AT ONCE! STOPS STOMACH MISERY AND INDIGESTION

"Pape's Diapepsin" makes sick, sour, gassy stomachs feel fine.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour, and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

VERY FEW ARE LEFT OF KINGSTON BOYS WHO WENT WITH CAPT. RICHARDSON

Pte. Eden Warren Has Been On Firing Line a Whole Year—Has Not Slept In Bed In That Time.

W. H. Warren of the firm of McKevey & Birch has received an interesting letter from his son, Pte. Eden Warren, now serving with the 2nd Battalion in France. Pte. Warren states that he has been on the firing line for one year, during which time he has never had the opportunity of sleeping in a bed. He longs to get an opportunity to visit Kingston again. Since he crossed to France with the battalion in February 1915 he states he has seldom had an opportunity to sleep under cover.

Although he has went through all of the great battles in which the Canadians took part during the past year, he has been fortunate enough to come off without a scratch. He refers to receiving the Daily British Whig regularly and is mighty glad to hear about what is going on in Kingston.

A parcel containing a cake, which was sent from his home, arrived recently and he was glad to get it as it was about the first good cake which he has tasted in six months.

Pte. Warren collected with the Queen's Engineers under command of Maj. Alexander Macphail with the First Canadian Contingent, but transferred to the company in command of Capt. George T. Richardson. When it was seen that he would make a very valuable man for the transport section of the 2nd Battalion he was transferred.

Pte. Warren says that there are only a handful of the Kingston boys when went over with the late Capt. George T. Richardson.

Why Hair Falls Out

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen—and then—the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.

A TALK TO RETAILERS

Manufacturers from time to time advertise their brands and their products in this newspaper.

Each advertisement means more business for the stores that carry these goods.

It means new customers, and enlarged sales. That business will go to the retailers who cooperate with the newspaper advertising by showing the goods.

The customers interested by the newspaper advertising will see the goods in the windows and will accept them as the merchant's invitation to come in.
