. The bill is one of great strength and pleased everyone immensely. It will be given again to-night and all day Saturday.

Charlie Chaplin At Ideal.

This well known comedian will be seen in "By the Sea," a scream from start to finish, also J. W. Kerrigan in a two-part feature "The Palace of Dust," "Universal Weekly" and other good reels at the Ideal Theatre Friday and Saturday only. Usual admission.

At The King Edward.

The all-star programme. To-night and Saturday there will be shown the Boston Animals and Capt. Bouvitt in "Stanley in Starvation Camp." This picture was taken in the jungles of South Africa. Watch for the new serial story, "A Diamond From The Sky." Usual admission.
