King George's Navy Plug CHEWING TOBACCO

Is Absolutely Good

It is made from leaf-tobacco that has enough elasticity against the teeth to keep it together, instead of granulating in the mouth as most plug tobaccos do.

It has a delicious non-irritating, palate-tickling sweet taste—because medical authorities agree that the ordinary "strong," unsweetened, plugs are injurious.

It is not affected by artificial heat or old age—does not get hard—because it is protected by a highly glistening tobacco leaf envelope.

The present course of the Provisional School of Infantry will finish the first week of March. The detailed plan for working out the to-be-established Infantry School in Instruction have not been received. In the reorganization of a school the 3rd Division is indeed fortunate in having as commandant not only an efficient officer but one who has fine scholastic attainments. He is officer commanding the 15th Belleville Regiment and on the other hand is principal of the Belleville High School.

Saturday evening will be "Amateur night" at the Military Y.M.C.A. The boys are going in for a good time and it is expected that there will be some new and original stunts put on.

The Military Y.M.C.A. secretary C. V. Farmer, received the other day a donation from Mrs. Lewandowsky, a former Kingstonian, now living in Detroit, toward the equipment of the soldier's club room. She had read in the columns of the Whig of the work being done at the Military Y.M.C.A. and though she was living in the States, was anxious to do something for the Canadian boys in khaki.

An Irish recruit, upon being placed on sentry duty one evening "Somewhere in France," received instructions not to allow any person through the lines until they had given the password, viz., "Ireland Forever."

About midnight Pat heard foot-steps approaching camp, and challenged the intruder. Upon receiving no reply, he yelled, "Begorra, ye cannot pass through here until ye say, 'Oireland forever!'"

Major C. J. Burrell, A.D.E.S., has authorized the building of stairs on the outside of the Ordnance stores on King street.

Nine more borders for Major P. G. G. Campbell's "Militia Hall" at Fort Henry has arrived this week.

Lieut.-Col. D. Macpherson, staff officer, under General Otter, of Intermittent Operations for Canada, was in the city on Thursday, and Friday, leaving yesterday for Ottawa. When the Colonel spent most of his time at the fort making a very thorough inspection.

E. N. Runions of Cornwall proposes to tour United States hockey centres with two girls' teams recruited in Cornwall and Montreal. Boston, New York, Cleveland, Detroit and Pittsburgh are included in the itinerary. Games are being arranged for the first week in March.

Says the Ottawa Citizen: "Ottawa tried out about fifteen amateurs this winter and turned off but two or three adrift. Most of the Ottawa cast-offs drifted to alleged amateur teams of Pittsburgh, Cleveland and other hockey centres."

The N. H. A. record at present stands as follows:

Teams	W.	L.	D.	P.
Canadiens	9	6	1	13
Wanderers	9	7	0	13
Quebec	8	7	2	13
Ottawa	8	8	0	16

The postponement of the Willard Moran fight from March 8th to March 25th will tend to the advantage of Willard. The champion has not appeared in any kind of ring since he won the title a year ago. He is a big man and naturally puts on weight readily.

At a meeting of the Illinois-Indiana Hockey League in Chicago plans were discussed to make hockey the feature winter sport in Chicago next season. It was decided to have nothing to do with the fly-by-night organizations now playing "amateur" hockey in various parts of the United States.

"Joe" Corbett, brother of James J. Corbett, once world's champion fighter, has signed as a pitcher for the Pacific Coast League team of San Francisco. Corbett will get a try-out to determine if he really can come back and pitch the ball he did twenty years ago when he played with the Baltimore National League team.
