

OUR SUCCESS IN THE CAMEROONS.

The scene at the camp at Ede. Transport cars are seen waiting to be loaded up preparatory to starting on their way to Jaunde, the capital of the last but one remaining German colony.

Crown Prince Umberto of Italy. Latest photo of the heir to the Italian throne, taken as he is assisting in the bestowing of decorations on the Italian heroes of the war.

The Isle of Oskald in the Baltic Sea is the strongest Russian fortress in that part of the enormous Russian Empire.

AN AUSTRO-HUNGARIAN COAST SIGNAL STATION ALONG THE ADRIATIC COAST.

AUSTRIAN ARMORED TRAIN USED FOR RECONNOITERING.

Small calibre rapid firing guns and auto guns are mounted on this armored train, which is used by the Austrian for reconnoitering.

French soldier band composed of members of the dare-devil company of French soldiers whose duty it is to reconnoitre the enemy's position previous to an attack. Very often the men meet the death dealing poison gas, and all are equipped with anti-gas masks.

Wheeler, secretary to the vice-president, the left of the picture.
