MADE A TEN STRIKE SOLDIER FIFTY YEARS

LATE CAPTAIN HENRY BIRTLES, ROYAL ENGINEERS,

Who Died on Tuesday Aged Seventy-Six Years—Was Instructor at the Royal Military College.

After having worn the uniform of the King for fifty years, death called away on Tuesday afternoon, Captain Henry Birtles, 80 Clergy street west, one of the best known and most highly respected of Kingston officers. His death came as a surprise to a large circle of friends, who knew him to be one of the best and most efficient of soldiers and a good citizen.

The deceased was born seventy-six years ago in Staffordshire, England, and at the age of twenty-one went into the Imperial Service with the Royal Engineers. For twenty-one years he was with that unit and gave such efficient service that at his retirement he had reached the rank of sergeant-major. Coming to Canada he was soon, however, taken on the strength of the Royal Military College staff. He was appointed sergeant-major instructor in military engineering and in signalling, at the same time discharging the duties as foreman of works for the College.

His ability and experience soon won for him an honorary commission. After twenty-nine years more service he was retired with the rank of captain in August, 1910. Since that time he has been living quietly in the city.

During his life he was always actively interested in Masonic work and gained a high position with the order. In religion he was an Anglican and attended St. Paul's Church.

The survivors, besides his widow, are his daughter Minnie, at home, and two sons, Henry at the War Office, London, England, and William in the mechanical staff of the Star Publishing Company, Montreal.

Regret His Withdrawal. The City Council last evening expressed its regret that John Macdonald, of the Board of Education, who has for some years been the energetic secretary of the House of Refuge Board, had decided to retire.

Had Council known this two weeks ago it would have kept Mr. Macdonald in office by making him a member of the new commission which now governs the Refuge, as it recognizes that he has devoted a great deal of time and energy in making things more comfortable at the Montreal street institution for the old folks.

Hope was expressed that he would continue to act as secretary for the year.

Will Help Fund. Commencing March 1st every Grand Trunk employee in Canada will be assessed one per cent. of his wages for the National Patriotic Fund. The G. T. R. men have no option in the matter of instructions as to deduct the matter as instructions are to deduct one per cent. from the pay.

Found Dead in Bed. Robert H. McRae, 42 Afton Ave., Toronto, was found dead in bed by his landlady on Monday afternoon. The landlady called Mr. McRae to go to his work and when he did not answer she became alarmed. Deceased was a former Kingstonian, about fifty years of age.

Rarewell, Winnipeg; also three brothers, David, Chicago; Ernest, Toronto; Allan, Toronto. N. Y.; two sisters, Jessie R., Kingston, and Mrs. N. J. Fraser, McLeod Valley, Alta. Scrofula eruptions on the face and body are both annoying and disfiguring. Many a complexion would be perfect if they were not present.
