

CHILDREN'S WAR DAY

THE KIDS PRESENT IN HUNDREDS AT ARMOURIES.

And Were Given Candy and Oranges—Results of the Various Contests—The 146th Carnival Most Successful.

Wednesday, the third day of the big mid-winter carnival and bazaar in the Armouries being run by the 146th Overseas Battalion, C. E. F., was Children's Day. From two o'clock until nearly eleven o'clock the balconies and main floor of the Armouries were packed solid with many hundreds of happy children and adults. The crowds at both the afternoon and evening entertainments were much larger than the attendances on Monday and Tuesday.

A Most Extraordinary Cure for Epileptic Fits

Mother Had Appealed to Three Doctors in Vain—Cured Four Months Ago by Use of Dr. Chase's Nerve Food.

This letter from Mrs. Noxel is endorsed by Mr. H. J. Mahaffy, druggist, Port Colborne, Ont., as being true and correct. While it reports a most remarkable cure, for there was no other case reported by others. Mrs. Henrietta M. Noxel, R.R. No. 1, Humberstone, Ont., writes: "I cannot help writing to you, as I want you to know what a blessing Dr. Chase's Nerve Food and Kidney Liver Pills have been to my boy. He was taken with very violent fits, would twitch all over, his eyes would turn towards his nose, his jaws set and his lips turn almost purple. He would clench his fists tightly, become unconscious and then go into a long sleep. After several hours he would wake up sighing and so weak he could not stand. I was afraid he would die and took him to the doctor, who pronounced his case epileptic. As his medicine was not effective and the fits continued, I took him to another doctor at Fonthill but his medicine seemed to make him worse.

Everything both in the afternoon and evening, however, was run off without either mishap or unpleasant incident. No carnival held in Kingston has been more successful than this one has been so far. Some of the most prominent people of the city and district were present last evening and enjoyed the good concert given by the R. C. H. A. band under Lieut. Light, and the sports and athletic events especially the boxing contests, held their and everybody's interest. The tea room, candy booth and the battalion canteen did a land office business all day. The tea room has already become a popular rendezvous. It was directed yesterday by Mrs. T. D. R. Hemming, wife of the Officer Commanding the 3rd Division. Assisting her were Mrs. C. A. Law, Mrs. H. S. Wotherston, Mrs. P. G. Campbell, Miss Elsie Pense, Miss Ethel Kent, Miss Mollie Bidwell, Miss Lucy Waddell, Miss Gwen Waddell, Miss Margaret Hemming, Miss Hilda Calvin, and others.

When the Armouries on Wednesday night was packed with people watching the carnival events, the following circular letter signed by Col. T. D. R. Hemming, was distributed. The letter reads: "Canada has proven to the world that she is part and parcel of the British Empire. The manhood of Canada has come forward ungrudgingly to the assistance of the Mother Country, in the most humane cause ever projected, that of crushing 'Kaiserism,' which is synonymous with all the gruesome atrocities which are attributed to the Germans. 'If you have not yet taken your stand on the side of right, consider it earnestly now. You are free to do and think as you will, but it is in the realms of possibility that there may come a time when you will have no freedom nor even a mind of your own. 'If Germany should win this war, the light of your very existence will be forever dimmed, and you would be but a prey for the Canadian which has turned the gardens of the world into shambles. 'Think it over seriously, and remember that the 146th Battalion has a place which you can satisfactorily fill. HOCKEY AND CURLING

COLLEGIATES DEFEATED PORT HOPE BY 11 TO 2.

In the Junior O. H. A. Game Wednesday Night—Juvenile Hockey Notes—With the Curlers. By the clean-sweeping majority of nine goals the Kingston Collegiate hockey team on Wednesday night put away the Port Hope Junior O. H. A. team by a score of 11 to 2. After one of the best games ever played here, the teams were so evenly matched during the first period that it was any person's game, and all through the fans were kept in breathless suspense. The largest crowd to attend a hockey game this year was present. The visitors did not bring down very many supporters, but the few counted, and there was always lots of noise stimulant for the players. The game started at 8.35 p.m., and right from the first the game had the most intense interest of the spectators. Stewart brought out a sight when he missed by a small margin making a tally a minute after the play started. Both sides seemed to be rather dazed, and played in circles. Most of the playing was in the vicinity of the Collegiate goal, and Toland was kept busy. It was thirteen minutes, however, before Hill, the classy little centre of the visitors, made the first and sent the stock of the students two degrees cellarwards. The visitors continued their good back-checking, however. They have two virtues that show up strikingly—that of being able to back-check and to shoot on goal. The Collegiate outskated them in spite of their most desperate efforts, and proved themselves better stick-handlers. For six times in succession the marks went to the locals. These goals were almost all made about fifteen feet from the net, and resulted from passes. The eleventh goal was made in rather an amusing way by Grattan, who happened to be underneath the Port Hope players who piled themselves in front of their nets to save a goal. Grattan also assisted in the next by passing the rubber to Stewart from behind the iron bar. When Ferguson made the last on a lone rush the crowd went wild. Ferguson was off in the first period of putting one of the visitors into the white-washed border of the rink. Jex had to have a rest and made three Collegiate men take punishment for him to get it. Collegiate combination play was responsible for the large score. Port Hope has a good forward line, but the defence is too easily coaxed out. The Collegiate have one of the best junior O. H. A. teams of this season. They can play clean hockey, individually they know the game thoroughly and use their heads, and collectively they make a fast set-piece. Stewart is even better than ever and though light makes up for this drawback in the ideal way he can steal the rubber from his opponent. Ferguson made some thrilling rushes and attracted the crowd to cheer. Paul at rover played probably better than ever before. He was out for a few minutes but all through the game worked hard. Grattan and Toland on the wings as supporters to Stewart were as usual fast and effective in spotting combinations attempted. "Jack" Evans is a "new-comer in our midst" this year but fits in perfectly and is a good successor to Carroll. Toland in goal was very superior to McMahon who seemed to be in dreamland most of the time. Hill for the losers was their best man. He plays a clean steady game and deserves credit. Collegiate Port Hope S. Toland goal McMahon Ferguson defense Love Evans defense Jex Paul rover Raven Stewart center Hill Grattan wing Green C. Toland wing Scudhoy E. Lang, Belleville, referee. The scoring was as follows: First period—Port Hope, Hill and Green; K. C. L. Paul. Second period—Stewart, Toland, Paul, Toland, Stewart, Toland. Third period—Stewart, Grattan, Grattan, Ferguson.

Appreciates Their Help.

E. O. Sliter, on behalf of the Collegiate Hockey team, sincerely appreciates the help that was given to the K. C. L. team and to Ferguson in particular on Wednesday night by the supporters of the Frontenac team. Considering the rivalry that has existed, the broad-mindedness of James T. Sutherland, G. Van Horne and others in working over Ferguson when he went out is very gratifying, and Mr. Sliter expressed his appreciation. Ferguson at the end of the game hit the boards and had to be carried to the Hospital with a muscle bruise. He lay in the hospital last night but has quite recovered. Curling Games. At Belleville last night, the Kingston curlers both junior and senior rinks were defeated on the round by the Belleville rinks. At the Kingston curling rink, R. Stevenson, was defeated by A. Maclean in the singles by 15 to 11 and Prof. J. Matheson defeated F. Stone 14 to 10. Allan Spencer, who for several years has occupied the Robert Anderson homestead, Melville, has removed to Apollonburg, on James E. Glen's farm.
