RIVERSIDES' EASY WIN

DEFEATED THE FRONTENACS BY 10 GOALS TO 1.

In First Game of Senior O. H. A. Semi-finals—The Kingston Team Was Outplayed at All Points.

After outplaying the senior Frontenacs at almost every point of the game, the Toronto Riverides won the first of the home and home games of the semi-finals of the senior O. H. A. at the covered rink on Wednesday evening by a score of 10 to 1. The first period ended 3 to 0, and the second period 6 to 0.

Riversides played far superior hockey than the locals. Every man on the team knows how to play combination which results in scores. Riversides' defence proved to be the stumbling block to the Frontenacs. Although they were able to break away from the Toronto forwards, the defence was too much for them.

It must be taken in consideration that Frontenacs were "up against" it owing to the fact that the team was disorganized on account of the forced absence of Gooch. Gooch was only able to leave the General Hospital on Wednesday afternoon after being there for the past ten days suffering from an injured foot. Rubie Millan, who is attending Dental College in Toronto, was in the city on Wednesday and played at centre ice for the local team. He played exceptionally good hockey when one takes into consideration that it was the first time he had been with the Frontenacs this season. The Frontenacs' defence was greatly crippled on account of Gooch, its mainstay, being out of the game. Ferguson was on the job, but without the aid of his partner, Gooch, he seemed to be lost. Time after time he would go up the ice, but his rushes were without result.

Four and one half minutes before time was called Crane shot a goal, but as the referee's bell had rung before the puck crossed the line the referee would not allow the score. Many of the spectators left the rink with the idea that the correct score was 11 to 1, but Referee Bernhart, when asked by the Whig, stated that the score was 10 to 1.

The First Period.

The Riversides were only on the ice a few minutes when they started to show their class. Brouse and Millan went down for what looked like a sure score, but the Toronto defence broke up their rush. Riversides shot three times on Cook, but he was able to clear in time. Crane went down the ice unassisted and netted the first score after two and one half minutes of play. At this point of the game both teams were bunching a great deal, and poor hockey was being played. Millan broke through, but was tripped before he had time to deliver the puck. Derry recovered the rubber, but his shot went wild. Dopp tore through for what looked like a sure one, but Cook had his eyes open and batted it off. Riversides went down the ice with some very pretty combination play, but it was broken up before any score was made. Reid shot on the nets, but the flag did not go up. Crane got a minute rest for loafing. Merrick served time for bodying a man into the boards. Crane then got through, but his shot did not register.

Riversides stopped their bunching, which resulted in their getting two more goals before the bell rang for the rest period. Millan got one minute for checking a little too hard.

The Second Period.

The second period opened with Frontenacs pushing hard to score, but the pace which the Riversides set was too much for them. Applegath got a rest for tripping. Derry shot wild. Ferguson rushed down the ice, but was skated into the corner before he was able to shoot. Crane and Dopp went down the ice with a clever piece of combination play, but Cook went out and met them after they had gone through the entire team, and no score resulted. Reid broke through, but was tripped. Applegath and Reid started to mix up, but the referee warned them. Smith and Merrick scored two points, making the score 5 to 0. Applegath and Crane got a rest for tripping and loafing. Dopp made the score 6 to 0, eight and one half minutes later.

The Third Period.

When the team returned to the ice Heintzman was back at his old place at rover, while Millan was holding down the defence post. Both teams got into a scramble in front of Toronto net, and for a time it was thought Frontenacs would score, but the Toronto players had the luck with them. Merrick threw Reid off his feet, and got one minute to think things over. Both teams were playing a very even game for seven minutes until Millan got the rubber from a scramble in front of the nets and slipped it in for the first and only score for Frontenacs.

During the excitement the Toronto goal tender toppled over and was out for a few minutes. It is thought that he got a poke in the ribs with the end of a hockey stick.

For the rest of the game the winners had everything their way. Applegath, Noble, Millan and Reid drew penalties.

For the winners Dopp at left wing was probably the most effective man. Although he does not play any sensational part, he is with the puck all the while, and happens to slip it over the line occasionally. Crane at centre ice plays a neat game. Noble, the rover, did not have to work hard, and for that reason he did not dis-

play any of his sensational playing. Merrick and Smith play a good defensive game, and will be hard for any team to beat.

Reid was probably the best man for the local team. He played fifty-eight minutes of good hockey, and during that time he did not draw a penalty.

The teams lined up as follows: Riversides—Goal, Collette; right defence, Smith; left defence, Merrick; rover, Noble; centre, Crane; right wing, Applegath; left wing, Dopp.

Frontenacs—Goal, Cook; right defence, Brouse; left defence, Ferguson; rover, Heintzman; centre, Rubie Millan; right wing, Reid; left wing, Derry.

Referee—Oscar Bernhart, of Bradford.

The scoring summary is as follows:

- First Period:
- 1. Riversides—Crane . . . 2.30 mins.
- 2. Riversides—Applegath . . . 3.00 mins.
- 3. Riversides—Smith . . . 12.30 mins.
- 4. Riversides—Smith . . . 30 secs.
- Second Period:
- 4. Riversides—Smith . . . 3 secs.
- 5. Riversides—Merrick . . . 30 secs.
- 6. Riversides—Dopp . . . 8.30 mins.
- Third Period:
- 7. Frontenacs—Millan . . . 7 mins.
- 8. Riversides—Crane . . . 30 secs.
- 9. Riversides—Merrick . . . 3.9 mins.
- 10. Riversides—Applegath . . . 7.00 mins.
- 11. Riversides—Dopp . . . 30 secs.

Riversides Expected a Defeat.

After last night's Waterloo for Frontenacs, the following comment in yesterday's Toronto News reminds one of the uncertainty of life: "Riversides rather expect a beating to-night at Kingston, but they are hopeful of keeping the score down to small proportions. They may take us into camp on their own ice, but we will make up the difference in the return game," said Manager Smith this morning. The Frontenacs have always been a hard team to beat on their own ice, as both the T. R.'s and Victorias, senior champions of other years, can attest. Last winter they could not win at the Arena, but they gave the Victorias a fine lacing in a game at the close of the season.

Frontenacs Leave For Toronto.

Frontenacs leave on Friday noon by special train for Toronto, where they meet the Riverides in the return game of the semi-finals of the senior O. H. A. It is expected that a large number of citizens will take advantage of the excursion.

To-night's Event.

The Frontenacs are pretty good sports. Notwithstanding the defeat administered to them last night by the speedy Toronto Riverides, the club will be out in full force to-night at their big complimentary smoker and assault-at-arms which will be held in the Ontario Hall with the first event starting at 8.15 p. m. J. H. Cameron, Toronto, the celebrated Humorist and entertainer, has arrived and will be at his best to-night. Mr. Cameron needs no words of praise as his ability is unquestioned in his field of work. Ex-Ald. Bews, who has charge of the athletic events has had a large number of entries for the different boxing and wrestling contests. There will be some splendid fencing as well.

Frontenacs have decorated the hall and by kind courtesy of Col. Charles A. Low, officer commanding 146th Battalion, the splendid brass band of that organization will assist in the evening's enjoyment.

The Frontenac officials have endeavored to distribute the invitations so that all young men may secure one and be on hand. However, if there are any who have been overlooked they are cordially invited to come to-night anyway and they will be heartily welcomed.

The smoking committee has provided some choice "puffs" and those who enjoy the "weed" will have a most enjoyable time. This will undoubtedly be the biggest athletic entertainment ever held in Kingston and the young men who miss it will have much to regret afterwards.

Curling Games.

M. P. Reid and T. R. Carnovsky will play the final game in the singles at the curling rink this afternoon. On Wednesday Carnovsky won from J. F. Macdonald by a score of 4 to 1, and entered the singles with Marjorie Reid. On Thursday Reid has won the championship for the past three years in succession, there promises to be an interesting fight.

Three club games were played at the rink on Wednesday. T. N. Asstine's rink won from George Hanson's by 14 to 9; J. M. Elliott's won from W. M. Bailey's by 13 to 11, and William Leslie's won from A. W. McLean's by 10 to 8.

WILL TRAIN AS A NURSE.

Miss Agnes Brebner Remembered by Her Friends.

Miss Agnes Brebner, a well-known and popular young Kingstonian, who has a wide circle of friends, has left for Clifton Springs, N.Y., where she will take a special course of training to become a nurse.

On the occasion of her leaving the city, the teachers of the Methodist Church Sunday school at Williamsville, where she served as a teacher, presented her with a signet ring, the very best wishes of every teacher accompanying the gift.

A number of close friends in Williamsville, known as the "Tipperary girls," also made a presentation to Miss Brebner, making her the recipient of a travelling man's set, at the same time wishing her every success in her new field of work. All her friends join in this wish.

Hear Miss Robbins Friday.

A meeting at which the Bishop of Kingston will preside will be held in St. George's Hall on Friday, March 3rd, at 8 p.m., when Miss Robbins will give an address on the work of the girls' school, Kalfenz, China.

Have Arrived in England.

A cable received in the city announces the safe arrival in England of Capt. A. P. Chown and his daughter Miss Bessie. The latter is to be married shortly.

SALT IN HOT WATER CLEARS PIMPLY SKIN

Says we must make kidneys clean the blood and pimples disappear.

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very ducts which should absorb only nourishment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually makes pimples disappear; cleanses the blood and is excellent for the kidneys as well.
